INDEPENDENT AUDITOR'S REPORT

Plan Administrators
Nu Holdings & Affiliates 401(k) Plan
Dayton, Ohio

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of the Nu Holdings & Affiliates 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012 and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Fidelity Management Trust Company (FMTC), the Trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplementary information. The plan administrator informed me that FMTC holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from FMTC as of, and for the years ended, December 31, 2013 and 2012, that the information provided to the plan administrator by FMTC is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on the accompanying financial statements and supplementary information.

Other Matter

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedule referred to above.

Report of the Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary information, other than that derived from the information certified by the Trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Nu Holdings & Affiliates ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of the Company who are age twenty-one or older and have 1000 hours of service. As of April 29, 2013, all employees age twenty-one or older are immediately eligible to participate in the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan assets are held in a Trust whose Trustee is Fidelity Management Trust Company (FMTC), a regulated and supervised trust company. The Trust has thirty-three investment options available to participants.

Contributions – Each year, participants may elect to defer a maximum of 90% of their wages up to the maximum allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make matching or non-elective contributions at the discretion of its Board of Directors. The Company made a \$11,800 non-elective contribution in 2013 and used a portion of Plan forfeitures.

Participant Accounts – Each participant's account is credited with the participant's contribution, the Company's contribution and an allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant accounts are self-directed.

Vesting – Participants are immediately vested in their contributions plus earnings. Vesting in the Company's contribution portion of their accounts plus earnings on this portion is based on years of continuous service. A participant is 100% vested after five years of credited service.

Payment of Benefits – On termination of service due to death, disability or retirement, a participant will receive a lump-sum or installment payments on a monthly or other periodic basis. If a participant dies before receiving all payments, the balance of the account will be paid to their beneficiary if the periodic payment option is selected.

If a participant's vested interest is \$1,000 or less, it may be paid out in one lump sum.

Forfeited Accounts – Forfeited nonvested accounts will be used to reduce future employer contributions. If an employee returns to work before five consecutive one-year breaks in service, the participant may restore the forfeited portion of their account by repaying any payment received at termination. The balance in the forfeiture account was \$11,237 and \$11 at December 31, 2013 and 2012, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Expenses – The Company pays substantially all of the administrative expenses for the plan's operations.

Marketable securities and securities transactions – Marketable securities are carried at fair value determined by the Plan Trustee, (FMTC), based on their quoted market value. ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a consistent framework for measuring fair value and, with certain exceptions, this framework is generally applied to all financial statement items required to be measured at fair value. The standard requires fair value measurements to be classified and disclosed in one of the following three categories:

- *Level 1* – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- *Level 2* – Quoted prices in markets that are not active, or inputs which are observable, either directly or indirectly, for substantially the full term of the assets or liability; and
- *Level 3* – Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable.

Estimates – The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments (Level 1) are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at yearend.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recognized when received and included in the investment gains.

Subsequent Events – Subsequent events were evaluated through September 22, 2014, which is the date the financial statements were available to be issued.

NOTE C - INVESTMENTS

The December 31, 2013 and 2012 Statements of Net Assets Available for Benefits were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Income Security Act of 1974.

In addition to the investments shown in the Statements of Net Assets Available for Benefits, FMTC provided information regarding the change in value of those investments. The Plan's investments (including realized gains and losses on investments bought and sold), increased (decreased) during the year ended December 31, 2013 and 2012 as follows:

NOTES TO FINANCIAL STATEMENTS

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE E - TAX STATUS

The Plan is a Fidelity Volume Submitter Plan designed in accordance with applicable sections of the Internal Revenue Code (IRC). Fidelity has received an advisory letter from the Internal Revenue Service evidencing the Plan is qualified.

NOTE F – RISKS AND UNCERTAINTIES
