Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Complete Discovery Source 401(k) Plan & Trust f/k/a Metropolitan Office & Computer 401(k) Profit Sharing Plan as of December 31, 2013 and 2012, and the changes in net assets available for benefits for the year ended December 31, 2013 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

COMPLETE DISCOVERY SOURCE
401(k) PLAN & TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Complete Discovery Source 401(k) Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 2004. The Plan is a defined contribution plan with salary reduction features covering employees of Complete Discovery Source, Inc. and its affiliates, Metropolitan Office & Computer Supplies, Inc. and Metropolitan Duplicating & Imaging Inc. (collectively the "Sponsor") who have satisfied eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective December 26, 2013, the assets of the Plan were transferred to a new custodian, John Hancock Life Insurance Company ("John Hancock"), and the Plan adopted John Hancock's Volume Submitter Plan. John Hancock Retirement Plan Services is the new record keeper effective December 26, 2013. Simultaneously, the Plan changed its name from Metropolitan Office & Computer 401(k) Profit Sharing Plan & Trust to Complete Discovery Source 401(k) Plan & Trust. The Plan went into a blackout period from December 22, 2013 to January 13, 2014, during which time participants were unable to request loans, make rollover contributions to their accounts, request distributions or withdrawals, or otherwise direct or diversify their assets. The Plan assets transferred to John Hancock were kept in an interest bearing cash account until the blackout period ended and the assets could be allocated to participant accounts.

Contributions

Participants may contribute a portion of their annual compensation, in accordance with the provisions defined by the Plan on a tax deferred basis, and limited to the maximum allowable in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition, participants may make rollover and transfer contributions from other qualified plans. Participants direct the investment of their contributions into various mutual fund options offered by the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The Plan Sponsor will make a matching contribution determined by the contributing participant's rate of elective deferrals up to 3% of eligible compensation. The Plan Sponsor does not make supplemental matching contributions on participant catch-up contributions.

Effective January 1, 2014, the Plan Sponsor adopted safe harbor provisions, whereby the Plan Sponsor will make a matching contribution to eligible non highly compensated participants, determined by their rate of elective deferrals (including catch-up contributions) up to 3% of eligible compensation and an additional 50% of the elective deferrals that exceed 3% of eligible compensation not to exceed 5%.

The Plan provides for discretionary employer profit sharing contributions. There were no discretionary profit sharing contributions in 2013.

Participant Accounts

Separate accounts are established and maintained under the Plan for each participant.

Each participant's account is credited with the participant's contribution, the Sponsor's matching contribution, the Sponsor's discretionary profit sharing contribution, if any, and an allocation of the Plan earnings and charged with an allocation of Plan losses and administrative expenses.

Eligibility and Vesting

An employee is eligible to participate in the plan upon attainment of the age of 21 years and after completing 3 consecutive months of eligibility service (at least 250 hours in a 3 month period). Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Participants who have completed two years of eligibility service (at least 1000 hours per year) are eligible for employer matching and profit sharing contributions, which vest immediately. Effective December 27, 2013, participants who have completed one year of eligibility service (at least 1000 hours) are eligible for employer safe harbor matching contributions, which vest immediately and employer profit sharing contributions, which vest on a 2-6 year grading schedule.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants are permitted to borrow from their accounts up to a maximum equal to the lesser of $50,000 or one half of their account balance. The term of each loan may generally not exceed five years, unless the proceeds of the loan are to be used to acquire a principal dwelling unit. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan application. Outstanding loans at December 31, 2013 and 2012 bear interest at 4.25% per annum. Loan payments are generally made through payroll deductions, and any expenses related to loan set-up and maintenance are charged directly against the appropriate participant's account.

Payment of Benefits

Upon termination of service or disability, a participant may receive a lump sum distribution, installment payments or rollover into a qualified plan, or combination thereof, in the amount of the participant's account greater than $5,000. If the participant's account is less than $1,000, the participant's distribution automatically shall be made in the form of a lump sum payment as soon as practical. Participant accounts between $1,000 and $5,000 are eligible for rollover into a qualified plan. In-service withdrawals are permitted once a participant has attained age 59 1/2. Effective December 27, 2013, no installment payments are allowed, and those participant accounts with balances less than $5,000 will be distributed automatically in the form of a lump sum payment as soon as practicable.

Administrative Expenses

The Plan permits the payment of administrative expenses to be made from the Plan's assets. However, substantially all of the administrative expenses of the Plan are paid by the Sponsor without charge to the Plan.

Certain administrative functions are performed by employees of the Sponsor. No such employee receives compensation from the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Excess Contributions Due to Participants

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2013 excess contributions to the applicable participants prior to March 15, 2014.

Payment of Benefits

Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CASH

Cash consists of interest bearing deposits held by John Hancock at December 31, 2013, and includes $10,440 in excess employer contributions made by the Sponsor, which the Plan intends to apply to future matching contributions.

NOTE 4 - INVESTMENTS

The Plan's investment assets were in a brokerage account with Merrill Lynch, Pierce, Fenner & Smith, Inc. ("MLPFS"). MLPFS executes transactions thereon. Effective December 26, 2013, substantially all of the assets in the MLPFS brokerage account were liquidated and transferred to John Hancock (see Note 1).

The following table presents investments that represent 5% or more of the Plan's net assets available for benefits:

	December 31,	
	2013	2012
BlackRock Ready Assets Prime Money Fund	**N/A**	$ 620,074
Massachusetts Investors Trust	**N/A**	264,100

BlackRock U.S. Government Bond Fund	**N/A**	154,248
BlackRock Global Allocation Fund	**N/A**	126,144
JPMorgan Diversified Fund	**N/A**	125,087

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Mutual funds: Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2012:

Assets at Fair Value at December 31, 2012:

Description	Total	Level 1	Level 2	Level 3

World Allocation	126,144	126,144	-	-
Total Assets at Fair Value	$ 2,091,987	$ 2,091,987	$ -	$ -

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA and the terms of the Plan. In the event of termination of the Plan, participants' accounts remain fully vested and non-forfeitable. The Sponsor determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the plan administrator by a letter dated March 31, 2008, that the prototype plan (in operation through December 26, 2013) was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Effective December 26, 2013, the Plan adopted an approved plan under the volume submitter program with John Hancock. The Internal Revenue Service has determined and informed the plan administrator, by a letter dated May 1, 2012, that the form of the volume submitter plan adopted by the Plan Sponsor is acceptable under the applicable sections of the IRC. The Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that it is no longer subject to income tax examinations for the years prior to 2010.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to amounts reportable on the Form 5500:

	December 31,	
	2013	2012
Net assets available for Plan benefits per the financial statements	**$ 3,194,197**	$ 2,290,622
Corrective contribution receivable	**-**	(143,815)
Excess contributions due to participants	**23,057**	17,466
Net assets available for Plan benefits per the Form 5500	**$ 3,217,254**	$ 2,164,273

The following is a reconciliation of the changes in net assets available for Plan benefits per the financial statements to amounts reportable on the Form 5500 for the year ended December 31, 2013:

Net increase in assets available for benefits per the financial statements	**$ 903,575**
Prior year corrective contribution and accrued interest receivable	**143,815**
Current year excess contributions due to participants	**23,057**
Prior year excess contributions refunded to participants	**(17,466)**
Net increase in assets available for benefits per the Form 5500	**$ 1,052,981**

NOTE 10 - VOLUNTARY CORRECTION PROGRAMS

On January 23, 2013, the Plan Sponsor filed a VCP submission with the IRS pursuant to Revenue Procedure 2008-50 to correct certain Plan operational failures, whereby the Sponsor had excluded certain components of compensation from employee contributions, and failed to make the required matching contributions on these excluded components of compensation for the plan years ended December 31, 2005 through 2012. The Sponsor also failed to enroll certain participants for matching contributions according to their eligibility dates under the Plan for the plan years ended December 31, 2005 through 2012 and, in several isolated instances during Plan Year 2010 involving nominal sums, made untimely deposits of contributions into the Plan accounts of certain participants.

NOTE 10 - VOLUNTARY CORRECTION PROGRAMS (CONTINUED)

The Sponsor funded in January 2013, $143,815 including earnings of $11,366 for these failures for the years ended December 31, 2005 through 2012. On December 19, 2013, the IRS issued a compliance statement approving the Sponsor's proposed corrections.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 9, 2014, which is the date the financial statements were available to be issued.

To the Complete Discovery Source 401(k) Plan & Trust f/k/a Metropolitan Office & Computer 401(k) Profit Sharing Plan:

Report on the Financial Statements

We have audited the accompanying financial statements of the Complete Discovery Source 401(k) Plan & Trust f/k/a Metropolitan Office & Computer 401(k) Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Complete Discovery Source 401(k) Plan & Trust f/k/a Metropolitan Office & Computer 401(k) Profit Sharing Plan as of December 31, 2013 and 2012, and the changes in net assets available for benefits for the year ended December 31, 2013 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Complete Discovery Source 401(k) Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 2004. The Plan is a defined contribution plan with salary reduction features covering employees of Complete Discovery Source, Inc. and its affiliates, Metropolitan Office & Computer Supplies, Inc. and Metropolitan Duplicating & Imaging Inc. (collectively the "Sponsor") who have satisfied eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective December 26, 2013, the assets of the Plan were transferred to a new custodian, John Hancock Life Insurance Company ("John Hancock"), and the Plan adopted John Hancock's Volume Submitter Plan. John Hancock Retirement Plan Services is the new record keeper effective December 26, 2013. Simultaneously, the Plan changed its name from Metropolitan Office & Computer 401(k) Profit Sharing Plan & Trust to Complete Discovery Source 401(k) Plan & Trust. The Plan went into a blackout period from December 22, 2013 to January 13, 2014, during which time participants were unable to request loans, make rollover contributions to their accounts, request distributions or withdrawals, or otherwise direct or diversify their assets. The Plan assets transferred to John Hancock were kept in an interest bearing cash account until the blackout period ended and the assets could be allocated to participant accounts.

Contributions

Participants may contribute a portion of their annual compensation, in accordance with the provisions defined by the Plan on a tax deferred basis, and limited to the maximum allowable in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition, participants may make rollover and transfer contributions from other qualified plans. Participants direct the investment of their contributions into various mutual fund options offered by the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The Plan Sponsor will make a matching contribution determined by the contributing participant's rate of elective deferrals up to 3% of eligible compensation. The Plan Sponsor does not make supplemental matching contributions on participant catch-up contributions.

Effective January 1, 2014, the Plan Sponsor adopted safe harbor provisions, whereby the Plan Sponsor will make a matching contribution to eligible non highly compensated participants, determined by their rate of elective deferrals (including catch-up contributions) up to 3% of eligible compensation and an additional 50% of the elective deferrals that exceed 3% of eligible compensation not to exceed 5%.

The Plan provides for discretionary employer profit sharing contributions. There were no discretionary profit sharing contributions in 2013.

Participant Accounts

Separate accounts are established and maintained under the Plan for each participant.

Each participant's account is credited with the participant's contribution, the Sponsor's matching contribution, the Sponsor's discretionary profit sharing contribution, if any, and an allocation of the Plan earnings and charged with an allocation of Plan losses and administrative expenses.

Eligibility and Vesting

An employee is eligible to participate in the plan upon attainment of the age of 21 years and after completing 3 consecutive months of eligibility service (at least 250 hours in a 3 month period). Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Participants who have completed two years of eligibility service (at least 1000 hours per year) are eligible for employer matching and profit sharing contributions, which vest immediately. Effective December 27, 2013, participants who have completed one year of eligibility service (at least 1000 hours) are eligible for employer safe harbor matching contributions, which vest immediately and employer profit sharing contributions, which vest on a 2-6 year grading schedule.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants are permitted to borrow from their accounts up to a maximum equal to the lesser of $50,000 or one half of their account balance. The term of each loan may generally not exceed five years, unless the proceeds of the loan are to be used to acquire a principal dwelling unit. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan application. Outstanding loans at December 31, 2013 and 2012 bear interest at 4.25% per annum. Loan payments are generally made through payroll deductions, and any expenses related to loan set-up and maintenance are charged directly against the appropriate participant's account.

Payment of Benefits

Upon termination of service or disability, a participant may receive a lump sum distribution, installment payments or rollover into a qualified plan, or combination thereof, in the amount of the participant's account greater than $5,000. If the participant's account is less than $1,000, the participant's distribution automatically shall be made in the form of a lump sum payment as soon as practical. Participant accounts between $1,000 and $5,000 are eligible for rollover into a qualified plan. In-service withdrawals are permitted once a participant has attained age 59 1/2. Effective December 27, 2013, no installment payments are allowed, and those participant accounts with balances less than $5,000 will be distributed automatically in the form of a lump sum payment as soon as practicable.

Administrative Expenses

The Plan permits the payment of administrative expenses to be made from the Plan's assets. However, substantially all of the administrative expenses of the Plan are paid by the Sponsor without charge to the Plan.

Certain administrative functions are performed by employees of the Sponsor. No such employee receives compensation from the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Excess Contributions Due to Participants

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2013 excess contributions to the applicable participants prior to March 15, 2014.

Payment of Benefits

Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CASH

Cash consists of interest bearing deposits held by John Hancock at December 31, 2013, and includes $10,440 in excess employer contributions made by the Sponsor, which the Plan intends to apply to future matching contributions.

NOTE 4 - INVESTMENTS

The Plan's investment assets were in a brokerage account with Merrill Lynch, Pierce, Fenner & Smith, Inc. ("MLPFS"). MLPFS executes transactions thereon. Effective December 26, 2013, substantially all of the assets in the MLPFS brokerage account were liquidated and transferred to John Hancock (see Note 1).

The following table presents investments that represent 5% or more of the Plan's net assets available for benefits:

	December 31,	
	2013	2012
BlackRock Ready Assets Prime Money Fund	**N/A**	$ 620,074
Massachusetts Investors Trust	**N/A**	264,100

BlackRock U.S. Government Bond Fund	**N/A**	154,248
BlackRock Global Allocation Fund	**N/A**	126,144
JPMorgan Diversified Fund	**N/A**	125,087

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Mutual funds: Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2012:

Assets at Fair Value at December 31, 2012:

Description	Total	Level 1	Level 2	Level 3
Mutual funds:				
Diversified Emerging Markets	$ 68,934	$ 68,934	$ -	$ -

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA and the terms of the Plan. In the event of termination of the Plan, participants' accounts remain fully vested and non-forfeitable. The Sponsor determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the plan administrator by a letter dated March 31, 2008, that the prototype plan (in operation through December 26, 2013) was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Effective December 26, 2013, the Plan adopted an approved plan under the volume submitter program with John Hancock. The Internal Revenue Service has determined and informed the plan administrator, by a letter dated May 1, 2012, that the form of the volume submitter plan adopted by the Plan Sponsor is acceptable under the applicable sections of the IRC. The Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that it is no longer subject to income tax examinations for the years prior to 2010.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - VOLUNTARY CORRECTION PROGRAMS

On January 23, 2013, the Plan Sponsor filed a VCP submission with the IRS pursuant to Revenue Procedure 2008-50 to correct certain Plan operational failures, whereby the Sponsor had excluded certain components of compensation from employee contributions, and failed to make the required matching contributions on these excluded components of compensation for the plan years ended December 31, 2005 through 2012. The Sponsor also failed to enroll certain participants for matching contributions according to their eligibility dates under the Plan for the plan years ended December 31, 2005 through 2012 and, in several isolated instances during Plan Year 2010 involving nominal sums, made untimely deposits of contributions into the Plan accounts of certain participants.

NOTE 10 - VOLUNTARY CORRECTION PROGRAMS (CONTINUED)

The Sponsor funded in January 2013, $143,815 including earnings of $11,366 for these failures for the years ended December 31, 2005 through 2012. On December 19, 2013, the IRS issued a compliance statement approving the Sponsor's proposed corrections.
