MANCO ABBOTT, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2013 and 2012

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Manco Abbott, Inc. 401(k) Plan ("the Plan") is a defined contribution plan effective January 1, 1993, which covers substantially all employees of Manco Abbott, Inc. (Employer). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan has been amended for final EGTRRA restatements effective January 1, 2009. The Plan's purpose is to enable eligible employees to defer a portion of their salary to provide for their retirement.

Eligibility

An employee becomes eligible to participate in the Plan when at least 21 years old and has completed one year of service. The Plan has adopted automatic enrollment for eligible participants. A participant may not make withdrawals from their account prior to attaining age 59½ except in the event of death, total or permanent disability, retirement, termination of employment, or proven hardship.

Employee contributions

An employee will be eligible to elect to make a pre-tax salary deferral on the first day of the month following completion of the age and service requirements. Plan participants may contribute a percentage of their annual compensation to the Plan on a tax-deferred basis up to the maximum determined annually by the Internal Revenue Service. If the participant is age 50 or older, the participant may elect to defer additional amounts as defined by law.

Employer contributions

The Company makes a matching contribution equal to fifty (50) percent of the first four (4) percent of the participant's compensation which is contributed as an elective deferral.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and plan earnings. The Company's contribution is allocated among the Plan participants in proportion to their salary deferrals. Participants may direct the investment of their contributions, and any employer contributions, into a variety of pooled separate funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow a minimum of $500 up to the lesser of $50,000 or 50% of the participant's vested account balance. Participant loans are to be repaid with interest at least quarterly and in a time period not to exceed five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan must be repaid with interest in a time period comparable to the repayment period permitted by commercial lenders for similar loans, not to exceed 30 years. Participant loans bear a reasonable interest rate as determined by the Plan Administrator. Principal and interest is paid ratably through monthly payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Payment of benefits

Upon retirement, death or disability, distribution may be made in the form of a lump sum of the participant's vested account balance, or a single lump sum distribution of a portion of the participant's vested account balance. Benefits are recorded when paid. The plan accounts for benefits due to participants as a component of net assets available for benefits until such amounts have been paid.

Vesting

Each participant is 100% vested in his or her contribution plus earnings thereon. Employer matching contributions are based on a six-year graded vesting schedule. An employee becomes 100% vested for employer matching contributions if employed while attaining early retirement age or if deceased or disabled.

Forfeitures

If a participant receives a distribution of their vested account balance, forfeitures (participants' allocated interest in plan assets which are not vested because employment is terminated before the vesting period is complete) are used to reduce future employer contributions. If a participant does not receive a distribution of their vested account balance, the nonvested portion is forfeited at the end of the Plan year during which the participant incurs their fifth consecutive one-year break in service.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in those net assets at current values. The difference between current value and the cost of the investments is reflected in the statements of changes in net assets available for benefits as unrealized appreciation (depreciation) of investments.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for Plan benefits during the reporting period. Accordingly, actual results may differ from those estimates.

Investment valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Federal income taxes

The plan files an annual information return/report (Form 5500) with the Internal Revenue Service under the tax exempt status allowed under the provisions of the Internal Revenue Code section 501(a).

Date of management's review

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through June 30, 2014 the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are not directly observable for the asset but are derived principally from or corroborated by observable market data through correlation or by other means, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. There were no transfers of Plan assets between levels.

Level 2 Fair Value Measurements

The John Hancock pooled separate accounts are valued at fair value. Fair value of shares of the underlying fund equals the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund. The value of the pooled separate accounts is certified in accordance with regulation 2520.103-5 of the department of labor by John Hancock Life Insurance Company.

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013 and 2012.

The Plan assets are managed by John Hancock Life Insurance Company (USA). Plan management includes record keeping and investment services related to contributions received, plan earnings and distributions. Fees associated with each managed fund are built into the expense ratio for that fund. Broker commissions paid by John Hancock related to the Plan totaled $12,159 and $10,075 for the years ending December 31, 2013 and 2012, respectively. United Security Bank provides investment advisory services. The services to the Plan qualify as party-in-interest transactions. Third party administrative services are paid for by the Plan. Third party administrative compensation paid by John Hancock Life Insurance Company (USA) was $1,604 and $1,288 for the years ended December 31, 2013 and 2012, respectively.

Administrative functions are jointly performed by employees of the Company and All Valley Administrators. No employee receives compensation from the Plan. The independent auditor's fees are paid directly by the Company.

NOTE 8 – TAX STATUS

The plan obtained its latest determination letter on November 6, 2001, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – PARTICIPANTS' RIGHTS TO ADDITIONAL INFORMATION

Plan participants have the right, upon request and at no charge, to examine or to receive copies of the statements from the regulated financial institutions describing the qualifying plan assets or evidence of the required fiduciary bond. If Plan participants are unable to examine or obtain copies of the regulated financial institution statements or evidence of the required bond, participants should contact the Regional Office of the US Department of Labor's Employee Benefits Security Administration closest to you. The DOL EBSA Regional Offices are located in Atlanta, Boston, Chicago, Cincinnati, Dallas, Kansas City, Philadelphia, Los Angeles, New York City and San Francisco.

Plan participants also have the legally protected right to examine the Plan's annual report at 7576 N. Ingram, Suite 102, Fresno, CA, 93711 and at the US Department of Labor in Washington DC, or obtain a copy from the US Department of Labor upon payment of copying costs. Requests to the Department should be addressed to: Public Disclosure Room, Room N-1513, Employee Benefits Security Administration, US Department of Labor, 200 Constitution Avenue, NW, Washington DC, 20210.
