**Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our disclaimer of opinion is not modified with respect to that matter.

**Other Matter**

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

**Report on Form and Content in Compliance With DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**401(k) PLAN**

**Notes to Financial Statements**
**December 31, 2013 and 2012**

## 1. Description of the plan

The following description of the Norwalk Custom Order Furniture, LLC 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### General

The Plan is a multiple employer defined contribution retirement savings plan in accordance with Internal Revenue Code Section 401(k) covering all eligible employees of the adopting employers (Company) employed as of February 1, 2009, and if not employed on that date, those who are at least 21 years of age and have been employed three months. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In addition to Norwalk Custom Order Furniture, LLC, Norwalk Router Services, LLC is a participating employer of the Plan.

### Contributions

Each year participants may elect to make deferred or non-deferred (Roth) salary contributions to the Plan in amounts up to the maximum percentage allowed by the Internal Revenue Code of their total pretax compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit plans, defined contribution plans or individual retirement accounts. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers ten mutual funds and one common collective trust fund as investment options for the participants. The Company may make a basic matching contribution and an annual Company Optional Contribution at the discretion of its Board of Directors.

### Participant accounts

Each participant's account is credited with their own contributions and allocations of the Company's contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

### Participant loans

Participants may borrow from their fund accounts up to a maximum of the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at a rate of 4.25%, which are commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions. Participant loans are valued at their outstanding balances.

### Payment of benefits

On termination of service, a participant may elect to receive a lump sum or an installment payment amount equal to the vested balance of his or her account.

The Plan Administrator may direct the trustee to make a lump-sum distribution to a terminated participant whose vested account balance is less than $5,000.

## 1. Description of the plan – continued

Forfeitures

Forfeitures are used to reduce employer contributions. There were no forfeitures in 2013 and no forfeited non-vested accounts as of December 31, 2013 and 2012.

Investment options

Upon enrollment in the Plan, a participant may direct employee contributions in any increment in any of eleven investment options maintained by Alerus Financial, N.A.

## 2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are presented under the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

Payment of benefits

Benefits are recorded when paid.

Investment valuation

At December 31, 2013 and 2012, the Plan's assets are held by the trustee, Alerus Financial, N.A. Quoted market prices are used to value investments. Shares of mutual funds and the common collective trust are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the date received.

Changes in appreciation (depreciation) of investments are reflected currently in the statement of changes in net assets available for benefits.

Financial instruments - concentration of credit risk

The Plan places its investments in accounts which may not be insured or in amounts which may exceed insured deposit limits.

Subsequent events

Management has evaluated subsequent events through September 4, 2013, the date the financial statements were available to be issued.

## 3. Information certified by Alerus Financial, N.A.

The Plan sponsor entered into an agreement with Alerus Financial, N.A. which established Alerus Financial, N.A. as the trustee of the Plan. The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under this election, no audit procedures were performed on the financial statements and accompanying supplementary information (other than with respect to contributions and benefits paid to participants), except for comparing such information to the information certified by the trustee.

## 4. Investments

The following table presents individual investment options that represent 5 percent or more of the Plan's net assets available for benefits at the beginning of their respective year ends:

| | 2013 | 2012 |
|---|---|---|
| Delaware Diversified Income Funds (A) | $ 190,215 | $ 179,589 |
| Hotchkis & Wiley Mid Cap Value Fund (A) | 119,549 | - |
| American Funds Fundamental Investors (R3) | 117,376 | 89,768 |
| American Funds Growth Fund of America (R3) | 113,211 | 86,787 |
| American Funds Income Fund of America (R3) | 94,343 | 69,182 |
| American Funds Capital Income Builder (R3) | 86,518 | 65,648 |
| American Funds Capital World Growth & Income (R3) | 88,348 | 65,373 |
| Franklin Small Cap Value Fund (A) | 64,599 | 48,884 |
| Sentinel Common Stock Fund Cl (A) | 56,256 | - |
| Federated Capital Preservation Fund (R) | 30,026 | 32,112 |
| Alliance Bernstein Discovery Value Fund Cl (A) | - | 91,051 |
| Hartford Capital Appreciation Fund (R4) | - | 44,858 |

Such investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that a change could occur in the near term that could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

## 5. Fair value measurements

FASB ASC 820 establishes that fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price) and establishes a fair value hierarchy based upon the inputs used to measure fair value.

The three levels of the fair value hierarchy defined by FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

## 5. Fair value measurements – continued

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

As required by FASB ASC 820, financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of the fair value of assets and liabilities and their placement within the fair value hierarchy levels. The Plan's investments accounted for at fair value as of December 31 are summarized below:

| | 2013 | 2012 |
|---|---|---|
| Level 1 inputs: | | |
| Mutual funds | $ 956,268 | $ 755,526 |
| Level 2 inputs: | | |
| Common collective trust | $ 30,026 | $ 32,112 |

Mutual funds and money market funds are valued at the net asset value of shares held by the Plan at year end. There have been no changes in the methodologies used as of December 31, 2013.

The common collective trust of the Plan is invested in Federated Capital Preservation Fund and is reported at fair value. Investments in the fund are valued based on the current market value of the underlying assets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

Gains and losses (realized and unrealized) are included in net appreciation (depreciation) in fair value of investments in the statement of changes in net assets available for benefits for the year ended December 31, 2013.

## 6. Net assets available for benefits

Net assets available for benefits at December 31, 2013 and 2012 include $61,030 and $44,932 respectively, allocated to the accounts of persons who terminated employment as of or prior to those dates. This is the vested amount available to the participants.

## 7. Tax determination

The Plan adopted a non-standardized prototype plan from Alerus Financial, N.A. As a prototype plan, Alerus Financial, N.A. obtained a favorable opinion letter in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since Alerus Financial, N.A. received the favorable opinion letter. However, the plan administrator and the Plan's tax council believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the plan and determine the need to recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the federal taxing authorities. The Plan is subject to routine audits by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is not longer subject to income tax examinations for years prior to the year ended December 31, 2010.

## 8. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their employer contributions.

## 9. Administrative expenses

Administrative expenses consist primarily of accounting, loan fees and other custodial costs of servicing the Plan. Loan fees are deducted from the respective participant's account. Certain administrative functions are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

## 10. Related party transactions

Alerus Financial, N.A. is the trustee as defined by the Plan and, therefore is a party-in-interest. Fees paid by the Plan to Alerus Financial, N.A. for record keeping services amounted to $1,551 for the year ended December 31, 2013.

## 11. Reconciliation of financial statements to Schedule H of Form 5500

The following is a reconciliation of net appreciation (depreciation) in fair value of investments per the financial statements for the year ended December 31, 2013, to Schedule H of Form 5500:

| | |
|---|---|
| Net appreciation (depreciation) in fair value of investments per the financial statements | $ 141,904 |
