National Express Corporation Safe Harbor 401(k) Plan

Notes to Financial Statements December 31, 2013 and 2012

Note 1 - Plan Description

The following description of National Express Corporation Safe Harbor 401(k) Plan, f/k/a Durham School Services Safe Harbor 401(k) Plan, (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering substantially all employees of the following National Express Corporation affiliated entities: Durham School Services, LP, Durham D&M, LLC, National Express Transit Services Corporation, National Express Transit Corporation, Petermann, Ltd. (Petermann), and Carrier Management Corporation d/b/a Matthews Bus Company (Matthews) (collectively, the "Company"). Certain non-resident aliens, leased employees, and union employees of the Company are excluded from participation in the Plan. All covered employees of the Company become eligible to participate in the Plan on February 1 or October 1 following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In May 2012, the Company acquired Petermann and its subsidiary, Matthews. Effective January 1, 2013 all of the accounts of the Petermann, Ltd. 401(k) Plan totaling \$1,463,331 were transferred to the Plan. Effective December 31, 2013, all of the accounts of the Matthews Bus Company 401(k) Profit Sharing Plan totaling \$992,888 were also transferred to the Plan. The total amount of transfers received by the Plan was \$2,456,219 in 2013.

Administration - The Company is the sponsor of the Plan. The plan administrative committee, as provided in the plan agreement, is the plan administrator and has responsibility for the administration of the Plan. BMO Harris Bank N.A. is the Plan's trustee. BMO Retirement Services, a division of BMO Harris Bank N.A., functions as the recordkeeper. Investment management fees and recordkeeping fees are paid by the Plan in accordance with the plan agreement.

Contributions - The Plan provides for employee 401(k) deferral contributions up to a maximum of 20 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan provides for employer safe harbor matching contributions equal to 100 percent of the participant's contributions not to exceed 3 percent of the employee's compensation plus 50 percent of the participant's contributions up to the next 2 percent of compensation.

National Express Corporation Safe Harbor 401(k) Plan

Notes to Financial Statements December 31, 2013 and 2012

Note 1 - Plan Description (Continued)

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting - All participants are fully vested at all times in their 401(k) deferral accounts, rollovers, safe harbor matching accounts, and plan earnings thereon. Prior contributions related to Double A Transportation, Inc., Petermann, Ltd., and Matthews Bus Company plans that were merged into the Plan shall also remain 100 percent vested.

Any participant with an hour of service on or after January 1, 2011 will be 100 percent vested in employer contributions.

Participants will continue to be vested in employer matching contributions made prior to 2011 as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20 %
2	40
3	60
4	80
5	100

Payment of Benefits - Upon termination of employment, the participant or, in the case of death, the surviving spouse can elect to receive the participant's account balance in a single lump sum. A participant may take an installment distribution solely to the extent necessary to satisfy the required minimum distribution rules. In-service withdrawals are permitted for participants after attainment of age 59½. Account balances less than \$5,000 (\$1,000 prior to January 1, 2013) are paid in a single lump sum upon termination.

Hardship Withdrawals - Participants may request that all or a portion of their accounts be distributed in the case of severe financial hardship, as defined in the plan document. The Company must approve any such hardship withdrawals.

Forfeitures - If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future Company contributions or to pay administrative expenses of the Plan. At December 31, 2013 and 2012, forfeited account balances totaled \$27,771 and \$145,676, respectively. During 2013, forfeitures of \$129,796 were used to reduce employer contributions.

National Express Corporation Safe Harbor 401(k) Plan

Notes to Financial Statements December 31, 2013 and 2012

Note 1 - Plan Description (Continued)

Party-in-interest Transactions - Certain plan assets are in investment funds managed by BMO Harris Bank N.A. or its affiliates. BMO Harris Bank N.A. is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions as defined under ERISA guidelines.

Termination - While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation - The Plan's investments are stated at fair value, based on quoted market values.

See Note 4 for additional information.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Benefit Payments - Benefits are recorded when paid.

Administrative Expenses - Various administrative costs are paid by the Company.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events - The financial statements and related disclosures include evaluation of events up through and including October 6, 2014, which is the date the financial statements were available to be issued.

National Express Corporation Safe Harbor 401(k) Plan

Notes to Financial Statements December 31, 2013 and 2012

Note 3 - Unaudited Information

BMO Harris Bank N.A. (the "Trustee") holds the Plan's investments and executes all investment transactions. The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information provided by the Trustee.

Significant investments included in end of year net assets are as follows:

	2013	2012
Mutual funds:		
American Century One Choice 2015	\$ 10,457,591	\$ 9,987,727
BMO Prime Money Market	6,632,980	6,644,276
Vanguard 500 Index	5,918,532	4,354,164
T. Rowe Price Blue Chip Growth	4,221,461	2,812,646
American Beacon Large Cap Investor	2,733,890	1,611,932
American EuroPacific Growth	2,311,095	1,663,155
Dodge & Cox Income	2,272,308	2,154,409

Note 4 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2013 and 2012.

Level 1 - Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2 - Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, and other inputs such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3 - Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

National Express Corporation Safe Harbor 401(k) Plan

Notes to Financial Statements December 31, 2013 and 2012

Note 4 - Fair Value Measurements (Continued)

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.
