Fremont, California 94063

We have conducted a DOL limited-scope audit of the financial statements of Raymond Handling Concepts Corporation 401(k) Plan (the "Plan") for the year ended December 31, 2013 and have issued our report thereon dated September 4, 2014. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedule taken as a whole. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter. Professional standards also require that we communicate to you the following information related to our audit.

The Auditor's Responsibility under Generally Accepted Auditing Standards

Our responsibility under auditing standards generally accepted in the United States of America, except as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, has been described to you in our engagement letter.

Accounting Policies and Practices

The plan administrator is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements.

No new accounting policies were adopted for 2013, and there were no changes in application of existing accounting policies in the 2013 financial statements. We noted no transactions for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Audit Adjustments

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We are aware of no uncorrected misstatements that are material to the Plan's financial statements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. No such disagreements arose during the course of our audit.

Difficulties Encountered in Performing the Audit

We did not encounter any difficulties in dealing with management relating to performance of the audit.

Management Representation

We have requested certain representations from management that are included in the management representation letter dated September 4, 2014.

Management Recommendation

We identified one matter the plan administrator should consider in order to more fully comply with terms of the Plan and qualified plan regulations and this matter is discussed in our letter of recommendation to Plan management dated September 4, 2014.

Management Consultations with Other Independent Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters concerning the Plan.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the plan administrator and those responsible for Plan governance and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

MILLER KAPLAN ARASE LLP

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Raymond Handling Concepts Corporation 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

RAYMOND HANDLING CONCEPTS CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013 AND 2012

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of Raymond Handling Concepts Corporation 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan that was established in 1988 by Raymond Handling Concepts Corporation (the "Company") to provide retirement benefits to eligible employees. The Company designated Fidelity Management Trust Company ("Fidelity") to serve as directed trustee and to provide administrative services and maintain participant accounts.

The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Eligibility

All employees of the Company who are age 18 or older are eligible for the Plan. There is no service requirement. Eligible employees may enter the Plan on the first day of the quarter following their date of hire.

C. Contributions

Participants may elect to make pre-tax contributions, Roth after-tax contributions or a combination of both to the Plan up to the maximum amount permitted under provisions of the Code. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation. Participants of age 50 or older may make additional catch-up contributions, up to \$5,500 annually for 2013 and 2012. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are invested in accordance with participant investment directions and Plan provisions.

Eligible employees who do not make an affirmative election to defer compensation to the Plan, including an election not to defer, are auto-enrolled at a deferral rate of 3% of compensation.

The Company may make discretionary matching contributions as defined in the Plan and as approved by the Board of Directors. In 2013 and 2012, the Company matched 35% of the first 10% of compensation deferred by participants to a maximum of \$1,500. The Plan also allows for discretionary profit sharing contributions. No discretionary profit sharing contributions were made for 2013 or 2012.

D. Vesting and Forfeitures

Participants are immediately 100% vested in amounts attributable to their salary deferrals and rollover contributions. Participants vest 20% annually in Company contributions and become fully vested after 5 years of service.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Vesting and Forfeitures (Continued)

Forfeitures may be used to offset Plan expenses or reduce future Company contributions. Forfeiture activity for the years ended December 31 is as follows:

<u>Forfeiture Account Balance</u>	<u>2013</u>	<u>2012</u>
Beginning of Year	\$ 3,877	\$ 2,073
Amounts Forfeited	15,006	6,072
Investment Gains	596	349
Forfeitures Used to Reduce Company Contributions	<u>(16,289)</u>	<u>(4,617)</u>
End of Year	<u>\$ 3,190</u>	<u>\$ 3,877</u>

E. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company contributions and the participant's share of investment earnings or losses. Plan assets are invested based solely on instructions received from participants. Contributions allocated to the accounts of participants who decline to make an investment election are invested in the Fidelity Advisor Freedom Fund appropriate for an individual's age and projected date of retirement. Each of the Fidelity Advisor Freedom Funds offered under the Plan consists of a portfolio of mutual funds chosen to meet an investment strategy appropriate for a participant who will reach retirement age at a specified date in the future.

F. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability or retirement, a participant or beneficiary may choose to maintain his or her account in the Plan or to receive benefits in a lump sum equal to the value of the participant's vested account. Hardship withdrawals are permitted under limited circumstances. Benefits are recorded when paid.

G. Subsequent Events

Management has evaluated subsequent events through September 4, 2014, the date on which the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in these financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan maintains its accounting records on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013 AND 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 8).

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

D. Expenses

Fund operating expenses are incurred directly by the fund and are therefore factored into each fund's value as a reduction in investment return. The Company pays a majority of other costs incurred for administering the Plan.

E. Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market value, interest rates or other factors in the near term would materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2013 and 2012, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

Fidelity Prime Fund	*	870,017

* Fair value is less than 5% of net assets available for benefits.

NOTE 5 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of the participants affected by a partial or complete termination of the Plan are nonforfeitable and will be determined as of the termination date, which will be treated as the valuation date.

NOTE 6 - INCOME TAX STATUS

The Company adopted a volume submitter plan document that has received an Internal Revenue Service advisory letter stating that the form of the Plan qualifies under applicable provisions of the Code. The Company believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and related state statutes and that the trust, which forms a part of the Plan, is exempt from Federal income and state franchise taxes.

The Plan has adopted guidance on accounting for uncertainty in income taxes issued by the Financial Accounting Standards Board. The plan administrator believes the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with provisions of this guidance. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2010.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by affiliates of the trustee. Purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 8 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end based on closing market prices. Although the plan administrator believes this valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date. The following tables summarize Plan investments at December 31 based on the inputs used to value them:
