Explanation:

As part of the plan termination process we have been working to get all asset distributed timely. Through this process we had some questions about the status and timing of distribution of some insurance contracts. These questions were resolved very recently. We had previously been under the impression that these assets may have been distributed during the 10/31/2012 plan year end. However, it appears they were distributed by the end of the 10/31/2013 plan year. Thus requiring an additional Form 5500 tax filing for 10/31/2013. Because the pending questions on these contracts were resolved after the initial filing deadline for the 10/31/2013 plan year, we have not filed an automatic extension (Form 5558).

For these reasons we respectfully request any penalities and interest assessed for the late filing be abated.
