NOTE 1. DESCRIPTION OF THE PLAN

The following description provides only general information on the provisions of the **RESPITECARE, INC. 401(K) PROFIT SHARING PLAN** (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by **RESPITECARE, INC.** (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility and Participation

All employees, except for employees covered by a collective bargaining agreement and nonresident aliens, are eligible to participate. With respect to a participant's voluntary contributions, an employee must have attained age 21 and completed one year of service. This requirement is satisfied upon working 1,000 hours during a consecutive 12 month period. Once this requirement is met, eligible employees may enter the plan on January 1, April 1, July 1, or October 1. With respect to the employer's discretionary contribution, the participant must complete one year of service and be credited with at least 1,000 hours of service. With respect to the safe harbor contribution, the participant must be a non-highly compensated employee employed on the last day of the Plan year.

Contributions

Participants may elect to contribute up to a maximum of 75% of their pre-tax compensation subject to certain overall limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company may make discretionary and safe harbor contributions based on the participant's employee compensation. Discretionary and safe harbor contributions are allocated based on the proportion of the participant's compensation to the total compensation for all participants.

Participant Accounts

Individual accounts are maintained for each participant to reflect the participant's contributions and related employer matching contributions, as well as the participant's share of the the Plan's income and any related administrative expenses. Allocations are based on the proportion that each participant's account balance has to the total of all participants' account balances.

NOTE 1. DESCRIPTION OF THE PLAN - Continued

Vesting

Participants are fully vested in their contributions and the safe harbor matching contribution. Employer discretionary contributions will be vested in accordance with the following schedule:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Vesting under the Plan is based upon the 'hours of service' method. The participant will receive a year of service upon completion of 1,000 hours of service during each calendar year of employment following attainment of age 21.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. The only form of payment is a lump-sum distribution.

Forfeitures

At December 31, 2013 and 2012, the Plan had $0 in forfeitures. These amounts are used to offset Plan expenses or to reduce future employer contributions. In 2013 and 2012, no forfeitures were used to offset employer contributions or Plan expenses.

Excess Contributions Payable

Benefit distributions of $24,227 and $125,500 for the plan years ended December 31, 2013 and 2012 include payments of $0 and $846 payable to certain active participants to return excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Those amounts are included on the Plan's Statement of Net Assets Available for Benefits as Excess Contributions Payable at December 31, 2013 and 2012, respectively.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition

The Plan's investments were stated at fair value based on quoted market prices of the underlying investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Company pays all administrative expenses of the Plan, except for the administrative costs of mutual funds and distribution processing fees.

NOTE 3. FAIR VALUE MEASUREMENTS

VALUATION OF INVESTMENTS - FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

LEVEL 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily new asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3. FAIR VALUE MEASUREMENTS - Continued

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013 and 2012, respectively.

	Assets at Fair Value as of December 31, 2013

NOTE 5. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

a. Total investments as shown on the accompanying Statements of Net Assets Available for Benefits of $490,211 and $352,836 as of December 31, 2013 and 2012, respectively.

b. Net investment earnings as shown on the accompanying Statement of Changes in Net Assets Available for Benefits of $82,220 and $33,824 for the years ended December 31, 2013 and 2012, respectively.

Additionally, the Trustee certified all information on the Schedule of Assets Held for Investment Purposes at December 31, 2013. This information may be found on the supplemental schedule.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included on the related financial statements and supplemental schedule.

NOTE 6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the Trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 8. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan has adopted recently issued accounting principles related to uncertain tax positions and has evaluated its tax positions taken for all open tax years. Currently, the 2010, 2011 and 2012 tax years are open and subject to examination by the Internal Revenue Service and Department of Labor. However, the Plan is not currently under audit nor has the Plan been contacted by either of these jurisdictions.

NOTE 8. TAX STATUS - Continued

Based on evaluation of the Plan's tax positions, the Plan Administrator believes all positions taken would be upheld under an examination. Therefore, no provision for the effects of uncertain tax positions has been recorded for the years ended December 31, 2013 and 2012.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the Statement of Net Assets Available for Benefits.

NOTE 10. SCHEDULES REQUIRED BY DEPARTMENT OF LABOR FOR FORM 5500

The Schedule of Loans or Fixed Income Obligations in Default or Classified as Uncollectible and Schedule of Reportable Transactions have been excluded from the supplemental information. For the years ended December 31, 2013 and 2012, the Plan did not have any loans or fixed income obligations that were in default or classified as uncollectible. The Plan also did not have any transactions that were required to be disclosed on the Schedule of Reportable Transactions.

NOTE 11. SUBSEQUENT EVENTS

The Plan has evaluated events subsequent to December 31, 2013 for possible adjustment or disclosure to the accompanying financial statements. This evaluation was done through the date of the Independent Auditors' Report, which is the date the financial statements were available to be issued.
