Symphony Health Solutions 401(k) Plan
Horsham, Pa.

I was engaged to audit the accompanying Statements of Net Assets Available for Benefits - modified cash basis of the Symphony Health Solutions 401(k) Plan as of December 31, 2013 and 2012, and the related Statement of Changes in Net Assets Available for Benefits - modified cash basis for the year ended December 31, 2013. These financial statements and supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - modified cash basis are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform any auditing procedures with respect to the information summarized in Note F, which was certified by Fidelity Management Trust Company (FMTC), the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

December 31, 2013 and 2012

NOTE A – DESCRIPTION OF PLAN

The following description of the Symphony Health Solutions ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of eligible service, as defined in the Plan document, and are twenty-one years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute a portion of their compensation to the plan, to a maximum of \$17,500 and \$16,500 for 2013 and 2012, respectively. If the participant is over the age of 50, a catch-up contribution of \$5,500 for 2013 and \$5,000 for 2012 may be made for the calendar year. The Company will allocate the amount the participant elects to defer to an account maintained on the participant's behalf. The Company may make a profit sharing contribution at its discretion.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings and charged with an allocation of administrative expenses on the last day of each plan year. Allocations are based on participant compensation, including overtime, bonuses and commissions, for the portion of the plan year in which the employee is actually a participant in the plan. These accounts are self-directed accounts.

Vesting. Participants are immediately vested in their contributions. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in the Company's profit sharing contributions at the end of 6 years of service. See NOTE D – Plan Termination.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly, quarterly, semi-annual or annual installments over a period of not more than your assumed life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Employer Match. The Company match is 10% of the employee contribution up to 6% of covered wages. The Company contribution is fully vested after 4 years.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting – GAAP

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

See the accompanying independent auditor's report.

NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Net Change in Fair Value of Investments

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net change in the fair value of its investments, which consists of the realized gains or losses and the net unrealized increase (decrease) on those investments.

Administrative Expenses

The Company provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan sponsor and include audit fees and legal fees. Administrative expenses incurred by the Plan include investment management fees that are netted against investment returns.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statement of Changes in Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 - inputs to the valuation methodology are unadjusted quoted prices available in active markets for identical investments, Level 2 - inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies, and Level 3 - inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

Level 2 Fair Value Measurements

The Plan consists of pooled separate accounts (PSA's) which hold investments in mutual funds. The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following table segregates all financial assets and liabilities as of December 31, 2013 and 2012 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date:

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts, and the net assets of the Plan must be allocated among the participants and beneficiaries of the Plan in the order provided for by ERISA.

NOTE E – TAX STATUS

Tax Determination

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been made in the financial statements.

Uncertain Tax Positions

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2013, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities as of December 31, 2012, the Plan's federal tax returns generally remain open for the last 3 years.

See the accompanying independent auditor's report.

NOTE F – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

At December 31, 2013, John Hancock Life Insurance Company USA as trustee, held the Plan's investments. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employer Retirement Income Security Act of 1974 (ERISA).

The fair value of investments at December 31, 2013 and 2012 as reported by the trustee is:

Cash and equivalents	7,358	2,265

The information included in supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is also certified by John Hancock Life Insurance Company USA.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – SUBSEQUENT EVENTS

These financial statements considered subsequent events through September 8, 2014, the date the financial statements were available to be issued.

NOTE I – NEW AUTHORITATIVE ACCOUNTING PRONOUNCEMENTS

The Company does not anticipate the adoption of recently issued accounting pronouncements to have a significant impact on the Company's results of operation, financial position or cash flows.
