Dear Mr. DiPasqua:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of DiPasqua Enterprises, Inc. Savings Plan as of and for the year ended December 31, 2013, in accordance with auditing standards generally accepted in the United States of America, we considered DiPasqua Enterprises, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by U.S. generally accepted auditing standards and did not include a consideration of internal control relating to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

This communication is intended solely for the information and use of management and trustees, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Gentlemen:

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of DiPasqua Enterprises, Inc. Savings Plan, which comprise the statements of net assets available for benefits as of December 31, 2013, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements taken as a whole. As permitted by Regulation 2520.103-8 of the Department of labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Principal Insurance Company and its affiliates, the custodians, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and schedules taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of July 2, 2014, the following representations made to you during your audit.

Financial Statements

* We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 20, 2014, including our responsibility for the preparation and fair presentation of the financial statements.

* All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

* The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole.

* The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.

** Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

* All required amendments to and filings of plan documents with the appropriate agencies have been made.

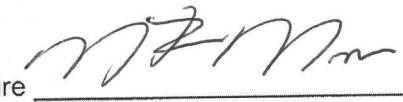

* The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). To the Administrative Committee of
DiPasqua Enterprises, Inc. Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of DiPasqua Enterprises, Inc. Savings Plan, which comprise the statements of net assets available for benefits as of December 31, 2013, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company and its affiliates, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investment purposes, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
for the year ended December 31, 2013

1. Description of Plan:

The following description of the DiPasqua Enterprises, Inc. (Company) Savings Plan (Plan), provides only general information. Effective August 20, 2009, the Plan was restated from the original Plan established October 1, 1991. On November 15, 2010, the Plan was amended to allow ROTH contributions and on May 16, 2013, to limit ability to take loans. Effective March 14, 2014, the Plan was amended to allow separate accounts. The Plan, as restated, is a trusteed profit sharing 401(k) salary deferred thrift plan. Participants should refer to the Plan agreement, as amended, and annuity contract for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the Company who have one year of service, attained age eighteen, and have at least 1,000 hours of service during the year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Employees may elect to contribute to the Plan through salary deferrals subject to Plan limitations. The Company may contribute a discretionary matching percentage of such salary deferral on deferrals up to 5% of employee compensation. Additionally, the Company may elect to contribute to the Plan such portion of its current net profit or accumulated profit for its fiscal year as the Board of Directors may determine.

Participant Accounts - Each participant's account is credited with an allocation of (a) his/her elective deferral contributions, (b) the Company's matching and profit sharing contributions, (c) Plan earnings (losses) and, (d) forfeitures of terminated participants' nonvested accounts. Profit sharing contributions are allocated based on the fiscal year compensation of the participants.

Vesting - Employee contributions are always 100% vested. Participants are vested in the employer's contributions and plan earnings (losses) according to the following table:

Vesting Years of Service	Vested Percent
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Notes Receivable - Effective January 1, 2007, participants may borrow from their investment accounts with loan terms ranging from 1-5 years. Effective May 16, 2013, participants may no longer borrow from employer contributions. The loans are secured by the balance in the participant's account and bear interest at 8.0%. Principal and interest is paid ratably through weekly payroll deductions. Delinquent participant loans, if any, are reclassified as distributions based on terms of the Plan document.

Investment Options - The Plan's investments are held in trust by the Principal Life Insurance Company, Principal Trust Company and Union Bond & Trust Company. Upon enrollment in the Plan, a participant may direct employee contributions in any of thirty investment options as follows:

Continued

1. Description of Plan - Continued
Investment Options - Continued

This account provides a guaranteed interest rate for a specific period of time as determined, or allowed by the Plan. The guarantees made with regard to the Guaranteed Interest Account are supported by the Principal Life Insurance Company's General Account. The General Account is invested mostly in private placement bonds, commercial mortgages, and residential mortgages.

Bond and Mortgage - Funds are invested in intermediate term, fixed income investments such as public and private corporate bonds, commercial and residential mortgages, asset backed securities, and U.S. government and agency backed securities.

2. Summary of Significant Accounting Policies:

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with auditing principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value Measurements – The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of

observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 Inputs - Fair values are based on quoted prices (unadjusted) in active markets for identical assets that the plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ or Chicago Board of Trade).

Level 2 Inputs - Fair values are based on inputs other than quoted price included within level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable prices.

Level 3 Inputs - Fair values are based on unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. An example could be real estate valuations, which require significant judgment.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

5. Amounts in Accounts of Terminated Participants:

At December 31, 2013 and 2012, the Plan's net assets available for benefits included fully and partially vested amounts in accounts of terminated participants. As of December 31, 2013, the balances were $73,353.

6. Forfeited Accounts:

For the year ended December 31, 2013, forfeited nonvested accounts of withdrawing participants was $240. During the next year, this amount will be applied first to administrative expenses then the balance will be distributed among the remaining participants in accordance with the Plan agreement, as amended. In 2013, employer contributions were reduced by $54,872 from these forfeited nonvested accounts.

7. Tax Status:

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.

8. Subsequent Event:

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through July 2, 2014, the date the financial statements were available to be issued.
