# Independent Auditor's Report

To the Plan Administrator
PCCA Enhanced Co-op 401(k) Plan
Lubbock, Texas

## Report on the Financial Statements

We have audited the accompanying financial statements of the PCCA Enhanced Co-op 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2013 and 2012, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. **Note 1: Plan Description**

The following description of the PCCA Enhanced Co-op 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the provisions of the Plan.

*Basis of Presentation.* Plains Cotton Cooperative Association ("PCCA", "Plan Administrator", or "Employer") maintains two 401(k) plans for the benefit of its employees. The PCCA Co-op 401(k) Plan ("Standard 401(k) Plan") was designed to supplement the retirement benefits of those employees currently participating in PCCA's defined benefit plan.

The PCCA Enhanced Co-op 401(k) Plan ("Enhanced 401(k) Plan") was established to provide retirement benefits for employees hired after September 30, 2008 and those employees who otherwise are not currently participating in PCCA's defined benefit plan. These financial statements present only the results of the Enhanced 401(k) Plan.

*General*. The Plan is a contributory defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

*Tax Status*. The Internal Revenue Service ("IRS") has issued an opinion letter determining that the Co-op 401(k) Plan non-standardized profit sharing plan and trust is acceptable under Section 401(a) of the Internal Revenue Code ("IRC"). It is not a ruling or determination as to whether the Plan itself is qualified; however, an employer adopting this plan will be considered to have a qualified plan. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. Although the Plan has been amended since receiving the opinion, the Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable authorities. There are currently no audits for any tax periods in progress. Generally, the Plan's tax returns are subject to examination for three years after they are filed.

*Contributions*. All new employees of PCCA are eligible to participate in the Plan upon attainment of age 21 and the completion of one year of service. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate. However, no amounts are withheld from the participant's pay until and unless they return an enrollment form to the Employer, electing to contribute to the Plan. Participants may contribute between 1% and 50% of their pretax compensation annually, not to exceed the amount deductible for federal income tax purposes. Highly compensated employees may be subject to a reduced limitation based on the deferral amounts of non-highly compensated employees. Employees are allowed to change their contribution percentages at any time, with the changes becoming effective as of the next payroll period.

PCCA makes contributions to the Plan equal to 4% of each participant's compensation, regardless of the participant's elected contribution percentage. PCCA also makes matching contributions equal to 100% of the first 3% of compensation that each participant contributes to the Plan. PCCA's contributions to the Plan totaled $745,381 and $432,921 in 2013 and 2012, respectively. Although PCCA may make additional discretionary profit sharing contributions to the Plan, no such contributions were made in 2013 or 2012.

**Note 1: Plan Description (continued)**

*Participant Accounts*. Participants direct the investments for their individual accounts. Participants may allocate all of their contributions into any combination of seventeen mutual funds, or one of five model portfolios available under the Plan. If the participant has not made an active investment election, his/her contributions will be invested in the moderate model portfolio. Participants may change their investment options at any time. The earnings of the Plan, including net appreciation (depreciation) in fair value of investments, are allocated based on the returns of the investments selected by the individual participant.

*Vesting*. Participant contributions plus actual earnings or losses thereon are fully vested at all times. Contributions made by PCCA vest at the rate of 20% per year following two years of employment, such that a participant is fully vested in all employer contributions allocated to his or her account following six years of employment. Participants become fully vested if employed by PCCA upon reaching normal retirement age (65), or upon leaving employment due to permanent disability or death, even if they have not yet completed six years of service.

*Notes Receivable from Participants.* Participants are allowed to borrow from their individual account limited to the lesser of $50,000 or 50% of the participant's vested account balance, with a minimum of $1,000. A participant may not have more than one loan outstanding at any time. Loans are repaid through payroll deductions and are credited to the participant's accounts with interest at a rate of prime plus 1%, as published in the *Wall Street Journal* on the day the loan is requested.

Participants are also allowed in-service withdrawals in instances of financial hardship, as defined by the Plan, requiring approval by the Plan Administrator. Participants are suspended from making pretax contributions to the Plan for at least six months following the date of making a hardship withdrawal.

*Payment of Benefits.* Upon retirement, death, disability, or termination of employment, the vested benefits, as defined, are paid to the participant or their beneficiaries, either in a lump sum or other mode of settlement.

*Forfeited Accounts.* Forfeitures of terminated participants' non-vested accounts are generally used to reduce the required employer contributions. Forfeitures of approximately $95,000 and $16,000 were utilized for such purposes in 2013 and 2012, respectively. There were approximately $1,000 and $36,000 in unallocated forfeitures at December 31, 2013 and 2012, respectively.

*Amendment or Termination.* Although it has no intent to do so, PCCA has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would automatically become fully vested in their employer contributions.

**Note 2: Summary of Significant Accounting Policies**

*Basis of Accounting.* The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

*Use of Estimates*. Financial statements prepared in conformity with GAAP require management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Values*. At December 31, 2013 and 2012, the assets of the Plan were invested in money market and equity mutual funds. These investments are stated at fair value, based on quoted net asset values or estimates of the trustee. The net appreciation (depreciation) in fair value of investments includes realized gains and losses on sales of investments during the year and unrealized increases or decreases in the fair value of investments held at year end.

**Note 2: Summary of Significant Accounting Policies (continued)**

*Administrative Costs*. Certain administrative expenses of the Plan are paid by the Sponsor. Employees of PCCA also perform certain administrative functions with no compensation from the Plan. These expenses, which are allowed to be paid by the Plan, are not reflected in the accompanying financial statements.

**Note 3: Investments**

Components of the Plan's investments are presented below. Individual investments that represent 5% or more of the Plan's net assets are separately identified with an asterisk (*).

| Notes receivable from participants | 266,099 | 149,559 |
| | $ 4,480,602 | $ 2,252,952 |

**Note 4: Fair Value Measurements**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

| 2013 | Fair Value | Fair Value Measurements Using: Quoted Prices In Active Markets for Identical Assets (Level 1) |
|---|---|---|
| Mutual funds | $ 3,911,476 | $ 3,911,476 |
| Money market funds | 303,027 | 303,027 |
| Total | $ 4,214,503 | $ 4,214,503 |
| **2012** | | |
| Mutual funds | $ 1,869,048 | $ 1,869,048 |
| Money market funds | 234,345 | 234,345 |
| Total | $ 2,103,393 | $ 2,103,393 |

**Note 4: Fair Value Measurements (continued)**

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

*Level 1 Fair Value Measurements*

The fair values of mutual funds and the money market fund are based on quoted net asset values of the shares held by the Plan at year end.

**Note 5: Reconciliation of Financial Statements to Form 5500**

The Form 5500 is a joint-agency form, developed by the IRS, the U.S. Department of Labor, and the Pension Benefit Guaranty Corporation, which may be used to satisfy the annual reporting requirements of the IRC and Titles I and IV of ERISA. The Plan is required to file a Form 5500 annually, with audited financial statements enclosed. There were no reconciling items between the Form 5500 and the accompanying financial statements for the years ended December 31, 2013 and 2012.

**Note 6: Subsequent Events Evaluation**

Management has evaluated subsequent events through July 28, 2014, the date which the financial statements were available to be issued. No material subsequent events have occurred during this time which would require recognition in the financial statements or footnotes as of and for the year ended December 31, 2013.
