INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
the James Austin Company
Employees Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the James Austin Company Employees Profit Sharing Plan ("The Plan"), which comprise the statement of net assets available for benefits as of December 31, 2013, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the presentation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the Custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the Custodian as of and for the year ended December 31, 2013, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedules

The supplemental schedules, as listed in the accompanying table of contents, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not required a part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter – 2012 Financial Statements

The financial statements of the Plan as of December 31, 2012, were audited by predecessor auditors. As permitted by 29 CFR 2520, 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company, the Custodian of the Plan. Their report, dated June 19, 2013, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2013 financial statements and supplemental schedules, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

JAMES AUSTIN COMPANY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the James Austin Company Employees Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution profit sharing plan covering all employees of James Austin Company (the "Company") who have completed one year of service, as defined in the Plan document, and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Participants may contribute the lesser of the annual limitation (\$17,500 and \$17,000 for 2013 and 2012, respectively), or 100% of their pretax compensation as defined in the Plan document. Effective January 1, 2007, all employees who were hired on or after January 1, 2007 will be automatically enrolled in the Plan. The automatic elective deferral contribution is 3% of pretax compensation. The Company matches all participants' before-tax contributions, up to a maximum of 25% of the first 4% of the employee's base compensation, as defined in the Plan document.

The Plan provides for additional elective deferrals for eligible participants subject to certain limitations. Eligible participants are those participants who will attain at least age 50 before the close of the Plan year who would otherwise be eligible to make elective deferrals under the Plan. The maximum additional elective deferral for 2013 and 2012 is limited to \$5,500.

The Company may also make a discretionary profit sharing contribution allocated to each participant in proportion to each participant's compensation, as defined by the Plan document. There were no discretionary profit sharing contributions made during 2013 or 2012.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contributions, and (b) Plan income and losses. Income and losses are allocated to the participant's account at the end of each day. The allocation of each participant's income and losses for each day is based on the participant's account balance at the beginning of that day.

Investment Options - Participants may invest their voluntary contributions, rollover contributions and the Company's contributions, plus actual earnings thereon into any of the twenty-seven investment options maintained by John Hancock Life Insurance Company ("John Hancock") (the "Custodian"). The participant may change their investment option at any time.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The Company's matching and discretionary profit sharing contribution portions of each participant's account are subject to the following vesting requirements:

<u>Completed Years of Service</u>	<u>Percentage of Company's Contributions Vested</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

JAMES AUSTIN COMPANY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

A participant's vesting percentage is calculated from the beginning of employment and not the date that he or she enters the Plan. Upon termination of service due to death, disability or retirement, a participant or beneficiary may only receive a lump sum amount equal to the value of the participants' vested interest in their account.

Payment of Benefits - A participant who has attained age 62 may receive a distribution from the Plan. The Plan provides for lump-sum distributions for retirement, permanent disability, death and termination of employment. Upon termination of employment, if the participant's account balance is \$1,000 or less, a participant will automatically receive a single-sum payment or direct rollover to an IRA or other eligible retirement plan as soon as reasonably practicable following the date employment terminates. If the participant's account balance is greater than \$1,000, the participant may elect to either (a) receive an immediate lump-sum amount equal to the value of his/her account or (b) leave the account balance in the Plan until such time as the participant decides to withdraw the account balance. In any event, withdrawal of the account balance must commence once the participant attains the age of 70½.

Notes Receivable From Participants - The Plan does not permit notes to be made to participants.

Plan Administrative Expenses - Expenses incurred by the plan administrator and Custodian for their services and costs in administering the Plan are paid by the Company, as described in the Plan Document.

Forfeited Accounts - Forfeitures are allocated to participant accounts and to restore a participant's account after a break in service, in accordance with the Plan's document. During 2013 and 2012, participant accounts were credited by \$12,231 and \$0, respectively.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Net Appreciation (Depreciation) in Fair Value of Investments - The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consist of the realized gains and losses from sales of investments and unrealized appreciation (depreciation) on investments. The net change in unrealized appreciation (depreciation) in the fair value of investments is determined by the change in fair value from the beginning of the year to the end of the year, or from date of purchase to the end of the year.

New Accounting Pronouncements - During 2013 and 2012, various new Accounting Standards Updates (ASUs) were issued by the Financial Accounting Standards Board (FASB). The plan administrator of the Plan has determined based on its review that none of

JAMES AUSTIN COMPANY EMPLOYEES PROFIT SHARING PLAN

the new accounting pronouncements that were issued are applicable to the Plan. As new accounting pronouncements are released, management will assess if they are applicable and if they are applicable, their effect will be included in the notes to the financial statements.

JAMES AUSTIN COMPANY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,231,718 and \$713,813 during the years ended December 31, 2013 and 2012, respectively, as follows:

	<u>2013</u>	<u>2012</u>
Pooled Separate Accounts	\$ <u>1,231,718</u>	\$ <u>713,813</u>

The Plan's independent auditors did not perform auditing procedures with respect to investments which were certified by the Custodian at December 31, 2013 and 2012, except for comparing such information to the related information included in the financial statements and supplemental schedules.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

JAMES AUSTIN COMPANY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

The valuation of investments at December 31, 2013 and 2012, is prepared by the Custodian. Pooled Separate Accounts are presented at fair value based on quoted market prices.

The Plan's investments at fair value that are classified as Level 2, within the fair value hierarchy, are as follows as of December 31, 2013 and 2012:

	<u>2013</u>	<u>2012</u>
Pooled Separate Accounts:

Large Blend	3,975,459	3,235,288
Large Growth	1,198,483	830,970
Large Value	716,524	489,155
Mid-Cap Growth	69,009	35,760
Mid-Cap Value	200,081	143,097

Small Value	<u>19,499</u>	<u>687</u>
Total	<u>\$ 7,980,930</u>	<u>\$ 6,656,726</u>

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

6. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated December 5, 2011, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has been amended since receiving its determination letter. Plan management and Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or

JAMES AUSTIN COMPANY EMPLOYEES PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the federal, state and/or local taxing authorities. The plan administrator believes as of December 31, 2013, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2010.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants will become fully vested and non-forfeitable, and assets will be allocated to each participant based on his/her respective account balances after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2013 and 2012 to Form 5500:

	<u>2013</u>	<u>2012</u>

9. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events in accordance with ASC Topic 855, Subsequent Events, through July 28, 2014, which is the date the financial statements were available to be issued. During their evaluation, the following subsequent event items were identified.

In March 2014, the Plan changed its Custodian from John Hancock to Transamerica Retirement Solutions ("Transamerica"). During the transition period of changing the Custodian, a "blackout" period was put into place. During the blackout period, the participants were temporarily unable to initiate a transfer of money from one investment option to another investment option, change their contribution deferral, obtain a distribution or in-service withdrawal from the Plan or make inquiries about their account.

This blackout period was from March 24, 2014 through April 25, 2014. The participant's assets were transferred and mapped to Transamerica investments that had similar investment strategies as John Hancock. After the mapping, as of April 26, 2014, participants were able to resume transferring money from one investment to another investment option, change their deferral contribution, obtain a distribution or in-service withdrawal from the Plan and make inquiries about their account.

During 2013, the Company was delinquent in depositing a portion of its participant contributions in the amount of \$209,258. All of these deposits were subsequently made and the Plan is correcting these delinquent contributions in 2014 by enrolling in the Department of Labor's Voluntary Fiduciary Correction Program (VFCP). This will result in the Company making a deposit into the Plan in 2014 for the lost earnings that the participants incurred.
