Independent Auditor's Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of LifeCare Alliance Contribution Retirement Plan, which comprise the statements of net assets available for benefits as of September 30, 2013 and December 31, 2012, and the related statements of changes in net assets available for benefits for the period ended September 30, 2013 and year ended December 31, 2012, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in the notes to the financial statements, which was certified by Huntington Bank, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee held the Plan's investment assets and executed investment transactions. The plan administrator has obtained a certification from the trustee as of September 30, 2013 and December 31, 2012, and for the period and year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter - Plan Termination

As further discussed in the *Plan Termination* footnote in the notes to the financial statements, the Board of Directors of LifeCare Alliance, the Plan's sponsor, voted on April 17, 2013 to terminate the Plan. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2012 financial statements to the liquidation basis used in presenting the 2013 financial statements. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CONTRIBUTION RETIREMENT PLAN

Notes to Financial Statements

September 30, 2013 and December 31, 2012

Plan Description

The following description of LifeCare Alliance (the Organization) Contribution Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by the Organization in 1996. The Plan is a defined contribution plan covering all full-time employees of the Organization who have one year of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employer contributions are determined at the option of the Organization's Board of Directors. For 2012, the Board of Director's approved a contribution equal to 4% of each eligible employee's compensation. The Board of Director's elected not to make a contribution to this Plan for 2013. Participants may not contribute to the Plan except for rollover or transfer contributions. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's rollover contribution and an allocation of (a) the Organization's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their rollover or transfer contributions, plus actual earnings thereon. Prior to plan termination, vesting in the Organization's contributions portion of their accounts, plus earnings thereon, was based on years of continuous service as follows:

Years of Service	Vesting Percentage
2	20%
3	40%
4	60%
5	100%

Plan Description (continued)

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions in any of the various investment funds as offered by the Plan. Participants may change their investment options at any time.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The plan has elected to adopt an automatic rollover provision for terminated participant balances under \$5,000.

Forfeited Accounts

Amounts forfeited by participants who terminate service prior to becoming fully vested are used to restore participant's forfeitures and then to reduce future employer contributions or pay for certain administrative expenses of the Plan. At December 31, 2012, forfeited non-vested accounts totaled \$13,179. Administrative expenses of approximately \$3,000 and \$8,000 were paid from forfeited non-vested accounts during 2013 and 2012, respectively. Additionally, in 2013, the Organization used approximately \$11,000 in forfeitures to reduce 2012 employer contributions due to the Plan as of December 31, 2012.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the trustee. Investments that represent 5% or more of the Plan's net assets are separately identified.

Fair Value Measurements

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2013 and December 31, 2012.

*Money Market
and Mutual
Funds:*

Valued at the net asset value of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2012.

	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 272,500	\$ -	\$ -	\$ 272,500
Mutual Funds:				
Equity	665,230	-	-	665,230
Fixed income taxable	<u>104,820</u>	<u>-</u>	<u>-</u>	<u>104,820</u>
Total Assets at Fair Value	<u>\$ 1,042,550</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,042,550</u>

Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and a money market fund managed by Huntington Bank (Huntington). Huntington is the trustee as defined by the Plan agreement and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for trustee services were approximately \$11,000 and \$12,000 for the period ended September 30, 2013 and year ended December 31, 2012, respectively.

Plan Termination

In 2013, the Organization exercised its right, under the Plan, to discontinue all contributions and terminate the Plan subject to the provisions of ERISA. At the date of termination, all Plan participants became 100% vested in their participant accounts.

CONTRIBUTION RETIREMENT PLAN

Notes to Financial Statements

September 30, 2013 and December 31, 2012

Tax Status

The Organization adopted a Prototype Non-standardized Profit Sharing Plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2008, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.

Subsequent Events – Date of Management Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.
