Robin Enterprises Company Profit Sharing Plan

Notes to Financial Statements

December 31, 2013 and 2012

1. Plan Description

The following description of Robin Enterprises Company Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions

General

The Plan is a profit sharing plan feature covering all eligible employees of Robin Enterprises Company (the "Company") who have six months of service and are 20 years or older. The profit-sharing provision has an additional requirement of 1,000 service hours per year. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Company shall make (but is not required) profit-sharing contributions to the Plan in such amounts as its Board of Directors may determine for any plan year. Contributions are subject to certain limitations. Also, at the discretion of the administrator, the participant may also rollover amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts

Each participant's account is credited with the allocations of plan earnings and employer contributions. Allocations are based on eligible participant earnings, as defined. Forfeited balances of terminated participants' nonvested accounts are allocated among the other participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting percentages are determined based on years of service.

Participant Notes Receivable

Participants may borrow from their fund accounts at any time, any amount up to maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participants Loans fund. Loan terms range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through weekly payroll deductions. There are no loans in the Plan as of December 31, 2013 and 2012.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a period of not more than the assumed life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with DOL—Limited Scope Guidelines.

Investment Valuation and Income Regulation

The Plan's investments are stated at fair value in accordance with Accounting Standards Codification ("ASC") Topic 820. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. These assets are considered Level 1 assets as defined by ASC Topic 820. Real estate land is valued at an appraised value as determined by an independent appraiser. This asset is considered a Level 3 asset as defined by ASC Topic 820. There are no Level 2 assets in the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are determined at the valuation date. Earnings are allocated to each participant's accounts in accordance with the allocation method elected in the adoption agreement.

Lease

The Plan leases its real estate, which consists of 134 self-storage units, to several lessees. Terms of the leases are one year or less. The Plan maintains a separate cash account with Park National Bank for the activity of these leases.

Payments of Benefits

Benefits are recorded when due.

3. Plan Commencement and Termination

The original plan became effective January 1, 1973. Certain assets were transferred from Robin Enterprises Company 401(k) Profit Sharing Plan, and the new plan, known as Robin Enterprises Company Profit Sharing Plan, was formed, effective January 1, 2010. The assets transferred were Ameriprise Funds, real estate and a checking account. Determination by the Internal Revenue Service that the Plan is designed in accordance with applicable sections of the Internal Revenue Code is pending.

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

4. Information Confirmed and Certified

The checking account balance at December 31, 2013 and 2012 was confirmed by Park National Bank.

The investments at December 31, 2013 and 2012 were confirmed by Ameriprise Financial and Newbridge Securities Corporation.

The real estate value at December 31, 2013 and 2012 was appraised and certified by an independent appraiser.

5. Subsequent Event

We have evaluated subsequent events through September 30, 2014, the date these financial statements were issued.

During 2013, the Plan was investigated by the Department of Labor ("DOL") for various Employee Retirement Income Security Act ("ERISA") violations for its plan year end 2012. Specifically, the DOL cited the Plan reported insufficient investment participant account information on its annual participant account summary reports. In addition, the Plan violated the provision requiring sufficient liquid assets remain in the Plan to fund future benefit distributions of the Plan. The violations were reported to the Plan upon completion of its investigation in a letter dated December 18, 2013.

On August 29, 2014, the Plan entered into a settlement agreement with the DOL by providing the DOL an example of plan participant supplemental schedules that will include the proper detail of investment allocations. In addition, the Plan's trustee, George Hance, purchased the property held in the Plan at fair market value of \$710,000 as determined by an independent third-party appraiser.

The DOL closed its investigation as evidenced in a letter dated September 11, 2014.
