# Catholic Health Initiatives 401(k) Plan

## Notes to Financial Statements

December 31, 2013

### 1. Description of the Plan

The following description of the Catholic Health Initiatives 401(k) Plan (the Plan) provides general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

The Plan, effective as of July 1, 1998, is a participant-directed, defined contribution plan covering employees of adopting employers (the Employers) of Catholic Health Initiatives' (the Plan Sponsor or CHI) affiliated for-profit entities. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

On January 1, 2011, the Plan changed service providers from Great-West Retirement Services (Great-West), as recordkeeper and agent of Wells Fargo Bank, N.A., as custodian, to Fidelity Management Trust Company (Fidelity), as recordkeeper and trustee. As a result, all plan balances were transferred to Fidelity, with the exception of certain participant balances held in the Great-West Guaranteed Fixed Fund (the Guaranteed Fixed Fund). As discussed further in Note 2, pursuant to the contract, the Guaranteed Fixed Fund is being liquidated over a five-year period.

#### Contributions

Participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Contributions are limited by the Internal Revenue Code (the Code) annual limit or by plan limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund (Fidelity Freedom Fund) until changed by the participant. The automatic enrollment feature takes effect 60 days following the participant's date of hire.

Matching contributions under the Plan can be made by the Employers that execute a Board of Directors resolution authorizing such contributions on behalf of eligible participants. No matching contributions have been made since the inception of the Plan.

**1. Description of the Plan (continued)**

The Plan also allows annual discretionary employer contributions to participants employed by Mountain Management, Inc. (MMI) equal to 4% of each participant's annual compensation (plus, if applicable, 4% of compensation in excess of the Social Security wage base). Such discretionary contributions are allocated to MMI employees if they are employed on December 31 and have earned 1,000 hours of service during the plan year. These discretionary contributions are reported as employer contributions receivable and employer contributions in the accompanying financial statements. All investments in participant accounts are participant directed.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and with allocations of (i) MMI's employer contributions and (ii) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The fixed administrative fee is charged only one time (on a quarterly basis) even if a participant has multiple CHI plan accounts administered at Fidelity.

**Vesting**

Participants are immediately vested in all contributions (employee and employer) plus actual earnings thereon made as of December 31, 2013.

**Participant Loans**

Notes receivable from participants represent participant loans. Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest in an amount equal to the prime rate published in *The Wall Street Journal* as of the first day of the month preceding the date the loan was initiated, plus 1%. Principal and interest are paid ratably through payroll deductions. Any participant who has defaulted on a prior loan is not allowed to take a new loan, unless the first loan has been repaid.

**1. Description of the Plan (continued)**

**Payment of Benefits**

Upon termination of service, retirement, disability, or death, participants (or their beneficiaries) may receive a lump-sum amount equal to the vested value of their accounts.

**Plan Expenses**

Certain administrative expenses necessary to administer the Plan are paid by CHI. Participants with account balances greater than $1,500 are charged an $8.50 per quarter administrative fee. The fee for this plan is waived for participants who also actively participate in another CHI plan.

**Plan Termination**

Although they have not expressed any intent to do so, the Employers have the right to terminate the Plan subject to the provisions of ERISA.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**Benefits Paid to Participants**

Benefits are recorded when paid.

**Use of Estimates**

The preparation of financial statements using the accrual basis of accounting requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**2. Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition**

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

In accordance with Accounting Standards Codification (ASC, Topic 820, *Fair Value Measurement*, assets and liabilities measured at fair value are categorized into the following fair value hierarchy:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Observable prices that are based on inputs not quoted on active markets but corroborated by market data.

Level 3: Unobservable inputs are used when little or no market data is available. Therefore, fair value is based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and observable. These inputs reflect management's judgments about the assumptions that a market participant would use in pricing the investment and are based on the best available information, some of which may be internally developed. The fair value hierarchy gives the lowest priority to Level 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2013 or 2012.

*Money Market Funds:* Money market funds are valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual Funds:* Mutual funds, including mutual funds invested in self-directed brokerage accounts, are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

**2. Summary of Significant Accounting Policies (continued)**

*Guaranteed Fixed Fund:* The Guaranteed Fixed Fund is valued at fair value using a formula that considers contract value, the crediting interest rate, and the current interest rate as of December 31. Fair value approximates contract value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013:

**Level 3 Gains and Losses**

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31:

| | 2013 |
|---|---|
| Balance at December 31, 2012 | $ 1,756,643 |
| Interest and dividends | 40,018 |
| Investment expenses | (15,870) |

| Transfers out | (879) |
| Withdrawals | (724,308) |
| Balance at December 31, 2013 | $ 1,057,346 |

**Investment Contract With Insurance Company**

The Plan has a Group Annuity Contract (GAC) with Great-West Life and Annuity Insurance Company (GWL). The GAC consisted of a guaranteed interest rate account (the Guaranteed Fixed Fund) and pooled separate accounts. During 2011, the pooled separate accounts were liquidated when the Plan's service provider changed from Great-West to Fidelity. However, the Guaranteed Fixed Fund remained at Great-West due to limitations on the amount that could be withdrawn annually. Beginning in 2011, 20% of the December 31, 2010, Guaranteed Fixed Fund balance was liquidated. During 2012, 25% of the Guaranteed Fixed Fund was liquidated. During 2013, 33% of the Guaranteed Fixed Fund was liquidated. Plan management anticipates the fund will be fully liquidated in 2015.

Currently, the Guaranteed Fixed Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. GWL is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

**2. Summary of Significant Accounting Policies (continued)**

Contract value, as reported to the Plan by GWL, represents contributions made under the contract prior to 2011, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value approximates fair value.

The value of the Guaranteed Fixed Fund is subject to the financial stability of GWL. The GAC does not permit GWL to terminate the agreement prior to the scheduled maturity date. However, CHI may terminate its deposits under the GAC by giving at least 60 days' advance notice. CHI gave such notice in 2011 and, as previously disclosed, the Guaranteed Fixed Fund is in liquidation status. If an event of default occurs and is not cured, the no defaulting party may terminate the GAC. The crediting interest rate is based on a formula agreed upon with GWL but may not be less than 3.5%. The crediting interest rate is reset quarterly.

Certain events limit the ability of the Plan to transact at contract value with GWL. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is remote.

| Average Yields for Guaranteed Fixed Fund | 2013 | 2012 |
|---|---|---|
| Based on actual earnings | **3.50%** | 3.50% |
| Based on interest rate credited to participants | **3.50** | 3.50 |

**2. Summary of Significant Accounting Policies (continued)**

**Concentration of Market and Credit Risk**

The Plan's exposure to credit loss in the event of nonperformance of investments, including self-directed brokerage accounts, is limited to the carrying value of such instruments. The Plan's concentrations of credit risk and market risk are dictated by the Plan's provisions, as well as those of ERISA and the participants' investment preferences. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the financial statements.

**Notes Receivable From Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2013 or 2012. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

**3. Investments**

All investment information disclosed in the accompanying financial statements, footnotes, and supplemental schedule, including investments held and notes receivable from participants at December 31, 2013 and 2012, and net appreciation in fair value of investments, interest, dividends, and interest from notes receivable from participants for the year ended December 31, 2013, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity. The contract value of the Guaranteed Fixed Fund was also certified as complete and accurate by Great-West at December 31, 2013 and 2012.

**3. Investments (continued)**

During 2013, the Plan's investments (including investments bought, sold, and held during the year) appreciated in fair value as follows:

| | |
|---|---|
| Mutual funds, including self-directed brokerage | $ 2,571,112 |
| | $ 2,571,112 |

Individual investments that represent 5% or more of the Plan's net assets available for benefits are as follows:

| | December 31 | |
|---|---|---|
| | 2013 | 2012 |
| PIMCO Total Return P | $ 1,800,276 | $ 2,201,251 |

| Vanguard Inst Index | 1,280,139 | * |
| ABF Lg Cap Val Inv | 1,243,754 | * |

* Investment was less than 5% of the Plan's net assets.

**4. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**5. Related-Party Transactions**

The Plan invests in certain Fidelity funds managed by Fidelity, the custodian of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

**6. Income Tax Status**

The underlying volume submitter plan has received an advisory letter from the Internal Revenue Service (IRS) dated March 31, 2008 stating that the form of the plan is qualified under Section 401 of the Code and therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2013-6 and 2011-49, the plan administrator has determined that it is eligible to and has chosen to rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.

**7. Subsequent Events**

Plan management has evaluated subsequent events for the Plan through July 23, 2014, the date the accompanying financial statements were available to be issued.

Effective January 1, 2014, the Plan was amended and restated to include substantial changes in plan design, and was renamed the CHI 401(k) Retirement Savings Plan. As part of these changes, CHI has closed the CHI Retirement Plan to all future contributions effective December 31, 2013.

**7. Subsequent Events (continued)**

The changes to the Plan were as follows (all effective January 1, 2014 unless otherwise noted):

- The automatic enrollment percentage increased from 3% to 4%. The percentage is set to increase 1% annually beginning February 1, 2015 until the percentage reaches 10%.

- A Roth feature was added to the Plan.

- Effective June 1, 2014, the maximum percentage a participant can defer into the Plan is 80%.

- Matching contributions will be made to the Plan by substantially all participating employers on a pay-period basis.

- Matching contribution amounts are based on employment status. Certain participating employers provide a match of 100% up to 1% of compensation, plus 50% in excess of 1% up to 6% of compensation. Other participating employers provide a match of 50% up to 6% of compensation. Certain employees at Consolidated Health Services (CHS) (PRN (i.e., on-call or necessary employees) and temporary) are excluded from the matching provisions of the Plan.

- The Plan provides for a "true-up" contribution to be made subsequent to December 31 to ensure that participants have received their full match as calculated on an annual basis.

- Non-elective contributions can be made based on the discretion of the participating employer. Such amounts equal 2.5% of compensation ($1,000 minimum) or 1% of compensation dependent upon the employment status of the participant. CHS employees receive 1% compensation with no annual minimum non-elective contribution

- Matching and non-elective contributions made to the Plan after January 1, 2014, are subject to a three-year cliff vesting schedule.

- Administrative fee is $20/year charged quarterly.

Effective January 1, 2014 the Centura Health Retirement Plan was merged into the Plan. Approximately $91,788,000 of participant account balances were transferred into the Plan in accordance with the merger.
