NOTES TO FINANCIAL STATEMENTS**

1. DESCRIPTION OF PLAN

The following brief description of the Sunbelt Beverage Company, LLC Profit Sharing Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General

The Plan was established on November 10, 1988 for eligible employees, as defined in the Plan, of the affiliated companies of Sunbelt Holding Inc., the parent company of Sunbelt Beverage Company, LLC (Sunbelt or Plan Sponsor).

Participation

Every employee who has attained the age of 21 and earned 1,000 hours of service in a 12-month period shall be eligible to participate in the Plan. Effective January 1, 2001, every employee who is expected to earn 1,000 hours of service in a 12-month period shall be eligible to participate in the Participant Salary Deferral Contribution feature of the Plan (Deferral Feature) as of his or her date of hire or 21st birthday, whichever is later. If such employee is 21 on January 1, 2001, he/she shall be eligible to participate in the Deferral Feature on that date.

Effective January 1, 2002, employees who are eligible to participate in the Deferral Feature are also eligible to participate in the Catch Up Contribution feature of the Plan if they attain the age of 50 before or during the Plan year and have contributed the maximum amount of deferral contributions permitted for the Plan year.

Contributions

Each year, participants may contribute up to 16% of their pre-tax annual compensation, as defined in the Plan. Sunbelt, at its discretion, may contribute 50% of the first 6% of base compensation that a participant contributes to the Plan. Plan participants may change the percentage of pay they are investing in the Plan and the investment election of their contribution at any time. Sunbelt may, at its option, make a profit sharing contribution to participants' accounts. The amount of the profit sharing contribution is determined and approved by Sunbelt's Board of Directors, and this contribution is made to all eligible Plan participants' accounts whether or not they contribute to the Plan. There were no profit sharing contributions in 2013 and 2012.

(See Independent Auditors' Report)

SUNBELT BEVERAGE COMPANY, LLC PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Participants' Accounts

An individual account is established for each participant and provides benefits that are based on (a) amounts the participant and Sunbelt contributed to a participant's account, (b) investment earnings (losses), and (c) any forfeiture allocated to the account, less any administrative expenses charged to the Plan. Investment income is allocated to each participant's account based on a pro-rata share of the individual's investment allocation. Terminated participants, who are not fully vested, forfeit the non-vested portion of Sunbelt's contributions made to their account and any investment earnings on those contributions.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the remainder of their accounts is based on years of service. For Plan years after December 31, 2006, participants are entitled to the percentage of Sunbelt's matching contribution and earnings thereon and any profit sharing contributions as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than Three Years	0%
Three Years or Greater	100%

Forfeited Accounts

At December 31, 2013 and 2012, forfeited non-vested accounts totaled \$32,419 and \$3,300, respectively. These amounts will be used to pay administrative expenses of the Plan. Any remaining forfeitures will be used to reduce employer contribution. For the year ended December 31, 2013, approximately \$25,000 of administrative expenses were paid from forfeited non-vested accounts.

Investment Options

Plan assets are invested in various mutual funds and a money market fund as designated by participants.

Notes Receivable from Participants

Loans to participants are made at the sole discretion of the Plan Sponsor. As provided by the Plan document, loans are available to all participants at a reasonable interest rate, with periodic repayment through payroll deductions over a reasonable period of time. Loans must be at least \$1,000 and are limited to the lesser of \$50,000 or one-half of the participant's vested account balance.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Standards Codification

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through August 12, 2014, the date the financial statements were available to be issued.

Risk and Uncertainties

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit and overall volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain Plan expenses are paid by the Company.

(See Independent Auditors' Report)

SUNBELT BEVERAGE COMPANY, LLC PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Valuation of Investments

Investments are stated at fair value. See Note 5 for a discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, Sunbelt can terminate the Plan at any time. Upon termination of the Plan, all interests of the participants not previously vested would become vested and nonforfeitable and the net assets available for benefits would be distributed to participants based upon their individual share of total net assets available for benefits.

4. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's investments were held by the Trustee, Fidelity Management Trust Company, at December 31, 2013 and 2012. Financial information related to Plan investments is included in the accompanying financial statements based on information provided by the Trustee. That information, which has not been audited by independent auditors, is summarized below:

5. VALUATION OF INVESTMENTS

The Fair Value Measurements and Disclosures Topic of the Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodology used for assets measured at fair value.

Mutual and Money Market Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy, the Plan's investments, at fair value as of December 31, 2013 and 2012:

	Level 1 and Total

6. TAX STATUS

The Plan has received a determination letter dated October 31, 2011, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan Sponsor believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator has concluded that there were no uncertain tax positions taken as of December 31, 2013. The Plan is no longer subject to routine tax examinations for years prior to 2010.
