Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 1 Description of the Plan

The following description of the Superior Health Linens 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

General

The Plan is a participant directed defined contribution plan sponsored by Superior Health Linens (Sponsor). Associated Trust Company, N.A. (Associated) is the trustee and custodian of the Plan's assets. The Plan is administered by the Sponsor, with Associated also serving as the Plan's record keeper.

Eligibility

Employees of the Sponsor who have completed six months of service and attained the age of 21 are eligible to participate in the Plan. Eligible employees may enter the Plan on January 1, April 1, July 1, or October 1, coinciding with or immediately following the attainment of these qualification requirements.

Contributions

Participants may elect to defer up to 100% of their eligible compensation, as defined by the Plan, not to exceed the limits of the Internal Revenue Code (IRC). Participants may also contribute distributions from other qualified defined benefit or contribution plans ("rollovers").

The Sponsor makes safe harbor matching contributions equal to 100% of the participant's deferral up to 3% of their compensation, plus 50% of the participant's deferral between 3% and 5% of their compensation. The Sponsor may also make discretionary matching, profit-sharing and/or qualified non-elective contributions. Sponsor safe harbor matching contributions were approximately \$85,000 and \$72,000 in 2013 and 2012, respectively. There were no Sponsor discretionary matching, profit-sharing or qualified non-elective contributions in 2013 or 2012.

Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 1 Description of the Plan (Continued)

Investment Options

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and therefore provides that participants may choose to direct their contributions and account balances among the Plan's investment alternatives. All investments are participant directed.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the participants vested account balance. Participants may have a maximum of two notes outstanding at one time. The note must be repaid within 5 years, unless the note is used for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at 5.25%. Principal and interest is paid through payroll deductions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Sponsor's contributions, and allocations of Plan earnings thereon. Allocations of the Sponsor's discretionary contributions are based on participant earnings, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their deferral contributions and the Sponsor's safe harbor matching, discretionary matching and qualified non-elective contributions plus actual earnings thereon. Vesting in the Sponsor's discretionary profit sharing contributions, plus actual earnings thereon, is based on the number of years of continuous service with 20% vesting in each year, and are fully vested after five years.

Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 1 **Description of the Plan (Continued)**

Forfeitures

Forfeitures of unvested amounts are used to reduce Sponsor contributions or offset administrative expenses. No forfeitures were used to reduce Sponsor contributions or offset administrative expenses in 2013 or 2012. There were no unallocated forfeitures as of December 31, 2013 or 2012.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or a designated beneficiary may elect to receive either a lump-sum payment equal to the value of the participant's account, receive the benefits in installments, or purchase an annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. Under certain circumstances participants may qualify to receive a hardship distribution (less applicable income taxes and penalties) from their account balance.

Administrative Expenses

All expenses are paid by the Plan. The allocation of the fees is different for the participant notes, but all fees are paid by the Plan.

Note 2 **Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of the accompanying financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 2 **Summary of Significant Accounting Policies (Continued)**

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation includes gains and losses on investments bought and sold as well as held during the year. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Note 3 **Fair Value Measurements**

The framework for measuring fair value under GAAP provides a fair value hierarchy that prioritizes the inputs to valuation techniques used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 3 Fair Value Measurements (Continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used in 2013 and 2012.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective trust funds: Valued as determined by the issuer of the common trust fund based on the fair value of the underlying investments less its liabilities. The funds can be redeemed on a daily basis at their NAV. None of the Plan's investments had unfunded commitments.

Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 3 Fair Value Measurements (Continued)

The fair values of the underlying investments of the common/collective trusts are primarily based on quoted market prices for the underlying securities or similar instruments. The fair values are classified within Level 2 of the valuation hierarchy since the NAV of the common collective trusts are not publically quoted, but the values are not dependent on the input of any significant judgments or assumptions by management.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at:

Note 5 Non-Exempt Prohibited Transactions

The Sponsor remitted participant and Sponsor contributions of \$18,018 and \$142,824 related to the plan years ended December 31, 2013 and 2012, respectively, to the Trustee later than required by the U.S. Department of Labor Regulation 2510.3-102. The Sponsor filed Form 5330 with the Internal Revenue Service (IRS) and paid the required excise tax on the transactions. In addition, participant accounts were credited with the amount of investment income that would have been earned had the participant contribution been remitted on a timely basis.

Note 6 Information Certified by the Plan's Trustee

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's Trustee has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

- a. Investments as disclosed in the Statements of Net Assets Available for Benefits.
- b. Interest and dividends and net appreciation in fair value of investments as disclosed in the Statements of Changes in Net Assets Available for Benefits.
- c. Investment information as disclosed in Note 4 and on page 14, except for notes receivable from participants.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 7 Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Notes to Financial Statements

Note 8 Income Tax Status

The IRS has determined and informed the Plan by a letter dated March 31, 2008, that the prototype document on which the Plan is based is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan administrator believes the Plan is exempt from federal and state income taxes. Plan management evaluates uncertain income tax positions taken by the Plan. The financial statements effects of a tax position are recognized when the position is more likely than not, based on the technical merits to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions and there are currently no audits in progress. Plan management believes that the Plan is no longer subject to income tax examinations for years prior to 2010.

Note 9 Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Associated. Associated is the Trustee; therefore, these mutual fund transactions, notes receivable from participants, and administrative expenses qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under ERISA regulations.

Note 10 Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
