Independent Auditor's Report

Report on Financial Statements

I was engaged to audit the accompanying financial statements of *KM/SSA 401(k) Plan*, which comprise the statement of net assets available for benefits and the related changes of net assets available for benefits as of December 31, 2013 and 2012, and for the years then ended, and the related footnotes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentations of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with accounting standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520, 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the Nationwide Life Financial Services. Inc., the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 20112 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

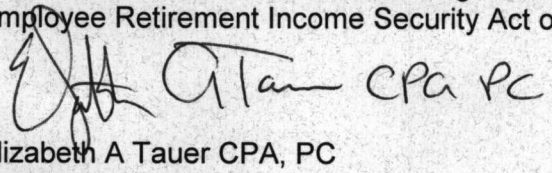

Because of the significance of the matter described in the Basis for Disclaimer, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplement schedules referred to above.

Report on the Form and Content With DOL Rules and Regulations

The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

KM/SSA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2013 AND 2012

1. Description of the Plan:

The following description of KM/SSA 401(K) Plan is provided for general information purposes only. Participating members should refer to the Plan Agreement (as amended and restated) for more complete information.

General. The Plan is a defined contribution plan covering all full-time employees of K-M Concessions, Inc. and Service System Associates, Inc. who have 1,000 hours of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. The Participants may elect to defer up to the annual IRS limit of their pretax annual compensation, as defined in the Plan. The participants direct the investment of their contributions and their allocation of the Company's contribution into various investment options offered by the Plan. The Company match is discretionary and the Company sets the percentage prior to the Plan year. The employer contribution rate was 10% of employee contributions in 2013 and 2012. However, in no case shall they exceed the maximum allowable amount deductible for income tax purposes in each year.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting. Participates are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion plus actual earnings thereon is based on continuous years of service. A participant is 100% vested after five years of credited service.

Payment of Benefits. Upon retirement age 65, or death or disability if earlier, or termination of employment in the case of vested benefits, the balance in the member's separate account is paid to the member or their beneficiaries in a lump sum or in various forms of distribution as determined by the participant.

KM/SSA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2013 AND 2012

1. Description of the Plan (continued):

Forfeited Accounts. At December 31, 2013 and 2012, forfeited non-vested accounts totaled approximately $799 and $857 respectively. These amounts maybe used to reduce the employer contribution.

Termination. While the Company has not expressed any intent to terminate the Plan, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to provisions of ERISA. In the event of a Plan termination, participants would become 100 %vested in their employer contributions.

2. Summary of Significant Accounting Policies:

Contributions:

Contributions from the Company are accrued in the period in which they become an obligation of the Company by agreement of declaration by the Board of Directors.

Investment Assets:

The Plan's investments are stated at fair value as determined by the plan trustee, using quoted market prices and other available information. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Dividend/Interest Income and Benefit/Withdrawal Liabilities:

Dividend/interest income and benefit/withdrawal liabilities are recorded when received and when paid rather then earned and incurred, respectively, as required by generally accepted accounting principles. Such unrecorded amounts are not significant in relation to total assets available for plan benefits.

Income Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated September 25, 1995, that the Plan is designed in accordance with acceptable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance.

KM/SSA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2013 AND 2012

2. Summary of Significant Accounting Policies: (continued)

with the applicable requirements of the IRC

The Plan administrator believes that the Plan is no longer subject to tax examinations for year prior to 2011.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits:

Benefits are recorded when paid.

Operating Expenses:

All expenses of maintaining the Plan are paid by the Company.

Date of Management's Review:

Subsequent events were evaluated through June 26, 2014, which is the date the financial statements were available to be issued.

3. Fair Value Measurements:

Unaudited Information Certified by the Plan Trustee

The December 31, 2013 and 2012 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Nationwide Life Financial Services Inc. for 2013 and 2012 in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

3. Fair Value Measurements: (continued)

Fair Value Measurements

SFAS No. 157, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and has the highest priority. Level 2 inputs are other than quoted market prices but are observable in the market place and Level 3 is used only when Level 1 or Level 2 inputs are not available. The Plan uses appropriate valuation techniques based upon the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds is based upon quoted net asset value of the shares held by the Plan at year end.

The investments are held by Nationwide Life Financial Services, Inc. and are stated at fair value. Investment assets at December 31, 2013 and 2012 were as follows:

		Quoted Market Prices
December 31, 2013	Fair Value	(Level 1)
Mutual Funds	$4,799,997	$ 4,799,997
December 31, 2012		
Mutual Funds	$3,733,802	$ 3,733,802

KM/SSA 401(K) PLAN

The following presents investments that represent 5% or more of the Plan's net assets at December 31,

	2013	2012
Am Fds Growth Fund of America	$588,786	$421,779

PIMCO Total Return Class A	581,605	542,293
JPM SmCap Equity A	661,686	469,415

During 2013 and 2012 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $790,376 and $451,807 respectively.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Independent Auditor's Report

Report on Financial Statements

I was engaged to audit the accompanying financial statements of *KM/SSA 401(k) Plan*, which comprise the statement of net assets available for benefits and the related changes of net assets available for benefits as of December 31, 2013 and 2012, and for the years then ended, and the related footnotes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentations of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with accounting standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520, 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the Nationwide Life Financial Services. Inc., the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 20112 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

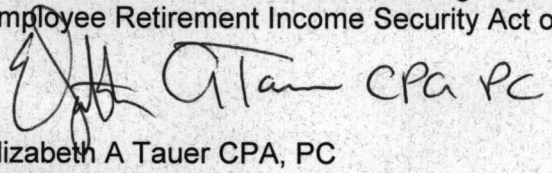

Because of the significance of the matter described in the Basis for Disclaimer, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplement schedules referred to above.

Report on the Form and Content With DOL Rules and Regulations

The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

KM/SSA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2013 AND 2012

1. Description of the Plan:

The following description of KM/SSA 401(K) Plan is provided for general information purposes only. Participating members should refer to the Plan Agreement (as amended and restated) for more complete information.

General. The Plan is a defined contribution plan covering all full-time employees of K-M Concessions, Inc. and Service System Associates, Inc. who have 1,000 hours of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. The Participants may elect to defer up to the annual IRS limit of their pretax annual compensation, as defined in the Plan. The participants direct the investment of their contributions and their allocation of the Company's contribution into various investment options offered by the Plan. The Company match is discretionary and the Company sets the percentage prior to the Plan year. The employer contribution rate was 10% of employee contributions in 2013 and 2012. However, in no case shall they exceed the maximum allowable amount deductible for income tax purposes in each year.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings and account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting. Participates are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion plus actual earnings thereon is based on continuous years of service. A participant is 100% vested after five years of credited service.

Payment of Benefits. Upon retirement age 65, or death or disability if earlier, or termination of employment in the case of vested benefits, the balance in the member's separate account is paid to the member or their beneficiaries in a lump sum or in various forms of distribution as determined by the participant.

KM/SSA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2013 AND 2012

1. Description of the Plan (continued):

Forfeited Accounts. At December 31, 2013 and 2012, forfeited non-vested accounts totaled approximately $799 and $857 respectively. These amounts maybe used to reduce the employer contribution.

Termination. While the Company has not expressed any intent to terminate the Plan, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to provisions of ERISA. In the event of a Plan termination, participants would become 100 %vested in their employer contributions.

2. Summary of Significant Accounting Policies:

Contributions:

Contributions from the Company are accrued in the period in which they become an obligation of the Company by agreement of declaration by the Board of Directors.

Investment Assets:

The Plan's investments are stated at fair value as determined by the plan trustee, using quoted market prices and other available information. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Dividend/Interest Income and Benefit/Withdrawal Liabilities:

Dividend/interest income and benefit/withdrawal liabilities are recorded when received and when paid rather then earned and incurred, respectively, as required by generally accepted accounting principles. Such unrecorded amounts are not significant in relation to total assets available for plan benefits.

Income Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated September 25, 1995, that the Plan is designed in accordance with acceptable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2013 AND 2012

2. Summary of Significant Accounting Policies: (continued)

with the applicable requirements of the IRC

The Plan administrator believes that the Plan is no longer subject to tax examinations for year prior to 2011.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits:

Benefits are recorded when paid.

Operating Expenses:

All expenses of maintaining the Plan are paid by the Company.

Date of Management's Review:

Subsequent events were evaluated through June 26, 2014, which is the date the financial statements were available to be issued.

3. Fair Value Measurements:

Unaudited Information Certified by the Plan Trustee

The December 31, 2013 and 2012 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Nationwide Life Financial Services Inc. for 2013 and 2012 in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

3. Fair Value Measurements: (continued)

Fair Value Measurements

SFAS No. 157, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and has the highest priority. Level 2 inputs are other than quoted market prices but are observable in the market place and Level 3 is used only when Level 1 or Level 2 inputs are not available. The Plan uses appropriate valuation techniques based upon the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds is based upon quoted net asset value of the shares held by the Plan at year end.

The investments are held by Nationwide Life Financial Services, Inc. and are stated at fair value. Investment assets at December 31, 2013 and 2012 were as follows:

		Quoted Market Prices
December 31, 2013	Fair Value	(Level 1)
Mutual Funds	$4,799,997	$ 4,799,997
December 31, 2012		
Mutual Funds	$3,733,802	$ 3,733,802

	2013	2012
Am Fds Growth Fund of America	$588,786	$421,779

During 2013 and 2012 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $790,376 and $451,807 respectively.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
