To the Plan Administrator
ATS Employee 401(k) Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of ATS Employees 401(K) Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2013, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by TD Ameritrade Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule of Assets Held for Investment (Schedule H, part 4i) are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2012 Financial Statements

The financial statements of the Plan as of December 31, 2012, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by TD American Trade Company, the trustee of the Plan. Their report, dated October 8, 2013, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2013

The form and content of the information included in the 2013 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the ATS Employee 401(k) (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, formed July 1, 1987, covering eligible employees of Austin Traffic Signal Construction Co., Inc. (formerly known as Austin Traffic Signal Construction Co., L.P.) and ATS Drilling, Inc. (formerly known as ATS Drilling, L.P.) (the Company). The Plan is in compliance with the Employee Retirement Income Security Act of 1974 (ERISA) and all requirements of Sections 401(a) of the Internal Revenue Code.

Participation

Company employees eligible to participate in the Plan must be at least twenty-one years of age; must have served the Company a minimum of six months; and are actively employed by the Company on the last day of the plan year.

Contributions

Each year the Company determines the discretionary profit-sharing amount, if any, to contribute to the Plan.

Each employee's share of the Company's discretionary profit-sharing contribution is determined by the ratio of their compensation divided by total eligible compensation times the Company's discretionary profit sharing contribution.

The Company elected to make a discretionary profit-sharing contribution of $150,000 for the plan year ended December 31, 2013, and $100,000 for the plan year ended December 31, 2012.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Beginning on July 1, 2002, employees may elect to contribute up to a portion of their pre-tax compensation pursuant to their salary deferral agreements on file with the Company. For 2013 and 2012, a participant's compensation taken into account under the Plan was limited to $255,000 and $250,000 respectively, as required by IRC Section 401(a)(17) as amended by OBRA '93. Each participant may elect to have compensation deferred up to 20% for the plan year or a maximum of $17,500 for 2013 and 17,000 for 2012. Compensation includes the employees elective contributions.

Participants age 50 or older, may elect to defer additional amounts, called "catch-up" contributions, to the Plan. The additional amounts may be deferred regardless to any other limitations. The additional contribution amount for 2013 and 2012 is $5,500.

Participant Accounts

Accounting records for individual participants are maintained by a third-party administrator. Each participant's account is credited with the participant's income deferral, any employer contributions, net plan earnings, and forfeitures. Participants are allowed to direct their investments under the plan.

Vesting

Participants are vested in employer contributions at a rate of ten percent (10%) per year for the first two years and twenty percent (20%) for each year thereafter. A participant is one-hundred percent (100%) vested after six years of service. Upon death, disability retirement, or normal retirement age, the participant becomes 100% vested in his account, irrespective of the vesting schedule. Participants are immediately and fully vested in their elective salary deferral contributions to the Plan.

Forfeited Accounts

Forfeitures may first be used to pay any administrative expenses. Any remaining forfeitures are added to the Company's next discretionary contribution and are allocated to the remaining plan participants based on the Company's discretionary percentage allocation.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

In the event of termination of service with the Company, retirement, disability or death, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in their accounts. Any balance under $1,000 is automatically paid out regardless of whether the participant's consent is given. Any balance over $5,000 can be paid out as a single lump-sum payment or partial withdrawals of at least $500. Hardship withdrawals are also available subject to certain limitations.

Notes Receivable from Participants

No loans to participants are permitted under this Plan.

Administrative Expenses

The Company's management is responsible for approving all distributions, benefit payments and administrative expenses. Personnel of the Company perform various administrative services for the Plan. All payroll and related overhead costs associated with these services are paid by the Company. The Plan is required to report the service provider administrative fees and investment fees that are withdrawn directly from plan investments. These fees are reported on the statement of changes in net assets available for benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value on the statement of net assets available for benefits. The net appreciation in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. The change in net unrealized appreciation/depreciation of investments held from the beginning of the plan year to the end of the plan year is included with realized gain/losses as net investment income/loss reported in the accompanying statement of changes in net assets available for benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

New Accounting Pronouncements

Plan management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact on the Plan's financial statements in future periods.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administration Expenses

Certain of the Plan's administrative expenses are paid by the Company. Other expenses are paid from plan assets and deducted from participant accounts in accordance with the plan document.

NOTE 3 – INVESTMENTS (UNAUDITED)

The Plan's investments were held in trust and administered by the Trustee. All investment information presented in the accompanying financial statements and supplemental schedules, including investments held and net appreciation in fair value of investments and dividends, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee.

NOTE 3 – INVESTMENTS (UNAUDITED) (Continued)

For the year ended December 31, 2013, the Plan's investments (including gains and losses on investments bought, sold and held during the year) appreciated in value by $564,819 as follows:

Dividends and Capital Gains	$ 62,732
Realized Gain	8,822
Unrealized Gain	493,265
Net appreciation reported on statement of changes in net assets available for benefits	$ 564,819

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 – The fair values of common stocks, certain corporate bonds, and U.S. government securities are based on the closing price reported in the active market where the individual securities are traded, when available.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013 and 2012:

	Assets at Fair Value as of December 31, 2013			
	Level 1	Level 2	Level 3	Total

NOTE 5 – INCOME TAX STATUS

The Internal Revenue Service has issued an opinion letter for this prototype plan on March 31, 2008. The plan administrator and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE 6 – PLAN TERMINATION

The Company has not expressed any intent to terminate the Plan. However, it has the right to terminate the Plan at any time, subject to the provisions of ERISA. If the Plan is terminated, all participants would receive written notification of the termination and would become one-hundred percent (100%) vested in their accounts.

NOTE 7 – RELATED PARTY TRANSACTIONS

The Plan invests in registered investment companies sponsored by TD Ameritrade Trust Company, the Plan's Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Administration expenses related to the Trustee's administration of the Plan are paid by the Plan. Other administration expenses are paid by the Plan sponsor on behalf of the Plan.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments funds are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported on the statement of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through August 20, 2014, the date the financial statements were available to be issued.
