Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in

Note 7, which was certified by Frontier Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets Held, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to, and we do not, express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CONE & GRAHAM, INC.
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013 AND 2012

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Cone & Graham, Inc. ("Company") 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a salary reduction arrangement under Section 401(k) of the Internal Revenue Code. Any employee of the Company who has attained age 21 and has completed three months of service is eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Subject to Internal Revenue Service limits, eligible employees may elect to contribute up to 15 percent of their salary to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers eight mutual funds as investment options for participants. The Company may contribute to the Plan an amount of matching contributions determined by the Employer at its discretion. The Employer may or may not choose to make matching contributions for a particular plan year in an amount it will determine each year. The Company may elect to make additional contributions based on the employee's share of total compensation paid during that Plan year to all participants eligible for the allocation. To share in the employer contribution, the employees would have completed 1,000 hours of service during the Plan year and be employed on the last day of the Plan year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings. The Company's contribution is allocated pro rata using the same base that was used to determine the amount of the contribution. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100 percent vested in their deferred salary. In addition, the participants become vested in the Company's contribution based on years of continuous service. A participant is 100 percent vested after six years of service.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

The following is a schedule of the vesting percentages for employer contributions.

Service Years	Percent Vested
Less than 1 year	0
1	0
2	20
3	40
4	60
5	80
6	100

Payments of Benefits

A participant's vested benefits will be distributed as soon as practical after the participant's retirement, disability or death. Employees who terminate employment for other reasons may elect to receive the vested portion of their account at the time of termination.

Forfeitures

Forfeitures are used to reduce the Company's matching and non-elective contribution for the Plan year immediately following the Plan year in which the forfeiture occurs. The employer matching contributions were reduced by $1,977 and $6,017 for 2013 and 2012, respectively. At December 31, 2013, there was approximately $1,094 of forfeitures available to reduce the Company's future contributions.

Concentration of Investment Risk

Investments that potentially subject the Plan to a concentration of investment risk consist of various investments in the Franklin Templeton family of mutual funds.

Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at quoted market prices for traded securities and at estimated fair market values for investments for which published market prices are not available as determined by Frontier Trust as asset custodian. Both realized and unrealized gains and losses are recognized on the change in fair market value of investments in the accompanying statements of changes in net assets available for plan benefits. Purchases and sales of securities are recorded on a trade date basis. Investment income includes interest and dividends earned on participant accounts, as well as any gains and losses realized and unrealized.

Payment of Benefits

Benefits are recorded when paid. Currently, approximately $317,908 is due participants who have terminated service, but have not requested a distribution. Therefore, they have not been processed or approved for payment by the Plan.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest as loan receivables. The participant loans receivable balance as of December 31, 2013 and 2012 were $83,556 and $83,468, respectively.

NOTE 3 - INVESTMENTS

The following investments made up more than five percent of the Plan's net assets.

Franklin Aggressive Growth Fund	177,418

Franklin Income Fund	102,314
Franklin US Government Securities Fund	148,674
Templeton Growth I Fund A	84,864
Total	$ 1,287,167

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2013 are reported in net appreciation in fair value of investments.

NOTE 4 - FAIR VALUE MEASUREMENTS

The plan's investments are reported at fair value in the accompanying statement of net assets available for benefits:

		Fair Value Measurements Using		
	Fair Value	Quoted Prices Observable Inputs (Level 1)	Less than Level 1 observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

		Fair Value Measurements Using

December 31, 2012				
Mutual funds:

Value fund	23,657	23,657	-	-
Total assets at fair value	$ 1,310,823	$ 1,310,823	$ -	$ -

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

NOTE 5 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2010.

NOTE 7 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2013	2012
Investments at fair value	$ 1,421,313	$ 1,310,823

Participant loans receivable	$ 83,556	$ 83,468
Participant loans interest income	$ 3,744	$ 3,167

NOTE 8 - PLAN ADMINISTRATION

The Company paid for certain audit and ERISA Surety Bond expenses. Certain administrative functions are performed by employees of the Company. None of the Company employees receive any compensation from the Plan.

NOTE 9 - SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2013, the date of the most recent statement of assets available for benefits, have been evaluated for possible adjustment to the financial statements or disclosure is October 2, 2014, which is the date on which the financial statements were available to be issued.
