The Administrative Committee
Summit Health & Rehab Services, Inc.
401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Summit Health & Rehab Services, Inc. 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 5, 6 and 7, which was certified by Capital Bank and Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule.

We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(k) PLAN
Notes to Financial Statements
December 31, 2013

NOTE 1 DESCRIPTION OF PLAN

The following brief description of Summit Health & Rehab Services, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a 401(k) Profit Sharing Plan covering all employees of Summit Health & Rehab Services, Inc. (the Employer) who have one year or more of service with a minimum of 1,000 hours of service, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan complies with GUST.

Employee Contributions

Participants are eligible to contribute up to the maximum amount of their compensation, subject to regulatory limitations.

Employer Contributions

The employer may make discretionary contributions at a determined percentage of each eligible participants' compensation as defined in the plan documents.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's discretionary contribution and, an allocation of net investment income of each fund the participant is invested in. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Automatic Deferral

Effective July 1, 2011, the automatic deferral provisions apply to the Plan. The employer, as to each participant affected, will withhold as the automatic deferral amount 2% from the participant's compensation each payroll period unless the participant makes a contrary election.

Vesting of Accounts

Participants are immediately 100% vested in their individual contributions and earnings thereon. Participants are 100% vested in any employer discretionary contributions at the completion of a six year vesting schedule.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, or a rollover to another retirement account.

Participant Loans

Participant loans are not available per the plan document.

Forfeited Accounts

Forfeitures may occur the last day of the plan year in which the former participant incurs five consecutive 1-year breaks in service, or where the former participant receives the distribution of the entire vested portion of the participant's account. Any forfeitures may be used to pay administrative expenses and then used to reduce employer contributions, if any.

Forfeited balances included in the Plan assets of December 31, 2013 and 2012 were \$1,508 and \$430, respectively.

Terminated Participants

Plan participants include 28 terminated participants with vested balances of \$92,882 at December 31, 2013.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

SUMMIT HEALTH & REHAB SERVICES, INC.
401(k) PLAN
Notes to Financial Statements
December 31, 2013

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Administrative expenses incurred by the Plan may be paid by the Plan unless paid by the Employer. Expenses paid by the employer are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through July 2, 2014, the date the financial statements were available to be issued.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 4 TAX STATUS

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC Topic 740, Income Taxes, outlines the accounting for uncertainty in income taxes in an entity's financial statements and prescribes a recognition threshold and measurement attribute for tax positions taken or expected to be taken on a tax return including the entity's status as a tax-exempt entity. Additionally, ASC Topic 740 provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. The Plan had no significant uncertain tax positions at December 31, 2013 or 2012. If interest and penalties are incurred related to uncertain tax positions, such amounts are recognized as income tax expense in the statement of changes in net assets available for benefits. As of December 31, 2013, tax periods for tax years 2012, 2011 and 2010 remain open to examination by the federal and state taxing jurisdictions to which the Plan is subject.

NOTE 5 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	<u>Fair Value</u>	<u>Quoted Prices In Active Markets for Identical Assets (Level 1)</u>
<u>December 31, 2013</u>		
Mutual funds	<u>\$ 1,632,417</u>	<u>\$ 1,632,417</u>
<u>December 31, 2012</u>		
Mutual funds	<u>\$ 1,140,665</u>	<u>\$ 1,140,665</u>

FASB Accounting Standards Codification 820, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No level 2 or 3 inputs were available to or necessary for the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2013 are reported in net appreciation in fair value of investments.

NOTE 6 INVESTMENTS - 5% OR MORE OF NET ASSETS

The following investments represent 5% or more of the Plans net assets at December 31, 2013 and 2012.

NOTE 8 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by American Funds. American Funds and Capital Bank and Trust Company are trustees as defined by the Plan and, therefore, these transactions qualify as party in interest transactions.
