Typical Life Corp
401(k) Savings Plan
York, Pennsylvania

We are pleased to present this report related to our audit of the financial statements of the Typical Life Corp 401(k) Savings Plan (the Plan) for the year ended December 31, 2013. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for the Plan's financial reporting process.

This report is intended solely for the information and use of the Plan Administrator and management, and is not intended to be, and should not be, used by anyone other than these specified parties.

We appreciate the opportunity to continue to be of service to you and answer any questions you may have about these or any other audit related matters.

Required Communications

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication with Those Charged with Governance)* require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit, as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities with Regard to the Financial Statement Audit	Our responsibilities under auditing standards generally accepted in the United States of America, except as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, have been described to you in our arrangement letter dated February 12, 2014.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication regarding the planned scope and timing of our audit and have discussed with you our identification of, and planned audit response to, significant risks of material misstatement. There were no changes to the planned scope and timing of our audit.
Accounting Policies and Practices	**Preferability of Accounting Policies and Practices** Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. **Adoption of, or Change in, Accounting Policies** Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes to existing significant accounting policies during the current period. **Significant or Unusual Transactions** We did not identify any significant or unusual transactions, or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Required Communications (continued)

Area	Comments
Accounting Policies and Practices (continued)	**Management's Judgments and Accounting Estimates** Summary information about the process used by management in formulating particularly sensitive accounting estimates and about our conclusions regarding the reasonableness of those estimates is in the attached "Summary of Significant Accounting Estimates."
Audit Adjustments	There were no audit adjustments made to the original trial balance presented to us to begin our audit.
Uncorrected Misstatements	There were no uncorrected misstatements identified during the current year.
Other Information in Documents Containing Audited Financial Statements	Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements. With respect to the supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content and methods of preparing the information to determine that the information complies with the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the method of preparing it had not changed from the prior period, and the information is appropriate and complete.
Disagreements with Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Required Communications (continued)

Area	Comments
Consultations with Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed with Management	No significant issues arising from the audit were discussed with or the subject of correspondence with management.
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Letter Communicating Significant Deficiencies and Material Weaknesses in Internal Control over Financial Reporting	We have separately communicated the significant deficiencies and material weaknesses in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached as Appendix A.
Certain Written Communications Between Management and Our Firm	Copies of certain written communications between our Firm and the management of the Plan are attached as Appendix B.

Summary of Significant Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses their knowledge and experience about past and current events and certain assumptions about future events. The following describes the significant accounting estimates reflected in the Plan's financial statements:

Estimate	Accounting Policy	Management's Estimation Process	Basis for Our Conclusions on Reasonableness of Estimate
Investments	Recorded at fair value.	Registered investment companies are valued at the net asset value of shares held by the Plan at year-end. The Plan's interest in common collective trust funds is based on the fair value of the common collective trust funds' underlying investments as based on information reported by the trustee using the audited financial statements of the common collective trust fund at year-end.	We have reviewed management's process for valuing and presenting the Plan's investments and we are satisfied with management's presentation and disclosures in the Plan's financial statements.

APPENDIX A

Letter Communicating Significant Deficiencies and Material Weaknesses in Internal Control over Financial Reporting

REINSEL KUNTZ LESHER
certified public accountants & consultants

To the Plan Administrator
Typical Life Corp
401(k) Savings Plan
York, Pennsylvania

Our audit was performed in accordance with auditing standards generally accepted in the United States of America, except that we did not perform any of the normal auditing procedures on asset information certified or provided by the trustee under section 2520.103-8 of the Department of Labor's Rules and Regulations. In planning and performing our audit of the financial statements of Typical Life Corp 401(k) Savings Plan (the Plan) as of and for the year ended December 31, 2013, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified a certain deficiency in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented, or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in internal control to be a significant deficiency:

Oversight of the Financial Reporting Process

In connection with the audit of the financial statements, you have requested that we assist you in the preparation of the financial statements as you have determined that your internal accounting personnel do not have sufficient experience in accounting principles generally accepted in the United States of America and the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) to accurately prepare your financial statements. You have also determined it is cost beneficial for you to utilize our services to supplement your internal capabilities.

While we are pleased to prepare the financial statements for you, you understand that you are responsible for the Plan's internal control over financial reporting. Internal control is a process which in addition to capturing and properly recording transactions, safeguarding your assets, and assuring compliance with laws and regulations, leads to the preparation of financial statements in accordance with generally accepted accounting principles. As your auditors, we cannot be part of the internal control system. The fact that your staff needs assistance preparing accurate financial statements (both as to amounts and disclosures), which is a normal and required component of internal control over financial reporting, constitutes a significant deficiency.

Following are descriptions of other identified control deficiencies or items for improvement that we determined did not constitute significant deficiencies or material weaknesses:

- The Plan Sponsor relies heavily on the third party administrator for most aspects of plan administration and recordkeeping, and does not perform reconciliations and reviews of the activity, or maintain independent records of some of the activity. We recommend that an individual independent of the payroll and human resource function perform periodic reconciliations. These should occur at least quarterly and should be documented by the person performing the procedures. These include:

    - Reconciling assets, contributions, and distributions per the trust statement to the total per the participant statements.

    - Reviewing the contributions recorded at the participant level.

    - Reviewing the trust statement to ensure participant loans are made in accordance with the Plan.

    - Reviewing and reconciling employee and employer contributions and participant loans per the payroll system to the amounts recorded in the trust statement.

- In an employee benefit plan audit, the auditor is required to obtain a sufficient understanding of internal control necessary to plan the audit. A portion of these controls are in place at the service organizations which process transactions on behalf of the Plan. The statement on Standards for Attestation Engagements (SSAE) No. 16, *Reporting on Controls at a Service Organization, Service Organization Control (SOC 1) Report* is issued by an independent service auditor and describes the controls in place at the service organization and the results of the tests applied by the service auditor to those controls, if any. In addition, the processes at the service organization rely on complimentary user controls at the Plan Sponsor. Examples of user controls include:

    - Controls to ensure that all input sent to the service organization is complete, accurate, and authorized.

    - Controls to ensure that all required output is received from the service organization and is reconciled to the input sent to the service organization.

    - Controls to ensure that all participant submitted forms are reviewed and approved by the plan sponsor prior to submitting to the service organization.

We recommend that you obtain and review the user controls as listed in the SOC 1 report for all service organizations utilized by the Plan to ensure that the controls are in place at the plan sponsor and are operating effectively. This review should be made a part of Plan management's fiduciary oversight procedures and be performed on an annual basis.

- We noted that there is no follow-up for new employees who elect to not participate in the Plan. When a new employee becomes eligible to participate in the Plan, ADP notifies the employee of their eligibility as well as the process to begin making contributions to the Plan. No further action is taken by the Company. We recommend the Plan Sponsor develop a process whereby they monitor the communications made by ADP and follow up with the employees on an individual basis to ensure they received the information timely. We also recommend this process be documented as it is the only documentation the Plan has demonstrating participation in the Plan was offered to an eligible employee.

This communication is intended solely for the information and use of the Plan Administrator, Finance Committee, management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

February 12, 2014

Tom O'Conner, President - Board of Directors
Typical Life Corporation 401(k) Savings Plan
707 Loucks Road
York, PA 17404

Dear Tom:

This letter is intended to communicate certain matters related to the planned scope and timing of our audit of Typical Life Corporation 401(k) Savings Plan's (the Plan) financial statements as of and for the year ended December 31, 2013.

Communication

Effective two-way communication between our Firm and the Board of Directors is important to understanding matters related to the audit and in developing a constructive working relationship.

Your insights may assist us in understanding the Plan and its environment, in identifying appropriate sources of audit evidence, and in providing information about specific transactions or events. We will discuss with you your oversight of the effectiveness of internal control and any areas where you request additional procedures to be undertaken. We expect that you will timely communicate with us any matters you consider relevant to the audit. Such matters might include strategic decisions that may significantly affect the nature, timing, and extent of audit procedures, your suspicion or detection of fraud, or any concerns you may have about the integrity or competence of senior management.

We will timely communicate to you any fraud involving senior management and other fraud that causes a material misstatement of the financial statements, instances of noncompliance with laws and regulations that come to our attention (unless they are clearly inconsequential), and disagreements with management and other serious difficulties encountered in performing the audit. We will also communicate to you [and to management] any significant deficiencies or material weaknesses in internal control that become known to us during the course of the audit. Other matters arising from the audit that are, in our professional judgment, significant and relevant to you in your oversight of the financial reporting process will be communicated to you in writing after the audit.

Independence

Our independence policies and procedures are designed to provide reasonable assurance that our Firm and its personnel comply with applicable professional independence standards. Our policies address financial interests, business and family relationships, and non-audit services that may be thought to bear on independence. For example, partners and professional employees of Reinsel Kuntz Lesher LLP are restricted in their ability to own direct financial interest or a material indirect financial interest in a client or any affiliates of a client. Also, if an immediate family member or close relative of a partner or professional employee is employed by a client in a key position, the incident must be reported and resolved in accordance with Firm policy. In addition, our policies restrict certain non-audit services that may be provided by Reinsel Kuntz Lesher LLP and require audit clients to accept certain responsibilities in connection with the provision of permitted non-attest services.

The Audit Planning Process

Our audit approach places a strong emphasis on obtaining an understanding of how your plan functions. This enables us to identify key audit components and tailor our procedures to the unique aspects of your plan. The development of a specific audit plan will begin by meeting with you and with management to obtain an understanding of your objectives, strategies, risks, and performance related to the Plan.

As part of obtaining an understanding of your Plan and its environment, we will obtain an understanding of internal control. We will use this understanding to identify risks of material misstatement, which will provide us with a basis for designing and implementing responses to the assessed risks of material misstatement. We will also obtain an understanding of the users of the financial statements in order to establish an overall materiality level for audit purposes. We will conduct formal discussions among engagement team members to consider how and where your financial statements might be susceptible to material misstatement due to fraud or error.

The Concept of Materiality in Planning and Executing the Audit

We apply the concept of materiality both in planning and performing the audit, evaluating the effect of identified misstatements on the audit, and the effect of uncorrected misstatements, if any, on the financial statements and in forming the opinion in our report. Our determination of materiality is a matter of professional judgment and is affected by our perception of the financial information needs of users of the financial statements. We establish performance materiality at an amount less than materiality for the financial statements as a whole to allow for the risk of misstatements that may not be detected by the audit. We use performance materiality for purposes of assessing the risks of material misstatement and determining the nature, timing, and extent of further audit procedures. Our assessment of materiality throughout the audit will be based on both quantitative and qualitative considerations. Because of the interaction of quantitative and qualitative considerations, misstatements of a relatively small amount could have a material effect on the current financial statements as well as financial statements of future periods. We will accumulate misstatements identified during the audit, other than those that are clearly trivial. At the end of the audit, we will inform you of all individual unrecorded misstatements aggregated by us in connection with our evaluation of our audit test results.

Our Approach to Internal Control Relevant to the Audit

Our audit of the financial statements will include obtaining an understanding of internal control sufficient to plan the audit and to determine the nature, timing, and extent of audit procedures to be performed. An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Our review and understanding of the Plan's internal control is not undertaken for the purpose of expressing an opinion on the effectiveness of internal control.

Timing of the Audit

We will schedule preliminary and final audit field work at a mutually beneficial time. Management's adherence to its closing schedule and timely completion of information used by us in performance of the audit is essential to timely completion of the audit.

Close

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to be of service to the Typical Life Corporation 401(k) Savings Plan.

This communication is intended solely for the information and use of the Board of Directors and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

REINSEL KUNTZ LESHER LLP

Tom O'Conner, President - Board of Directors
Typical Life Corporation 401(k) Savings Plan
707 Loucks Road
York, PA 17404

Dear Tom O'Conner:

The Objective and Scope of the Audit

You have requested that we audit the financial statements of Typical Life Corporation 401(k) Savings Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2013, the statement of changes in net assets available for benefits for the year ended December 31, 2013 and the related notes to the financial statements.

You have also requested that we report on whether the supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 (ERISA) are fairly stated, in all material respects, in relation to the financial statements as a whole, all of which are to be included in the Form 5500 filed with the DOL. The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements.

As permitted by Regulation 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), you have instructed us not to perform any auditing procedures with respect to asset information certified or provided by State Street Bank and Trust Company, the trustee, other than comparing that information with the related information included in the financial statements and supplemental schedule. Under ERISA, the Plan Administrator is generally responsible to the Plan participants for the financial information and the ability of the certifying entity to issue such ERISA certification.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

The Responsibilities of the Auditor

Except as noted above, we will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements. It is also inappropriate to and we will not express an opinion on the supplemental schedule. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified or provided by the trustee, will be audited by us in accordance with GAAS, and will be subjected to tests of your accounting records and other procedures as we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS. Also, an audit is not designed to detect errors or fraud that are immaterial to the financial statements.

In making our risk assessments, we consider internal control relevant to the Plan's preparation and fair presentation of the financial statements and supplemental schedule in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements and supplemental schedules that we have identified during the audit, as well as any significant deficiencies and material weaknesses communicated in previous audits that have not yet been remediated or that are remediated during the audit.

We will communicate to the Board of Directors *(a)* any fraud involving senior management and fraud (whether caused by senior management or other employees) that causes a material misstatement of the financial statements that becomes known to us during the audit, and *(b)* any instances of noncompliance with laws and regulations that we become aware of during the audit unless they are clearly inconsequential.

Responsibilities of the Plan Administrator and Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that the Plan Administrator acknowledge and understand that they have responsibility:

(a) For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;

(b) For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and

(c) To provide us with:

(1) Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;

(2) Additional information that we may request from management for the purpose of the audit; and

(3) Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from the Plan Administrator written confirmation concerning representations made to us in connection with the audit including among other items:

(a) That management has fulfilled its responsibilities as set out in the terms of this letter; and

(b) That it believes the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management and the Plan Administrator are responsible for identifying and ensuring that the Plan complies with the laws and regulations applicable to its activities, and for informing us about all known material violations of such laws or regulations. In addition, management and the Plan Administrator are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving management, employees who have significant roles in internal control, and others where the fraud could have a material effect on the financial statements. Management and the Plan Administrator are also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management and the Plan Administrator are responsible for the preparation of the supplemental schedule, in accordance with DOL's Rules and Regulations under ERISA. The Plan Administrator agrees to include the auditor's report on the supplemental schedule in any document that contains the supplemental schedule and that indicates that the auditor has reported on such supplemental schedule. The Plan Administrator also agrees to only present the supplemental schedule together with the audited financial statements and the auditor's report thereon.

Although we may assist in drafting the financial statements and supplemental schedule, in whole or in part, based on information provided to us by management during the performance of the audit, management acknowledges and understands that it maintains responsibility for the preparation and fair presentation of the financial statements and supplemental schedule.

The Board of Directors is responsible for informing us of its views about the risks of fraud within the Plan, and its knowledge of any fraud or suspected fraud affecting the Plan.

You agree that you will not include our reports, or otherwise make reference to us, in any public or private securities offering without first obtaining our permission. Any such request is also a matter for which separate arrangements will be necessary. After obtaining our permission, you also agree to provide us with printer's proofs or masters of such offering documents for our review and approval before printing and with a copy of the final reproduced material for our approval before it is distributed. In the event our auditor/client relationship has been terminated when the Plan seeks our permission, we will be under no obligation to grant such consent or approval.

Because the Firm will rely on the Plan Administrator, Plan Sponsor, and its management and Board of Directors to discharge the foregoing responsibilities, the Plan Sponsor and its management holds harmless and releases the Firm, its partners, and employees from all claims, liabilities, losses, and costs arising in circumstances where there has been a knowing misrepresentation by a member of the Plan Sponsor's management which has caused, in any respect, the Firm's breach of contract or negligence. This provision shall survive the termination of this arrangement for services.

Records and Assistance

If circumstances arise relating to the condition of the Plan's records, the availability of appropriate audit evidence, or indications of a significant risk of material misstatement of the financial statements because of error, fraudulent financial reporting, or misappropriation of assets which in our professional judgment, prevent us from completing the audit, we retain the unilateral right to take any course of action permitted by professional standards, including declining to issue a report or withdraw from the engagement.

During the course of our engagement, we may accumulate records containing data that should be reflected in the Plan's books and records. You will determine that all such data, if necessary, will be so reflected. Accordingly, you will not expect us to maintain copies of such records in our possession.

The assistance to be supplied by Plan Sponsor personnel, including the preparation of schedules and analyses of accounts, has been discussed and coordinated with Vicki Miller. The timely and accurate completion of this work is an essential condition to the completion of the audit and issuance of our audit report.

If, in connection with our audit, you request us to perform accounting services necessary for the preparation of the financial statements (such as drafting the financial statements), you agree to designate an appropriate individual to oversee the services, make all management decisions involved in those services, evaluate the adequacy and results of the services, and accept responsibility for the results of those services.

Other Relevant Information

From time to time and depending upon the circumstances, we may use third-party service providers to assist us in providing professional services to you. In such circumstances, it may be necessary for us to disclose confidential client information to them. We enter into confidentiality agreements with all third-party service providers and we are satisfied that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others.

Other Terms of Our Engagement

We will not render an opinion on the Plan's qualification for tax-exempt status or compliance with provisions of ERISA. However, as a part of our audit, we will perform certain procedures, as required by auditing standards generally accepted in the United States of America, directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status. As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA potential noncompliance that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed to nor is it intended to determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

You have not engaged us to prepare or review the Plan's Form 5500 filing with the DOL. Because the audited financial statements are required to be filed with the Form 5500, professional standards require that we read the Plan's Form 5500 prior to its filing. The purpose of this procedure is to consider whether such information, or the manner of its presentation in the Form 5500, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements. This procedure is not sufficient nor is it intended to determine that the Form 5500 is completely and accurately prepared. Further, any suggestions we might make do not constitute tax advice. The preparer of the Form 5500 and you will be responsible for all decisions regarding the Form 5500 and any tax positions reported on that form. In the event that our auditor's report is issued prior to our having read the Plan's Form 5500, you agree not to attach our auditor's report to the financial statements included with the Form 5500 filing until we have read the completed Form 5500.

In the event that an inquiry is received from the DOL or IRS regarding the Form 5500 or the financial statements that are made a part of that filing, you agree to provide a copy of such inquiry to us as soon as possible following its receipt. Further, you agree to provide us with a draft of your response to any such correspondence prior to mailing.

Fees, Costs, and Access to Workpapers

Our fees for this engagement will be $8,000, plus out-of-pocket expenses. Our fee estimate and completion of our work is based upon the following criteria:

a. Anticipated cooperation from your personnel

b. Timely responses to our inquiries

c. Timely completion and delivery of client assistance requests

d. Timely communication of all significant accounting and financial reporting matters

e. The assumption that unexpected circumstances will not be encountered during the engagement

If any of the aforementioned criteria are not met (including discovery of significant recordkeeping problems, SOC 1 reports that are qualified or otherwise cannot be relied upon, suspected violations of ERISA or DOL regulations, or issues that cause the Plan's qualified tax status to be questioned), then fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred. Billings are due upon submission. A service charge of 1-1/4% per month (15% per annum) will be charged on all invoices not paid within 30 days from the date of the invoice.

In accordance with our firm policies, we reserve the right to suspend our work if your account becomes 120 days or more overdue. Our work will commence upon payment of all outstanding invoices, including service charges. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been concluded upon our providing you written notification of termination, even if we have not completed our work. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

You may terminate the arrangement at any time by written notice to us. Termination for any reason will not affect your obligation to pay us for fees and expenses incurred prior to termination or in transferring files to and otherwise cooperating with any successor auditor. All provisions of this arrangement will survive termination or cancellation, except that *(a)* we will not have any obligation to provide services after termination and *(b)* you will not have any obligation to pay us for any services that we perform after termination, except for costs incurred to cooperate with a successor auditor or regulatory agency subpoena or inquiry.

Our professional standards require that we perform certain additional procedures, on current and previous years' engagements, whenever a partner or professional employee leaves the firm and is subsequently employed by or associated with a client in a key position. Accordingly, the Plan Sponsor agrees it will compensate the Firm for any additional costs incurred as a result of the employment of a partner or professional employee of the Firm.

In the event we are requested or authorized by the Plan or are required by government regulation, subpoena, or other legal process to produce our documents or our personnel as witnesses with respect to our engagement for the Plan, the Plan, to the extent permitted by law or the Plan Sponsor, as applicable, will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expenses, as well as the fees and expenses of our counsel, incurred in responding to such requests.

The audit documentation for this engagement is the property of the Firm and constitutes confidential information. However, we are required by ERISA to make certain audit documentation available to the DOL upon request for their regulatory oversight purposes. Access to the requested audit documentation will be provided to the DOL under the supervision of the Firm audit personnel and at a location designated by our Firm. The fees associated with providing access to this audit documentation will be billed at our standard rates.

Claim Resolution

The Plan and the Firm agree that no claim arising out of services rendered pursuant to this agreement shall be filed more than two years after the date of the audit report issued by the Firm or the date of this arrangement letter if no report has been issued. The Plan waives any claim for punitive damages. The Firm's liability for all claims, damages, and costs of the Plan arising from this engagement is limited to the amount of fees paid by the Plan to the Firm for the services rendered under this arrangement letter.

If any term or provision of this Agreement is determined to be invalid or unenforceable, such term or provision will be deemed stricken, and all other terms and provisions will remain in full force and effect.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements and supplemental schedule. Our report will be addressed to the participants and Board of Directors of the Plan Sponsor. Because of the scope limitation described above, we will not express an opinion on the financial statements and supplemental schedule taken as a whole. Circumstances may arise in which it is necessary for us to further modify our report, add an emphasis-of-matter or other-matter paragraph[s], or withdraw from the engagement.

This letter constitutes the complete and exclusive statement of the agreement between the Firm and the Plan, superseding all proposals, oral or written, and all other communication, with respect to the terms of the engagement, between the parties.

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit including our respective responsibilities.

Sincerely,

REINSEL KUNTZ LESHER LLP

This representation letter is provided in connection with your audits of the financial statements of the Typical Life Corp 401(k) Savings Plan (the Plan) which comprise the statement of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have determined that the plan trustee, State Street Bank and Trust Company, qualifies to issue a certification of the Plan's asset activity under section 2520.103-5 of the Department of Labor's (DOL)'s Rules and Regulations. Therefore, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to asset information certified or provided by State Street Bank and Trust Company, the trustee, other than comparing that information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule as a whole.

We confirm, to the best of our knowledge and belief, that as of August 28, 2014:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated February 12, 2014, for the preparation and fair presentation of the financial statements referred to above in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
4. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events and our assumptions about conditions we expect to exist and courses of action we expect to take.

In that regard, we are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows: registered investment companies are valued at the net asset value of shares held by the Plan at year-end and common collective trust funds are valued at the net asset value of shares held by the Plan at year-end as reported by the trustee using the audited financial statements of the common collective trust fund at year-end. Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

5. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the *Risks and Uncertainties* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets date that could change materially within the next year. Concentrations refer to nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances within the next year.
6. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
7. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
8. All events subsequent to the date of the financial statements and for which U.S GAAP requires adjustment or disclosure have been adjusted or disclosed.
9. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
10. We have no intention to terminate the Plan.
11. We have properly reported and disclosed amendments to the plan instrument, if any.
12. We have no knowledge of any uncorrected misstatements in the financial statements.

Supplementary Information

13. With respect to supplemental schedule:
    a. We acknowledge our responsibility for the presentation of such information.
    b. We believe such information, including its form and content, is fairly presented in accordance with DOL Rules and Regulations for reporting and disclosure under ERISA.
    c. The methods of measurement or presentation have not changed from those used in the prior period.
    d. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.

e. We will only present the supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the supplementary information from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

14. We have provided you with:
    a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters.
    b. Additional information that you have requested from us for the purpose of the audit.
    c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
    d. The currently effective version of the Plan document, including prototype plan document and adoption agreement, the trust agreement or insurance contracts and all related amendments. The Plan was most recently amended in October 2008.
    e. All correspondence, filings, reports, and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status.
    f. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan.
    g. All minutes of the meetings of the Plan's Board of Directors, or summaries of actions of recent meetings for which minutes have not yet been prepared.
15. All transactions have been recorded in the accounting records and are reflected in the financial statements.
16. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.
17. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
    a. Management or employees who have significant roles in the internal control.
    b. Others where the fraud could have a material effect on the financial statements.
18. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
19. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we, nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
20. We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
21. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize, and report financial data.

22. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

23. The Plan has satisfactory title to all owned assets which are recorded at fair value, and all liens, encumbrances, or security interests have been properly disclosed.

24. Financial instruments with off-balance-sheet risk have been properly disclosed.

25. Concentrations of credit risk have been properly disclosed.

26. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.

27. There have been no communications, whether written or oral, from regulatory agencies concerning non-compliance or deficiencies in the operation of the plan.

28. We have complied with *(a)* all aspects of contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, *(b)* the fidelity bonding requirements of ERISA, *(c)* all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and *(d)* the filing requirements of appropriate agencies.

29. We have complied with the Department of Labor's regulations concerning the timely remittance of participants contributions to trusts containing assets for the plan.

30. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.

31. The Internal Revenue Service has determined and informed the sponsor, by a letter dated March 31, 2008, that the Plan is qualified and the trust established under the Plan is tax exempt under the appropriate sections of the IRC. The Plan has been amended since receiving the determination letter. We have operated the plan and trust in a manner that did not jeopardize this tax status.

32. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Automatic Data Processing – Retirement Services Participant Recordkeeping Operations Services Systems dated February 21, 2014 for the year ended December 31, 2013 and we believe all applicable controls are in place.

    We have also reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Automatic Data Processing, Inc.'s Autopay Payroll Services System dated November 14, 2013 for the period October 1, 2012 to September 30, 2013 and we believe all applicable controls are in place.

    We have also reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Global Fund Accounting and Custody of State Street Bank and Trust Company dated November 22, 2013 for the period October 1, 2012 to September 30, 2013, and we believe all applicable controls are in place.

33. There are no:

    a. Nonexempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedules.

    b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.

    c. Reportable transactions that were not disclosed in the supplemental schedules.

34. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.
