Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 10, which was certified by Great-West Life & Annuity Insurance Company, the trustee of the plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the trustee is complete and accurate

Accordingly, the amount reported for the employer's contribution receivable has been presented in the statement of net assets available for benefits for the year ended December 31, 2012 in the attached financial statements. Our previously issued opinion is not modified with respect to that matter.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investment purposes and assets held for investment purposes that were both acquired and disposed of within the year, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. CAREER STRATEGIES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013 AND 2012

NOTE 1. DESCRIPTION OF PLAN

The following description of Career Strategies, Inc. (Company) 401(K) Plan (Plan) provides general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who have completed one year of eligible service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company appointed a Plan Administrator to manage the operation and administration of the Plan and designated Great West Life & Annuity Insurance Company (GWL&A) to be third-party administrator.

Participant Contributions

Each participant may enter into a salary deferral agreement in an amount ranging from 1% to 15% of pre-tax compensation and an additional deferral contribution up to 100% of post-tax compensation up to the maximum amount allowable under current income tax regulations. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective the beginning of any month, participants may change their contribution rates every 30 days. Investment options can be changed daily.

Company Contributions

The Company may make a discretionary qualified matching contribution subject to non-discrimination testing. There was no employer match for the year ending December 31, 2013. For the year ending December 31, 2012, employer match contributions totaled $108,191.

Participant Accounts

Each participant's account is maintained until such account is used to provide an annuity, or otherwise distributed in accordance with the terms of the Plan. A participant's account includes an account for participant salary deferral contributions, and rollover contributions, together with investment experience on each account and prior employer contributions.

Vesting

Participants are immediately 100% vested in salary deferrals. Vesting in the Company's contribution portion of their accounts is based upon one year of continuous service.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants
The Plan allows participants to borrow a minimum of $1,000 up to the lesser of 50% of their vested account balance or $50,000 reduced by the highest outstanding loan balance during the previous 12-month period. The loans are secured by the participant's vested balance and bear interest at a reasonable rate of interest generally based on the Prime Rate. Principal and interest is paid through monthly payroll deductions. Participant loans are valued at cost, which approximates fair value.

Payment of Benefits
Upon termination of service, due to death, disability, retirement, or other reason, participants are entitled to receive the value of the participant's vested interest in his or her account.

Participation Accounts
Each participant account is credited with the participant's contribution and an allocation of the Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All contributions made to these accounts are directed by the participant into a particular investment offered by the administrator and the allocations between investments can be changed at will.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for net assets attributable to fully benefit-responsive investment contracts because contract values is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value.

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

Plan assets consist of mutual funds and annuities offered through Great-West Life & Annuity Insurance Company. The plan assets are invested based solely upon instructions received from participants. The Plan's investments are valued at fair value as of the last day of the Plan year, as measured by quoted market prices. The Plan presents in the statement of changes in net assets the net appreciation in the fair value of its investments which consists of the realized gains and the unrealized appreciation on those investments.

Administrative Expenses

The Company does not pay administrative and trust expenses. Plan participants are charged for their portion of administrative fees. The total administration fees assessed to plan participants were $5,703 and $3,940 for the years ended December 31, 2013 and December 31, 2012, respectively.

NOTE 3. INVESTMENTS

Investments, valued at fair value, at December 31, 2013 and December 31, 2012 that represent 5% or more of the Plan's assets are as follows:

Investment Option	2013	2012
American Funds Capital World	$ 190,940	$ 149,745
American Funds Europacific Growth	133,010	149,149
Davis NY Venture	-	72,173
Goldman Sachs Mid Cap Value Fund	136,340	90,451
Great-West S&P 500 Index Fund	-	72,054
Key Guaranteed Portfolio Fund	217,257	258,388
Pimco Total Return Admin	228,551	134,902
Ridgeworth Large Cap Value Equity I	109,039	-

For the years ended December 31, 2013 and 2012, the Plan's investments that consist of mutual funds and annuities (including gains and losses on investments bought and sold, as well as held during the year, and any interest and/or dividends reinvested) appreciated in value by $267,061 and $138,101, respectively.

NOTE 4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

	Fair Value	Level 1	Level 3
December 31, 2013			
Mutual Funds	$ 1,579,114	$ 1,579,114	$ -
Annuities	217,257	-	217,257
Participant Loans	6,114	-	6,114
Total Assets at Fair Value	$ 1,802,485	$ 1,579,114	$ 223,371
December 31, 2012			
Mutual Funds	$ 1,154,977	$ 1,154,977	$ -
Annuities	258,388	-	258,388
Employer Match Receivable	108,191	-	108,191
Participant Loans	6,546	-	6,546
Total Assets at Fair Value	$ 1,528,102	$ 1,154,977	$ 373,125

Level 1 Fair Value Measurements – The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 3 Fair Value Measurements – The fair value of annuities approximates the cost of the annuity plus interest earned or accrued. The fair value of participant loans approximates the amortized cost of the loans and is secured by each respective participant's account balance.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2013, there were no significant transfers into or out of Level 3.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following tables reconcile the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the participant loans for the years ended December 31, 2013 and 2012.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following tables reconcile the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of annuities (Key Guaranteed Portfolio Fund) for the years ended December 31, 2013 and 2012.

Total gains or losses included in changes in net assets available for benefits	3,775
Purchases, sales, and settlements (net)	(44,906)

Total gains or losses included in changes in net assets available for benefits	3,453
Purchases, sales, and settlements (net)	6,977
Ending Balance	$ 258,388

NOTE 5. KEY GUARANTEED PORTOFLIO FUND

The Key Guaranteed Portfolio Fund is a general account product. The fund acts as a savings account, with fair market value equal to contract value. No adjustment from fair value to contract value is therefore reported on the Statement of Net Assets Available for Benefits.

The fund pays a declared interest rate for each quarterly period. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The average yield earned by the plan for the fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2013 is 1.45%.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Company reserves the right to terminate and/or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA.

NOTE 7. TAX STATUS

The Internal Revenue Service has determined by a letter dated November 27, 2002 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan's financial statements.

The Company files income tax returns in the U.S. federal jurisdiction and various states. With a few exceptions, the Company is no longer subject to U.S. federal, state and local tax examinations by tax authorities for years before 2010.

NOTE 8. SUMMARY OF SIGNIFICANT PLAN AMENDMENTS

As of November 1, 2011, the Plan was amended to implement the inclusion of a Safe Harbor company match effective January 1, 2012, reversing the prior plan amendment made on January 1, 2009. Notice was then given on November 30, 2012 that the Plan has been amended to again remove the Safe Harbor match component effective January 1, 2013.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination from among different mutual funds. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 10. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The information included in the accompanying statement of assets available for benefits and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee. The directed investments at fair value total $1,796,371 at December 31, 2013, and $1,413,365 at December 31, 2012.

NOTE 11. RESTATEMENT OF PRIOR YEAR NET ASSETS AVAILABLE FOR BENEFITS

An employer match contribution for plan year 2012 of $108,191 was not recognized in the previously audited financial statements. The 2012 employer match contribution was subsequently deposited during plan year 2013. Accordingly, an adjustment of $108,191 was made to employer contributions receivable on the Statement of Net Assets Available for Benefits for the year ended December 31, 2012 on the comparative financial statements.

NOTE 12. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
