INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Pieper-Houston Employee Savings & Profit-Sharing Plan
Houston, Texas

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Pieper-Houston Employee Savings & Profit-Sharing Plan, which comprise the statements of net assets – modified cash basis available for benefits as of December 31, 2013 and 2012, and the related statements of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from misstatement. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Great-West Life & Annuity Insurance Company, as agent for the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets, which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PIEPER-HOUSTON EMPLOYEE SAVINGS & PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

for the year ended December 31, 2013

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Pieper-Houston Employee Savings & Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Background – Effective January 1, 1990, Pieper-Houston Electric, L.P. (the "Company") established a 401(k) savings and profit-sharing plan and related trust, qualifying under Section 401(a) of the Internal Revenue Code, for the benefit of employees of the Company. Effective January 1, 2006, the Plan was restated by the execution of the Adoption Agreement adopting the Orchard Trust Company Prototype Plan. The Orchard Trust Company Prototype Plan is a prototype cash or deferred profit-sharing plan document sponsored by Pieper-Houston Electric, L.P., the Plan Administrator.

General – The Plan is a defined contribution plan covering substantially all employees of the Company who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Trustee Agreement – Great-West Life & Annuity Insurance Company ("Great-West"), and Orchard Trust, LLC ("Orchard"), as agents for the Trustees, hold the Plan's investment assets, together with the income thereon, and execute investment transactions, in accordance with the plan agreement. Great-West and Orchard are the record keepers of the Plan as agent for the Plan's Trustees.

Administration – The Plan is administered by Pieper-Houston Electric, L.P.

Vesting – Participants are immediately vested in their contributions and actual earnings thereon. Employer contributions are vested at the rate of 20% per year after two years of service, until fully vested after six years of service.

Contributions – Each participant may elect to contribute up to a predetermined percentage of annual compensation to the participant's deferral account. The maximum percentage and amount that a participant may elect to contribute is subject to limitations imposed by Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan's investment vehicle includes a Group Annuity Contract and Pooled Separate Accounts (PSAs) consisting of more than twenty separate investment funds at year-end.

The plan permits an employer matching contribution of a discretionary percentage determined annually, in addition to a discretionary profit-sharing contribution. During 2013, there was \$353,591 in Employer contributions made. There were no Qualified Non-Elective Contributions ("QNEC").

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PIEPER-HOUSTON EMPLOYEE SAVINGS & PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

for the year ended December 31, 2013

Payment of Benefits – On termination of service, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures – Non-vested amounts are forfeited upon termination and used to reduce future employer contributions. Forfeitures from non-vested accounts were \$13,730 for 2013, and \$24,288 for 2012. During 2013, \$52,919 in forfeitures was used to reduce employer contributions. At December 31, 2013, \$22,397 of forfeited amounts remained unallocated, and will be used to reduce employer contributions in 2014.

Participant Loans – Participant loans are not permitted under the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under this method, revenues are recognized when collected rather than when earned, and expenses generally are recognized when paid rather than when incurred. This is modified in the recording of investment contracts.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Estimates – The preparation of financial statements in conformity with the modified cash basis, a basis of accounting other than accounting principles generally accepted in the United States of America, requires the Plan administrator to make estimates and assumptions that may affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reported period. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

PIEPER-HOUSTON EMPLOYEE SAVINGS & PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

for the year ended December 31, 2013

Operating Expenses – Administrative expenses charged by the Custodian relating to participant activities are deducted from the participant's account. However, record keeping expenses are paid by the Employer, at its discretion, and are not charged to the Plan including legal, audit, and other plan expenses.

Excess Contributions – Excess deferral contributions, which are not material, are offset in the year returned and refunded to the participants.

New Accounting Standards – The Plan is not aware of any required future adoption of an accounting principle that will result in retroactive adjustment and that will have a material effect on the Plan's financial statements.

NOTE 3 – FAIR VALUE MEASUREMENT DISCLOSURES:

In determining fair value in the accompanying statement of net assets available for plan benefits, the Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used when Level 1 inputs are not available. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements – quoted prices (unadjusted) in active markets for identical assets or liabilities - None of the Plan's assets are valued using Level 1 inputs.

Level 2 Fair Value Measurements – observable inputs other than the quoted prices included in Level 1 - The fair value of Pooled Separate Accounts (PSAs) are based on observable inputs (assumptions obtained from independent sources) for the asset, either directly or indirectly used to value similar instruments in active markets such as stocks or bonds.

Level 3 Fair Value Measurements – unobservable inputs – The guaranteed investment contract with an insurance company is not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contract is measured using an income approach based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer

A summary of assets and the fair value methods used is as follows:

	Level 1	Level 2	Level 3	Total

NOTE 5 – UNALLOCATED CONTRACTS HELD IN INSURANCE COMPANY GENERAL ACCOUNT:

The Guaranteed Portfolio Fund is a general account product investment contract with Great-West. It provides a guarantee of principal and a guaranteed quarterly interest rate. The entire general account assets of Great-West back these guarantees. The assets are primarily investment grade quality, fixed income bonds.

The Trust credits interest on a quarterly portfolio basis. That means that all money deposited in the account, regardless of when it was deposited receives the same interest rate. As such, the Trust is considered to be a stable value benefit-responsive investment. A new quarterly interest rate is established each quarter. The current quarterly interest rate is available on Great-West's website.

PIEPER-HOUSTON EMPLOYEE SAVINGS & PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

for the year ended December 31, 2013

The fair values of Guaranteed Portfolio Fund at December 31, 2013 and 2012 were \$1,609,636 and \$1,407,864, respectively. Because interest rates are adjusted quarterly, there were no significant differences between fair value and contract value at December 31, 2013 and 2012.

The Plan has not established any reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value with Great-West. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Average yields for the years ended December 31, 2013 and 2012 were:

	2013	2012
Based on actual earnings	1.33%	1.45%
Based on interest rate credited to participants	1.33%	1.45%

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Great-West. Great-West is an agent for the trustees as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services totaled \$15,417 for the year ended December 31, 2013. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right according to the Plan document to discontinue the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

PIEPER-HOUSTON EMPLOYEE SAVINGS & PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

for the year ended December 31, 2013

NOTE 8 – INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated November 27, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Management is not aware of any tax positions that would have significant impact on its financial position.

The Plan's federal tax returns for the last four years remain subject to examination.

NOTE 9 – LIMITED SCOPE AUDIT

The Plan obtained a SAS 70 report from Great-West certifying the internal controls and allowing the Plan to have a limited scope audit performed for the year ended December 31, 2013. The financial statements are not subject to testing other than comparing information and are relied upon as to their accuracy.

NOTE 10 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE 11 – SUBSEQUENT EVENTS

Subsequent events have been evaluated by management through the date of the report of the independent auditors, which is the date the financial statements were available to be issued. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.
