INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Setton Pistachio of Terra Bella, Inc. 401(k) Plan
85 Austin Blvd.
Commack, New York 11725

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of Setton Pistachio of Terra Bella, Inc. 401(k) Plan which compromise the statements of net assets available for benefits as of December 31, 2013 and 2012 and the related statement of changes in net assets avaialble for financial benefits for the years then ended and related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statemetns that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the investment information, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the custodian holds the Plan's assests and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2013 and 2012 and for the years then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Department of Labor Rules and Regulations and accounting principles generally accepted in the United States of America require plan investments to be valued at fair value as of the end of the

Plan year. Because it was not possible to obtain fair value measurements for the Plan investments from the custodian as of the years ended December 31, 2013 and 2012, I was unable to determine and evaluate the Plan's valuation methods and procedures and whether they are specified by accounting principles generally accepted in the United States. The effects on the financial statements and supplemental schedule of not applying adequate procedures to determine the fair value of these investments have not been determined.

Disclaimer of Opinion

Because of the significance of the information that I did not audit, I was unable to, and do not, express an opinion on the accompanying financial statements taken as a whole.

Independent Auditor's Report (Continued)

Other Matter - Supplementary Schedules

The supplemental schedules as of or for the year ended Decmber 31, 2013 and 2012 are required by the Department of Labor's (DOL) Rules and Regualtions for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion parargraph, I do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Custodian have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974.

SETTON PISTACHIO OF TERRA BELLA, INC.
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2013 AND 2012

Note 1: Description of Plan:

The following description of the Setton Pistachio of Terra Bella, Inc (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan, which was adopted on January 1, 1997, is a defined contribution plan covering all full time employees of the Company who have attained age eighteen, who have completed six months of service and are not a member of a collective bargaining unit. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA), as amended.

Contributions:

Each eligible employee may authorize a reduction of his or her annual gross compensation subject to the limitations as provided in the Internal Revenue Code and the Plan.

Company nondiscretionary matching contributions are equal to 50% of the employees contribution to a maximum of 6% of covered compensation.

Note 1: Description of Plan: (continued)

Participant accounts:

Participant's funds are kept in their own separate pre-tax and Company contribution accounts. Each participant's pre-tax account is credited with the participant's contribution and the Company matching contribution, if any, is credited to the participant's Company contribution account. Net investment gain or loss in each mutual fund is allocated to each particpant's account in proportion to account balances, as defined. Forfeitures of terminated participants' nonvested Company contribution accounts are used to reduce the Company's future contributions.

Vesting:

Participants are immediately vested in participants' contributions plus earnings thereon. a participant will be 100% vested in Company matching contributions after four years of credited service.

Payment of benefits:

On termination of service, death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. If the lump-sum value of a participant's benefit does not exceed $1,000, the Administrator may distribute the benefit in a lump-sum without a participant's consent as soon as administrativley feasable after a participant's termination of employment.

Loans to participants:

Participants may borrow from their account a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loan must be repaid with equal payments, not less than quarterly, within five years (unless the purpose of the loan is to purchase a principal residence). The loans must bear a reasonable interest rate and be adaquately secured. Principal and interest is paid ratably through payroll deductions. All loans are secured by the balance of the participant's account.

Note 1: Description of Plan: (continued)

Tax status:

The Company has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service stating that the prototype satisfies the applicable sections of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 2: Summary of Significant Accounting Policies:

Basis of accounting:

The plan prepares its financial statements on the accrual basis of accounting.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on the accrual basis. Dividends earned by the funds are included in the unit value and, accordingly, are included in net appreciation (depreciation) in fair value of investments which includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Benefits are recorded when paid.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles require the Plan Administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from from those estimates.

Note 2: Summary of Significant Accounting Policies:

Subsequent Events:

The Plan has evaluated events and transactions for potential recognition or disclosure through October 7, 2014 the date the financial statements were available to be issued.

Note 3: Plan Termination:

Although it has not expressed an interest to do so, the Company has the right under the Plan to change or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, amounts credited to the participant's accounts shall be fully vested and are nonforfeitable.

Note 4: Investments:

Participants direct the investment of amounts credited to their accounts among various funds having different investment objectives. Such funds are held by John Hancock Life Insurance Company ("John Hancock"), the trustee and custodian.

John Hancock has certified to the accuracy and completeness of investments and related income as reported in the accompanying financial statements and supplemental schedule. Refer to Schedule 2 for a detailed description of the investments.

Note 5: Fair Value Measurements:

Financial Accounting Standards Boards (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The following schedule sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013:

Mutual funds, including money market funds - Level 1:	$8,593,533
Participant's loans - Level 3:	$349,563

Note 6: Party-In-Interest Transactions:

The employer pays certain administrative expenses of the plan. Certain of the Plan's investments are mutual funds managed by an affiliate of the Plan's trustee.

Note 7: Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securites will occur in the near term and that such changes could materially affect participantss account balances and the amounts reported in the statement of net assets available for benefits.

Note 8: Internal Revenue Status:

The Plan is intended to be qualified under Section 401(a) of the Internal Revenue Code of 1986 (the "Code") and is intended to be exempt from taxation under Section 501 (a) of the Code. The Plan Administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The tax years ended December 31, 2010 through 2013 are still open for potential audit.
