(d/b/a Children's Community Pediatrics) 401(k) and Profit Sharing Plan (the Plan), which comprise the statement of net assets available for plan benefits as of December 31, 2013, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Capital Bank and Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2013 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter - 2012 Financial Statements

The financial statements of the Plan as of December 31, 2012 were audited by Alpern Rosenthal, whose partners and professional staff joined BDO USA, LLP as of December 16, 2013 and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed Alpern Rosenthal not to perform, and they did not perform, any auditing procedures with respect to the information certified by Capital Bank and Trust Company, the trustee of the Plan. Their report dated August 21, 2013 indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to the Financial Statements

Note 1 - Description of the Plan

The following description of the Children's Community Care, Inc. (d/b/a Children's Community Pediatrics) 401(k) and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

A. General

The Plan, as amended, is a defined contribution plan covering substantially all employees of Children's Community Care, Inc. (d/b/a Children's Community Pediatrics) (the Company) who have completed at least one year of service. The Plan was restated effective April 16, 2012.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Entry dates are the earlier of the first day of the plan year or the first day of the seventh month of the plan year coinciding with or following the date on which an employee meets the eligibility requirements.

B. Contributions

Participants may direct contributions to the Plan from 1% up to 50% of their annual compensation on a pre-tax deferred basis, subject to certain limitations. The Plan was amended effective January 1, 2009 to allow participants to elect Roth deferrals. Roth deferrals are subject to Federal income tax in the year of deferral. In any calendar year in which a participant is age 50 or older, an additional "catch-up contribution" (limited to \$5,500 in 2013 and 2012) may be made. Participants may also roll over balances into the Plan from other qualified retirement plans. The Company provides a qualified safe harbor non-elective contribution of 3% of each participant's eligible compensation. The Company may also make a matching contribution equal to a discretionary percentage of participants' salary deferrals. Forfeited amounts are allocated to all eligible participants and are used to reduce Company matching contributions. Forfeitures were approximately \$6,900 for the year ended December 31, 2012. There were no significant forfeitures in 2013. Company contributions for the years ended December 31, 2013 and 2012 consist of the following:

	<u>2013</u>	<u>2012</u>
Discretionary Company match	\$1,037,143	\$ 976,971
Qualified safe harbor non-elective contribution	<u>1,206,076</u>	<u>1,103,616</u>
	<u>\$2,243,219</u>	<u>\$2,080,587</u>

Note 1 - Description of the Plan (Continued)

B. Contributions (Continued)

Employee contributions for the years ended December 31, 2013 and 2012 consist of the following:

	<u>2013</u>	<u>2012</u>
Pre-tax deferrals	\$2,307,478	\$2,189,173
Roth deferrals	<u>338,602</u>	<u>260,390</u>
	<u>\$2,646,080</u>	<u>\$2,449,563</u>

C. Participant Accounts

The plan administrator maintains separate accounts for each participant. Each participant's account is credited with their voluntary contributions and with an allocation of the Company's matching contributions and plan earnings. Allocations of the Company's contributions are based on employee contributions for the Company matching amount and on compensation for any qualified non-elective contributions. Allocations of fund investment income (loss) to the participants' accounts are based upon the ratio of the participant's account balance to the total balance of all participant account balances in the fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in their contributions. Prior to April 16, 2012, participants were immediately vested in all qualified non-elective contributions made by the Company, plus earnings thereon. Effective April 16, 2012, a participant is 100% vested in qualified non-elective contributions made by the Company plus actual earnings thereon after three years of credited service. A participant is 100% vested in the Company's discretionary matching contributions after three years of credited service.

E. Benefits

Upon early termination of employment or termination of service due to death, disability or retirement, a participant or their beneficiary may receive payment in a lump sum, or in installments equal to the value of the participant's vested interest in his or her account. If the participant's account balance is less than or equal to \$1,000, the Plan may make a lump-sum payment without the participant's consent.

Participants may elect to receive alternate forms of distributions as defined by the plan document.

Notes to the Financial Statements (Continued)

Note 1 - Description of the Plan (Continued)

E. Benefits (Continued)

At December 31, 2013 and 2012, there were no amounts allocated to accounts of individuals who have withdrawn from the Plan but have not been paid.

F. Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 and a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by the participant's highest outstanding loan balance during the prior 12 months. Loan terms range from 12 to 60 months, or up to 180 months for the purchase of a participant's residence. The loans are secured by the balance of the participant's account and bear interest at the prime rate in effect at the date of the loan plus 1%.

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their accounts.

Note 2 - Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Investment Valuation, Income Recognition and Risks

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers the assumptions that market participants would use when pricing the asset or liability.

Note 2 - Summary of Significant Accounting Policies (Continued)

C. Investment Valuation, Income Recognition and Risks (Continued)

The three levels of inputs that may be used to measure fair value are as follows:

- Level 1 - Observable inputs such as quoted prices in active markets for identical investments that the Plan has the ability to access.
- Level 2 - Inputs include:
 - a. Quoted prices for similar assets or liabilities in active markets;
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets;
 - c. Inputs, other than quoted prices in active markets, that are observable either directly or indirectly;
 - d. Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.
- Level 3 - Unobservable inputs in which there is little or no market activity for the asset or liability, which require the reporting entity to develop its own estimates and assumptions relating to the pricing of the asset or liability including assumptions regarding risk.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Mutual funds are public investment vehicles valued using the net asset value provided by the administrator of the fund on the last day of the Plan's year end using a quoted price in an active market and are classified within Level 1 of the fair value hierarchy.

Note 2 - Summary of Significant Accounting Policies (Continued)

C. Investment Valuation, Income Recognition and Risks (Continued)

The KeyBank EB Managed Guaranteed Investment Contract Fund that was entered into in 2012 is a fully benefit-responsive investment contract in a common collective trust fund (CCT). The investment contract is presented at contract value. Investment contracts are generally permitted to be valued at contract value, rather than fair value, to the extent they are fully benefit-responsive because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Fully benefit-responsive investment contracts are included at fair value in the investments of the Plan and are adjusted to contract value in the statements of net assets available for benefits. The statements of changes in net assets available for benefits are prepared on a contract value basis. The fund is valued using the net asset value (NAV) provided by the administrator of the trust on the last day of the Plan's year end. The NAV is based on the value of the underlying assets by the trust, minus its liabilities, and then divided by the number of shares outstanding. The NAV is classified within Level 2 of the fair value hierarchy. The CCT is comprised primarily of passive funds that provide for daily liquidity for the various plan options. Participant directed purchase and sales are at the NAV. At December 31, 2013, approximately 74% of the fund is invested in synthetic guaranteed investment contracts and the remaining 26% is invested in a variety of other investments.

The KeyBank EB Managed Guaranteed Investment Contract Fund has no unfunded commitments. Also, the participants can exchange shares with minimal restrictions and can do so daily. If the Plan initiates a full redemption, the investment advisor reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The cost of investments sold, distributed, or forfeited is determined using the specific identification method. Investment purchases and sales are accounted for on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Note 2 - Summary of Significant Accounting Policies (Continued)

C. Investment Valuation, Income Recognition and Risks (Continued)

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with these investments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in the near term could materially affect the amounts reported in the statements of net assets available for plan benefits and the statements of changes in net assets available for plan benefits.

D. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

E. Investment Management Fees and Operating Expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation (depreciation) in fair values of investments.

F. Benefit Payments

Benefits are recorded when paid.

G. Administrative Expenses

Administrative expenses, other than the annual audit fee, which is paid by the Company, are paid by the Plan. The Company may elect, however, not to pay the annual audit fee, at which time it would be paid by the Plan.

H. Subsequent Events

The plan sponsor evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 24, 2014, the day the financial statements were approved and authorized for issue.

Note 4 - Certification of Financial Information

Capital Bank and Trust Company, the trustee of the Plan, has certified that all investment information related to mutual funds, the common collective trust, and notes receivable from participants summarized in the statements of net assets available for plan benefits and the statements of changes in net assets available for plan benefits as of and for the years ended December 31, 2013 and 2012 is complete and accurate.

Note 5 - Exempt Party-in-interest Transactions

Certain administrative functions are performed by officers or employees of the Company at no cost to the Plan.

Certain plan investments are shares of registered investment companies (mutual funds) managed by an affiliate of Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The total market value of investments in the registered investment companies (mutual funds) managed by Capital Bank and Trust Company was \$49,274,694 at December 31, 2013 and \$37,118,329 at December 31, 2012. Fees paid by the Plan to Capital Bank and Trust Company for the investment management services were not significant for the years ended December 31, 2013 and 2012.

Note 6 - Tax Status

The plan sponsor has adopted a modified prototype plan of American Funds Distributors, Inc. (AFD). AFD obtained a letter dated March 31, 2008, in which the Internal Revenue Service stated its opinion that the form of the prototype plan of AFD is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has since been amended and restated. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Company has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2013, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Company believes the Plan is no longer subject to income tax examinations for years prior to 2010.
