INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
David Lerner Associates, Inc. 401(k) Plan

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of David Lerner Associates, Inc. 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2013 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Mercer Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion
Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule
The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter—2012 Financial Statements
The financial statements of the Plan as of December 31, 2012, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Mercer Trust Company, the trustee of the Plan. Their report, dated September 26, 2013, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on the Form and Content in Compliance with DOL Rules and Regulations
The form and content of the information included in the 2013 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1. DESCRIPTION OF PLAN

The following is a description of the David Lerner Associates, Inc. 401(k) Plan (the "Plan") and its significant amendments, which provide only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The David Lerner Associates, Inc. 401(k) Plan was established by its sponsor and plan administrator, David Lerner Associates, Inc., (the "Company") as of January 1, 1987, to provide its eligible employees with retirement benefits. Effective January 1, 1997, the Company adopted the Putnam non-standard prototype 401(k) plan with optional profit sharing plan provisions. On May 12, 1998, the Company amended the prototype 401(k) plan to include employer discretionary matching contributions, effective January 1, 1999.

Effective January 1, 2002, the Company restated the Plan in order to comply with the changes in qualification requirements made by the Uruguay Round Agreements Act, the Uniformed Services Employment and Reemployment Rights Act of 1994, the Small Business Job Protection Act of 1996, the Taxpayers Relief Act of 1997, the Internal Revenue Service Restructuring and Reform Act of 1998, and the Community Renewal Tax Relief Act of 2000 (collectively, "GUST"), and good faith compliance with the changes required by the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA").

Effective March 1, 2006, the Company amended the Plan to allow for Roth 401(k) employee contributions and Roth 401(k) rollover contributions.

A. GENERAL:
The Plan is a defined contribution plan covering eligible employees of David Lerner Associates, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

B. ELIGIBILITY:
All employees of the Company (except employees covered by a collective bargaining agreement and employees who are nonresident aliens) who have met the age and service requirements are eligible to participate in the Plan, provided that they have completed one year of services (as defined in the plan document) and reached 21 years of age.

C. CONTRIBUTIONS:
Eligible employees electing to participate in the Plan ("Members") may contribute between 1% and 75% of their compensation, subject to certain limitations as set forth in section 401(g) of the Internal Revenue Code (the "Code"), into their respective accounts. The IRS maximum dollar limit for elective deferrals was $17,500 in 2013. All participants who have attained age 50 by the close of the plan year may elect to make catch-up contributions, subject to certain limitations. There are two different types of 401(k) contributions permitted under the Plan: pre-tax 401(k) contributions and Roth 401(k) contributions.

NOTE 1. DESCRIPTION OF PLAN (continued)

C. CONTRIBUTIONS (continued)

The Company has agreed to match 25% of each Member's contributions to the Plan up to a maximum matching contribution of $1,500.

The Company's matching contribution for each year is generally made annually at the end of such year.

The Company's matching contribution for 2013 was $221,958, less forfeitures of $1,392. The Plan accepts rollover contributions from other eligible retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Company contributions are automatically invested based on each participant's election. The Plan currently offers 20 mutual funds and 2 collective trusts as investment options for its participants.

D. PARTICIPANT ACCOUNTS:

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of (a) the Company's profit sharing contributions (if any), and (b) Plan earnings. Allocations are based on a participant's compensation or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. VESTING:

Participants are immediately vested in their own contributions plus actual earnings thereon. The Company's matching contributions vest 20% after two years of service and 20% on each of the first, second, third and fourth anniversaries thereafter.

F. NOTES RECEIVABLE FROM PARTICIPANTS:

The Plan permits participants to borrow from their accounts. The minimum loan is $1,000 and the maximum loan is equal to the lesser of $50,000 or 50% of the vested interest of the participant's account balance. Participant loans are secured by the participants' accounts and bear interest at 4.25%. Repayments are required to be made by payroll deductions. The maximum loan term is five years.

G. PAYMENT OF BENEFITS:

A Member's benefit will become payable upon his/her "Normal Retirement" (the date upon which the Member reaches his/her 65th birthday) or "Late Retirement" (the date of the Member's actual retirement, if later than "Normal Retirement"). A Member is eligible for in-service distributions on the date upon which the Member reaches his/her 59 ½ birthday. The Plan also provides for the payment of the Member's full benefit upon the Member's death or the payment of only the Member's vested benefit upon the termination of the Member's employment with the Company before retirement or death. Members may elect to receive their benefit distributions in a single lump-sum payment, joint or survivor annuities (for married Members only), purchases of other forms of annuities, or in equal installments. Under certain circumstances, the Plan may permit hardship withdrawals.

NOTE 1. DESCRIPTION OF PLAN (continued)

H. FORFEITED ACCOUNTS:
At December 31, 2013 and 2012, forfeited nonvested accounts totaled $0. Under the terms of the Plan, forfeited nonvested accounts will be used to reduce future employer contributions. Also, in 2013, employer contributions were reduced by $1,392 from nonvested accounts forfeited during the year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING:
The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared using the contract value basis for fully benefit-responsive investment contracts.

B. ESTIMATES:
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. INVESTMENT VALUATION AND INCOME RECOGNITION:
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan gains and losses on investments bought and sold as well as held during the year.

D. PAYMENT OF BENEFITS:
Benefits are recorded when paid.

E. OPERATING EXPENSES:
All expenses of maintaining the Plan are paid by the Company. In accordance with the provisions of the Plan, the Company can, at any time, elect to have some or all of such expenses paid by the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

F. NOTES RECEIVABLE FROM PARTICIPANTS:
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2013 and 2012. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

G. SUBSEQUENT EVENTS:
The Plan has evaluated subsequent events through September 17, 2014, the date the financial statements were available to be issued.

NOTE 3. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2013 and 2012, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2013, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mercer Trust Company ("Mercer"), the trustee of the Plan.

	2013
Mutual funds	$ 4,271,139
Common collective trusts	542,090
	$ 4,813,229

See independent auditors' report.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in markets that are not active.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: The fair value of the common collective trust is determined by the trustee of the common collective trust based on the underlying assets, which represent the net asset value, a practical expedient to fair value, of units held by the trust. Participant-directed redemptions can be made on any business day and do not have a redemption notice period. One of the common collective trusts is a stable value fund. This fund is valued at the market values of the underlying fixed income securities and terms of investment contracts, which depending on the particular underlying security includes discounted cash flow methodologies, fair value as determined by fund management approved independent pricing services, fair value as determined in good faith by the fund management, or in the case of short-term investments, valued at cost plus accrued interest, which approximates fair value.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013 and 2012:

NOTE 6. INVESTMENT IN THE PUTNAM STABLE VALUE FUND

The Plan invested in the Putnam Stable Value Fund (the "Fund") whereby the Fund maintains the contributions in either a guaranteed interest fund or pooled separate investment accounts. The Fund is a collective investment trust created, managed and maintained by Putnam Fiduciary Trust Company. Putnam Fiduciary Trust Company does not guarantee the assets of the pooled separate investment accounts as to their trust performance.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Putnam Fiduciary Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2013 and 2012, was $5,416,972 and $5,216,516, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 4 percent. Such interest rates are reviewed on a quarterly basis for resetting.

All of the contracts the Fund purchases are benefit responsive at contract value for all plan-permitted, participant-directed transactions, with no exceptions. Certain events limit the ability of the Plan to transact at contract value with the Putnam Stable Value Fund. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit the Putnam Stable Value Fund to terminate the agreement prior to the scheduled maturity date.

The average yields earned by the guaranteed investment contract are as follows:

Average yields:	2013	2012
Based on actual earnings	0.72%	2.02%
Based on interest rate credited to participants	0.83%	3.23%

NOTE 7. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designated in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2010.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping, and financial reporting of the Plan. The Company pays these salaries and other administrative expenses on behalf of the Plan.

Certain investments held by the Plan are managed by Putman Investments. Mercer Trust Company is the Plan's custodian and non-discretionary directed trustee. In addition, David Lerner is the Chairman of the board of directors of Spirit of America Real Estate Fund, Spirit of America Value Fund, and Spirit of America Income Fund, and is the owner of the company that manages the aforementioned funds.

These transactions are not deemed prohibited party-in-interest transactions because they are covered by the statutory administrative exemptions from the Internal Revenue Code and the ERISA rules on prohibited transactions.

NOTE 10. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.
