INDEPENDENT AUDITORS' REPORT

To the Trustees of BWI Companies, Inc.,
Employee Health & Welfare Benefit Plan

We have audited the accompanying financial statements of **BWI COMPANIES, INC., EMPLOYEE HEALTH & WELFARE BENEFIT PLAN,** which comprise the statements of net assets available for benefits—modified cash basis as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits—modified cash basis for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of BWI Companies, Inc., Employee Health & Welfare Benefit Plan as of December 31, 2013 and 2012, and the changes in net assets available for benefits for the year ended December 31, 2013, in accordance with the modified cash basis of accounting described in Note 2.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

BWI COMPANIES, INC., EMPLOYEE HEALTH & WELFARE BENEFIT PLAN

Notes to Financial Statements
December 31, 2013 and 2012

NOTE 1 – DESCRIPTION OF PLAN

The following description of the BWI Companies, Inc., (Employer) Employee Health & Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General—The Plan provides health and death benefits to substantially all active employees of BWI Companies, Inc., (the Sponsor) except those who work less than thirty hours per week. Retired employees are entitled to continue their health coverage if they were covered under the Plan as an employee on the date of retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits—The Plan provides health benefits (medical, hospital, surgical, major medical, vision, dental and drug), life insurance, short and long-term disability benefits and accidental death and dismemberment benefits to employees of the Sponsor and their covered dependents. Retired employees are entitled to similar benefits (in excess of Medicare coverage). The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured Benefits—Medical and dental benefits are self-insured. Medical and dental claims are processed by Blue Cross and Blue Shield of Texas (the Administrator), but the liability for medical payments to providers is retained by the Plan.

Insured Benefits—The Plan has elective benefits for other coverage (vision, life, disability and accidental death and dismemberment) that is provided under group insurance contracts.

Other Benefits—Effective January 1, 2012, the Plan offers arrangements for health savings accounts. The associated activity is excluded from the Plan's financial statements because the Plan is not obligated to pay the benefits.

The Sponsor also provides participants with the option of contributing to medical and dependent care flexible spending accounts (FSA). The accounts are used to cover applicable expenses with pretax dollars. The FSA Plan was amended for Internal Revenue Service Notice 2013-71 to allow the participants to carry over up to five hundred dollars a year. The balance exceeding the carryover in the participant FSA account is forfeited at the end of the year.

Experience-rated Contracts—Certain insurance contracts are subject to experience rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total of claims paid and fees charged by the insurance company) are determined by the insurance company in the following year and may result in a premium surplus or deficit.

Stop Loss Coverage—The Plan has entered into a specific stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits.

Contributions—Participating employees contribute predetermined amounts as set out annually by the Sponsor. The Sponsor also contributes on behalf of the participants and their covered dependents for health and death benefits.

Participants who have elective coverage contribute premiums as determined by the insurers. Participants with a medical or dependent care FSA or an HSA make 100 percent of the contributions to the accounts.

Other—Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.

That basis differs from accounting principles generally accepted in the United States of America primarily because the Plan has not recognized contributions

receivable from the Sponsor, overpayments receivable from the Administrator, claims incurred but not reported, claims reported but not paid and their related effects on changes in net assets in the accompanying financial statements.

Plan Expenses
The Sponsor absorbs certain administrative expenses incurred by the Plan.

Estimates
The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Experience-rated Contracts
Experience-rated contracts may result in a premium surplus or deficit. The Plan had no premium surplus or deficit related to experience-rated contracts.

Stop Loss
Premiums for stop loss insurance are included in insurance premium payments in the accompanying statement of changes in net assets available for benefits. Stop loss refunds totaling $494,509 have been netted with benefit payments.

Subsequent Events
The Plan has evaluated subsequent events through October 7, 2014, the date the financial statements were available to be issued.

NOTE 3 – BENEFIT OBLIGATIONS

Benefit claims currently payable include the Plan's liability for claims incurred as of December 31, 2013 and 2012, but not reported and the Plan's liability for claims reported as of December 31, 2013 and 2012, but not yet processed. The Plan's liability for claims is estimated based on actual claims paid in the subsequent year. If the benefit obligation exceeds the net assets of the Plan, the Plan Sponsor will fund the deficit.

The following tables present the components of the Plan's benefit obligations and the related changes in the Plan's benefit obligations:

Benefit Obligations

	December 31, 2013	December 31, 2012
Benefit claims payable	408,239	386,877

Changes in Benefit Obligations

	2013
Benefit obligations, beginning of year	386,877
Benefits earned	2,451,812
Claims paid	(2,430,450)
Benefit obligations, end of year	408,239

NOTE 4 – FEDERAL INCOME TAX STATUS

The Plan administrator believes the Plan is currently being operated in compliance with applicable requirements of the Internal Revenue Service and is exempt from federal income taxes. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax years in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2010.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK

The Plan maintains cash deposits with a major bank that exceed federally insured limits. The Plan periodically assesses the financial condition of the institution and believes that the risk of any loss is minimal.
