INDEPENDENT AUDITORS' REPORT

To the Trustees and Plan Administrator of
Convention Data Services, Inc.
401(k) Savings & Profit Sharing Plan
Bourne, Massachusetts

Report on the Financial Statements

We have audited the accompanying financial statements of Convention Data Services, Inc. 401(k) Savings & Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2013 and 2012, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2013 AND 2012

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Convention Data Services, Inc. 401(k) Savings & Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan which covers all employees of Convention Data Services, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan administrator and Principal Financial Group is the Plan record-keeper. The Plan's Board of Trustees is responsible for the oversight of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

ELIGIBILITY

All employees of the Company who are 18 years of age or older and who have completed six months of service are eligible to participate in the Plan. An employee becomes a participant in the Plan on the earlier of January 1st, April 1st, July 1st, or October 1st after satisfying the age and service requirements.

CONTRIBUTIONS

Each year, participants may contribute to the Plan a percentage of pre-tax annual compensation, as defined by the Plan, up to the maximum allowed under the provisions of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans or individual retirement accounts. The Company may also make discretionary contributions to the Plan. Under the provisions of the Plan, the Company matches 100% of the participant's contribution to the Plan up to 4% of the participant's eligible compensation, and all discretionary contributions, if any, are determined by its Board of Directors, but the amounts contributed cannot exceed the maximum amounts permissible under the provisions of the IRC.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2013 AND 2012

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts and guaranteed interest accounts as investment options for participants.

The Company also sponsors a profit sharing plan covering substantially all of their employees. According to the Plan document, the Company may make a contribution at an amount determined by the Board of Directors. There were no Company contributions to the profit sharing plan for either 2013 or 2012.

PARTICIPANT ACCOUNTS

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's discretionary contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their salary-deferred contributions, rollover contributions, if any, and safe harbor qualified matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary contributions, if any, and earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of continuous service as defined in the Plan, or upon permanent disability or death.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000. Participant loans may not exceed the lesser of 50% of the participant's vested account less outstanding loans or \$50,000 reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates, as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions over a one to five year period, except for loans for the purchase of a principal residence, which may be repaid over a reasonable period of time that may be longer than five years. If any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter that the missed payment was due, the loan is considered to be in default.

PAYMENT OF BENEFITS

Upon retirement or disability, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. Terminated participants may elect to receive a lump-sum amount equal to the value of his or her vested account or may elect to leave such amount invested within the Plan. The Plan may also automatically distribute to terminated participants their entire vested account balances not exceeding \$5,000 (involuntary cash-out). Upon death, a lump sum amount or substantially equal installments is paid to the participant's beneficiary.

Participants may apply for a hardship withdrawal as defined by the IRC to meet excessive medical or educational expenses, expenses incurred to purchase a new principal residence or to prevent eviction from a principal residence. The Plan Administrator must approve the application.

FORFEITURES

At December 31, 2013 and 2012, forfeited non-vested accounts totaled \$37 and \$259, respectively. These accounts may be used to pay administrative expenses, and then any remaining amount will be allocated to eligible participants, as defined. For the years ended December 31, 2013 and 2012, administrative expenses were reduced by \$0 and \$11, respectively, from forfeited non-vested accounts. There was no reduction in employer contributions from forfeited non-vested accounts during the years ended December 31, 2013 and 2012.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2013 AND 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except for benefit payments.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation presented on the Statements of Changes in Net Assets Available for Benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2013 or 2012. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 18, 2014, the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2013 AND 2012

NOTE 3 - INVESTMENTS (CONTINUED)

During the years ended December 31, 2013 and 2012, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,215,264 and \$653,018, respectively, as follows:

	2013	2012
Pooled separate accounts	\$ 857,780	\$ 467,775
Registered investment companies	357,484	185,243
	<u>\$ 1,215,264</u>	<u>\$ 653,018</u>

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2013 AND 2012

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Pooled separate accounts: Valued at the fair value of the pooled separate account's underlying investments. The fair value of the underlying investments are determined by observable Level 1 quoted prices or by quoted prices for similar assets in active and non-active markets. While some pooled separate accounts may have publicly quoted pricing inputs (Level 1), the account values of separate accounts are not publicly quoted and are therefore classified as Level 2 investments.

Registered investment companies (mutual funds): Valued at fair value, which equals the quoted market price at year-end using the share values of the funds as reported by the Trustee.

CONVENTION DATA SERVICES, INC. 401(K) SAVINGS & PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2013 AND 2012

NOTE 5 - TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2008, that the Plan and the related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2013 and 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities and funds. These securities and funds are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and funds, it is at least reasonably possible that changes in the values of investment securities and funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Fees paid to Principal for services in connection with the Plan amounted to approximately \$2,300 and \$1,890 for the years ended December 31, 2013 and 2012, respectively.
