INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Child Focus, Inc. 403(b) Annuity Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Child Focus, Inc. 403(b) Annuity Plan, which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Nationwide Financial Services, Inc. including its subsidiary Nationwide Trust Company, FSB, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Nationwide Financial Services, Inc., including its subsidiary Nationwide Trust Company, FSB, holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the custodian as of December 31, 2013 and 2012, and for the year ended December 31, 2013, that the information provided to the plan administrator by the custodian is complete and accurate.

The Plan had not maintained sufficient accounting records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficiently to determine the extent to which the financial statements may have been affected by these conditions.

p. 513.241.3111
f. 513.241.1212

As described in Note 10, the Plan has excluded from investments in the accompanying statements of net assets available for benefits, certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN:

The following description of the Child Focus, Inc. 403(b) Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of Plan provisions.

General

The Plan is a defined contribution plan covering all employees of Child Focus, Inc. (the Sponsor) who have attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Subject to certain limits, participants may contribute a portion of their compensation to the Plan. The Sponsor makes matching contributions to eligible participants who have attained two years of service in an amount equal to 100% of the first 6% elective deferrals. The Sponsor may also make additional discretionary contributions. The Sponsor made no discretionary contribution for 2013. Participants direct the investment of their contributions and Sponsor contributions into various investment options offered by the Plan. The Plan was amended effective December 31, 2012 to allow participants to rollover funds from other qualified plans into the Plan.

Participant accounts

Each participant's account is credited with the participant contribution and, if eligible, an allocation of the Sponsor matching contribution and discretionary contribution, if any, and an allocation of plan earnings. Allocations are based on participant earnings, compensation or account balances, as defined. Allocations of plan earnings are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. A participant is 100% vested in all Sponsor contributions and earnings received thereon.

Payment of benefits

Participants are entitled to benefits upon termination of service due to death, disability, or at normal retirement age (65 years). Upon termination of service, participants receive an annuity. Participants have the option of electing another form of distribution. In the event of a participant's death, any remaining balance will be paid to designated beneficiaries.

Benefits under the Plan due to a former participant whose balance does not exceed \$1,000 and has terminated for reasons other than death, disability or retirement, shall be paid from his account as soon as administratively practicable. If the vested value of the participant's account is in excess of \$1,000, the participant will not receive a distribution unless he has consented in writing.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following are the significant accounting policies of the Plan:

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit distributions are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The Plan has evaluated subsequent events through September 16, 2014, the date the financial statements were available to be issued.

3. INVESTMENTS:

The Plan provides for participant directed investment into various investment funds. The following presents investments that represent 5% or more of the Plan's net assets available for benefits at December 31:

	<u>2013</u>	<u>2012</u>
Vanguard Target Retirement 2010	\$ 299,371	358,003
Vanguard Target Retirement 2015	778,459	680,318
Vanguard Target Retirement 2020	382,546	298,901
Vanguard Target Retirement 2030	775,784	617,330
Vanguard Target Retirement 2035	538,275	385,328
Vanguard Target Retirement 2040	463,756	306,568
Vanguard Target Retirement 2045	279,739	259,779
Vanguard Target Retirement Income	434,497	519,049

During the year ended December 31, 2013, the Plan's investments in mutual funds (including gains and losses on investments bought, sold and held during the year) appreciated in value by \$677,716.

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used at December 31, 2013 and 2012.

Money market and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2013 and 2012:

<u>Investments at Fair Value as of December 31, 2013</u>

5. INFORMATION CERTIFIED BY THE CUSTODIAN:

All investments, investment income and the net appreciation in fair value of investments included in the accompanying financial statements and supplemental schedule as of December 31, 2013 and 2012, and for the year ended December 31, 2013, was obtained from data that has been prepared and certified as complete and accurate by the custodian, Nationwide Financial Services, Inc., including its subsidiary Nationwide Trust Company, FSB.

6. RELATED PARTY TRANSACTIONS:

The Sponsor provides certain administrative services to the Plan for which no fees are charged.

7. PLAN TERMINATION:

Although it has not expressed the intent to do so, the Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. TAX STATUS:

The Plan adopted a custodial account plan with Nationwide Financial Services, Inc. While the Internal Revenue Service does not currently have an approval program for 403(b) plans, the Sponsor and the plan's administrator believe that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code. Therefore, they believe the Plan was qualified as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.

9. RISKS AND UNCERTAINTIES:

Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. CONTRACTS EXCLUDED FROM INVESTMENTS:

As permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Plan has elected to omit certain contracts from the investment balance reported on the Form 5500. These contracts were created prior to January 1, 2009 and contain fully vested, participant-directed investment accounts. Those accounts are owned by the individual participants for whom the accounts were initially established and the Plan no longer has any obligation to such accounts.

11. SUBSEQUENT PLAN AMENDMENTS:

The Plan was amended effective July 1, 2014 to adopt automatic enrollment into the Plan.

The Plan was amended effective July 1, 2014 to change the normal retirement date from 65 to 59½.

Effective July 1, 2014, for the purpose of receiving an allocation of any matching contribution, a participant who has attained age 18 will become eligible upon the second anniversary of their hire date.
