Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of SECO TOOLS INC. EMPLOYEES' RETIREMENT SAVINGS PLAN, which comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2013 and 2012 and the related Statements of Changes in Net Assets Available for Plan Benefits for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Principal Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the years ended December 31, 2013 and 2012 that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2013, which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplement schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2013 AND 2012

NOTE 1: DESCRIPTION OF PLAN:

The following description of the Seco Tools Inc. Employees' Retirement Savings Plan (the Plan) provides only general pertinent information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions:

- A. General - The Plan is a voluntary defined contribution plan which covers substantially all employees of Seco Tools Inc. (Company).
- B. Contributions - In years 2013 and 2012, participants could elect to voluntarily contribute to the Plan 1% to 25% of their compensation up to the maximum amount allowed by law, including catch-up contributions for participants who attain age 50 by the end of the Plan year.

Effective July 1, 2007, the Company contribution for employees hired prior to July 1, 2007 is 50% of the employee's contributions, not to exceed 5% of the employee's compensation.

Effective July 1, 2007, employees hired after July 1, 2007 will automatically be enrolled in the Plan upon meeting the eligibility requirements unless he or she advises the Plan Administrator that they desire not to make employee deferral contributions. Payroll deductions of 3% of eligible compensation will be made unless otherwise elected by employee. The Company contribution for these employees is 50% of the employee contribution, not to exceed 6% of the employee's compensation. In addition, the Company will contribute 3% of the employee's compensation for all employees hired after July 1, 2007 who were active on the last day of the Plan year and worked a minimum of 1,000 hours during the Plan year.

Effective January 1, 2007, the Plan allows "Roth" contributions.

NOTE 1, DESCRIPTION OF PLAN, continued:

- C. Participants' Accounts - Each participant's account is credited with the participant's own contribution and the allocated share of the employer contribution and Plan earnings. Allocations are based on participant account balances and earnings as defined in the Plan Adoption Agreement. Each participant is permitted to direct the investment of their account into as many as 32 funds maintained by Principal Trust Company.
- D. Vesting - Participants vest immediately as to their personal voluntary contribution. Participants are vested in employer contributions after three years of continuous service during which a minimum of 1,000 hours have been worked each year, or upon the occurrence of any one of the following events: attainment of age 65, total disability or death.
- E. Payment of Benefits - Upon termination of service as an employee, a participant is entitled to a benefit equal to the individual vested account balance maintained historically from the first year of participation to the distribution date. The participants can elect to have their benefit under the Plan paid in a single payment or substantially equal periodic payments.
- F. Loans - The Plan allows for loans to participants. Participants may borrow a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance. The interest rate is based on local prevailing interest rates as determined by the Plan Administrator. All loans must have a repayment period not to exceed five years except for loans used to acquire a principal residence which can have a repayment period of more than five years. Principal and interest is paid ratably through payroll deductions.
- G. Plan Termination - Although they have not expressed any intent to do so, the employers have the right to terminate the Plan subject to the provisions of ERISA.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Accrual Basis - The accounting records of the Plan are maintained on the accrual basis method of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation - The reporting value of the Plan investments in the funds maintained by Principal Trust Company are adjusted to fair value and certified as to value by Principal Trust Company at year end. Investment income is recognized when earned.

The Plan presents in the Statements of Changes in Net Assets Available for Plan Benefits the net appreciation (depreciation) in the fair value of its investments, which includes realized gains or losses and the unrealized appreciation (depreciation) of those investments.

Loans to Participants - Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans to participants are recorded as a distribution based upon the terms of the Plan document.

Risks and Uncertainties - The Plan provides for various investment options in any combination of equity securities, bonds, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Except for fees for certain distributions and loan origination fees associated with loans to participants, all administrative expenses of maintaining the Plan were paid directly by the Company.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

Subsequent Events - The Plan has performed a review of events subsequent to the Statements of Net Assets Available for Plan Benefits date through September 25, 2014, the date the financial statements were available to be issued.

Effective January 1, 2014, the Plan Sponsor changed its name to Seco Tools, LLC. Prior to January 1, 2014, the name of the Company was Seco Tools Inc.

Subsequently, effective January 1, 2014, the Plan changed its name to Seco Tools, LLC Employees' Retirement Savings Plan. Prior to January 1, 2014, the name of the Plan was Seco Tools Inc. Employees' Retirement Savings Plan.

NOTE 3: FAIR VALUE MEASUREMENTS - The Plan's investments are reported at fair value on the Statements of Net Assets Available for Plan Benefits. In measuring Plan assets at fair value, a fair value hierarchy is applied which categorizes and prioritizes the inputs used to estimate fair value into three levels. The fair value hierarchy is based on maximizing the use of observable inputs and minimizing the use of unobservable inputs when measuring fair value. Classification within the fair value hierarchy is based on the lowest level input that is significant to the fair value measurement. The three levels of the fair value hierarchy are defined as follows:

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include quoted prices for identical or similar assets or liabilities in active or inactive markets, inputs other than quoted prices that are observable, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3 inputs are unobservable inputs for the assets or liabilities.

NOTE 3, FAIR VALUE MEASUREMENTS, continued:

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Mutual Funds - The fair value is determined by the quoted net asset values of the shares held by the Plan at year end.

Pooled Separate Accounts - The fair value of the Pooled Separate Accounts is determined at the net asset values of the underlying mutual funds less any applicable operating expenses.

Common Collective Trust - The fair value of the Common Collective Trust is determined at the net asset values of the underlying investments of the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5: FORFEITURES - When a participant terminates employment prior to becoming fully vested, the amount contributed is segregated in a suspense account which is available to be applied to future employer contributions. After the participant has incurred a five-year break in service, they lose all rights to forfeited amounts. At December 31, 2013 and 2012, forfeitures of \$8,510 and \$4,425, respectively, were available to be applied against future employer contributions.

NOTE 6: RELATED-PARTY TRANSACTIONS - Certain Plan investments are units of funds managed by Principal Trust Company. Since Principal Trust Company is the Trustee of the Plan, these transactions qualify as party-in-interest transactions. Other party-in-interest transactions include loans to participants and expenses paid by the Company.

NOTE 7: TAX STATUS - The Internal Revenue Service (IRS) has determined and informed the Company, in a letter dated February 9, 2011, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The determination covers all amendments made through December 31, 2010.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2010.
