INDEPENDENT AUDITOR'S REPORT

To the Trustees of
The Albert Kemperle Inc. Retirement Trust
North Amityville, New York

We have audited the accompanying financial statements of the Albert Kemperle Inc. Retirement Trust, which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statements of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from misstatement. Because of the matter described in the Basis of Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note F, which was certified by State Street Corporation, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information, included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A - DESCRIPTION OF PLAN

The following description of The Albert Kemperle Inc. Retirement Trust ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan consists of a profit sharing feature and a 401(k) feature. The profit sharing feature is a discretionary, noncontributory defined contribution profit sharing plan covering the employees of Albert Kemperle Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: For the 401(k) feature, each year, participants may contribute up to 20% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers fourteen mutual funds and one fixed investment option for participants. The Company contributes 50% of the first 4% of base compensation that a participant contributes to the Plan. The matching Company contribution is allocated among the investment options according to each participant's instructions. Additional profit sharing amounts may be contributed at the option of the Company's Board of Directors and are invested in a portfolio of investments as directed by the Company. Contributions are subject to certain limitations.

For profit sharing feature, Company contributions are discretionary and thus are only made each year that the Company decides to do so. This decision to contribute is made separately by the Company. When contributions are made, they are allocated among the employees of the Company based on an integrated system. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with their individual contribution and allocations of the Company's contribution, as well as plan earnings. Their accounts are charged for their proportionate share of administrative expenses. Allocations of participant earnings are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Eligibility: An employee who has been with the Company for one year, has worked 1,000 hours and is at least 21 years old.

NOTES TO FINANCIAL STATEMENTS

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon are based on years of continuous service. A participant is 100% vested after six years of credited service.

Participant Loans: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates of prime plus 2% set at the time the loan is taken. Principal and interest are paid through weekly payroll deductions.

Payment of Benefits: On termination of service due to disability or retirement, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account, or a joint & survivor annuity. For termination of service due to death, a participant's beneficiary may receive 100% of the balance in his or her account as a lump- sum distribution.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review: Subsequent events were evaluated through September 15, 2014, which is the date the financial statements were available to be issued.

Basis of Accounting: The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefit payments to participants are recorded upon distribution.

Administrative Expenses: Administrative expenses consist primarily of accounting and legal fees and the custodial costs of servicing the Plan. During the year ended December 31, 2013, administrative costs were $5,785.

THE ALBERT KEMPERLE INC. RETIREMENT TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C - INVESTMENT CONTRACT

In 2010, the Plan entered into an investment contract with State Street Bank & Trust (State Street). State Street maintains the contributions in Common/Collective Trust Accounts and Registered Investment Company Accounts. The accounts are credited with contributions and actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Common/Collective Trust Accounts and the Registered Investment Company Accounts are included in the financial statements at fair value. The fair value of the Common/Collective Trust Accounts at December 31, 2013 and 2012 was $4,987,886 and $5,109,056 respectively. The fair value of the Registered Investment Company Accounts at December 31, 2013 and 2012 was $8,692,903 and $6,449,964 respectively.

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE E - TAX STATUS

The Company adopted the New England 401(k) Profit Sharing prototype plan on January 1, 1980, which qualifies under Section 401(a) of the Internal Revenue Code. The prototype plan was amended and the amendment was affirmatively ruled upon in a letter dated December 24, 1992 from the Internal Revenue Service.

NOTE G - FAIR VALUE MEASUREMENTS

The Plan's investments are recorded at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in an active market. This level includes common stocks, corporate bonds or mutual funds based on the closing price reported in the active market where securities are traded.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation, or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
