Report on the Financial Statements

We have audited the accompanying financial statements of Ohio Gastroenterology Group, Inc. Defined Benefit Plan (the "Plan"), which comprise the statements of accumulated plan benefits and net assets available for benefits as of December 31, 2013 and 2012, and the related statements of changes in accumulated plan benefits and net assets available for benefits for the years then ended, the supplemental schedules (1) Schedule H, line 4i – Schedule of Assets (Held At End of Year) and (2) Schedule H, line 4j – Schedule of Reportable Transactions and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Ohio Gastroenterology Group, Inc. Defined Benefit Plan as of and for the years ended December 31, 2013 and 2012 and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (1) Form 5500 Schedule H, line 4i – Schedule of Assets (Held at End of Year) (2) Form 5500 Schedule H, line 4j – Schedule of Reportable Transactions for the year ended December 31, 2013, together referred to as “supplemental information” are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
