NOTE 1 – DESCRIPTION OF PLAN

The following description of The Savings Plan for GHC Divisions (the Plan), formerly The Savings and Retirement Plan for Affiliated Post Companies, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

General

The Plan is a defined contribution plan permitting eligible employees of certain subsidiaries of Graham Holdings Company (Sponsor), formerly The Washington Post Company, including Avenue100 Media Solutions, Cable One, Inc., El Tiempo Latino LLC, Express Publications Company, LLC, Forney Corporation, Greater Washington Publishing, Post-Newsweek Media, Inc., The Slate Group LLC, and Social Code LLC (the Participating Companies) to participate upon hire. Eligible employees must affirmatively elect to participate in the Plan. Eligible employees who have completed 1,000 or more hours of service in a period of twelve consecutive months (Eligibility Year of Service) are eligible to receive a Company Matching Contribution.

On October 1, 2013, the Company completed the sale of most of its newspaper publishing businesses to Nash Holdings, LLC. The publishing businesses participating in this Plan included El Tiempo Latino LLC, Express Publications Company, LLC, Greater Washington Publishing, and Post-Newsweek Media, Inc. (collectively, the Publishing Entities). In connection with the sale, the accounts of the active employees of the Publishing Entities were transferred into the 401(k) Plan for The Washington Post and Companies which is a qualified defined contribution retirement plan sponsored by Nash Holdings, LLC and these employees no longer participated in this Plan.

On July 31, 2012, Graham Holdings Company divested its interest in Avenue 100 Media Solutions. The Savings Plan Committee will continue to administer the Plan and provisions applicable to Avenue 100 Media Solutions participants under the Plan. Employees' employment with Avenue 100 Media Solutions terminated on the date of the sale and consequently, participants were no longer eligible to make contributions to the Plan. Following termination, terminated participants are able to initiate a withdrawal of their entire account balance or maintain their account balance in the Plan pursuant to the provisions in the Plan document.

The Plan is administered by a Savings Plan Committee (the Plan Administrator), whose members are appointed by Graham Holdings Company's Board of Directors. Vanguard Fiduciary Trust Company (VFTC) is the Plan's trustee.

During 2013 and 2012, the Plan's Administrator adopted amendments to the Plan, which are not expected to affect the Plan's qualified status under ERISA. Substantially all of these

amendments and the restatement of the basic Plan provisions became effective in either 2013 or 2012.

All investments are participant directed. Upon enrollment in the Plan, a participant may direct employer contributions, if any, to any of the investment options. Employee contributions may be directed to any of the investment options except the Graham Holdings Company Stock Fund (formerly the Washington Post Stock Fund). Only employer contributions may be invested in the Graham Holdings Company Stock Fund.

In addition, contributions to the Berkshire Hathaway Stock Fund may not exceed 25% of a participant's own contributions or 25% of the employer contributions to a participant's account. Exchanges into the Berkshire Hathaway Stock Fund from any other fund(s) may be made only if the resulting investment in the Berkshire Hathaway Stock Fund immediately following the exchange is no more than 25% of the participant's total account balance.

Contributions

Each year, participants may contribute a percentage of pre-tax annual eligible compensation to the Plan at rates specified in the Plan. Effective in August 2013, highly compensated employees may contribute up to 12% of their pre-tax eligible compensation to the Plan. Prior to that date, highly compensated employees were limited to a 9% contribution of their pre-tax eligible compensation. The total pre-tax contribution, however, is subject to dollar limitations set forth by the Internal Revenue Code ($17,500 in 2013 and $17,000 in 2012). Participants may also contribute a percentage of after-tax annual eligible compensation to the Plan at rates established by the Plan Administrator. Effective with the first full payroll period on or after August 1, 2012, eligible participants in the Plan at all Participating Companies receive Company Matching Contributions equal to 100% of a participant's pre-tax and after-tax contributions up to 1% of their base salary. Prior to August 1, 2012, the Company Matching Contributions varied across the Plan by Participating Company. Additionally, the Participating Company may at its discretion contribute a supplemental contribution to the Plan. A participant's total pre-tax and after-tax contributions to the Plan are subject to dollar limitations set forth in the Internal Revenue Code (IRC). Contributions are remitted to a trust that is administered by VFTC.

Participant Accounts

Each participant's account is credited with his/her contributions, the Participating Company contributions, if any, and an allocation of investment earnings (losses). Allocations are based on participant earnings or account balances, as defined.

Vesting

Upon enrollment in the Plan, participants are fully vested at all times in all amounts held in their accounts.

Plan Expenses

The Participating Companies pay for some of the Plan's administrative expenses.

Payment of Benefits

A participant may withdraw at any time employee contributions that do not qualify for tax deferred treatment. Employee tax deferred contributions and certain related earnings may be withdrawn if, in the judgment of the Savings Plan Committee, a participant is suffering a serious financial hardship and other sources of funds are not available to the participant. Upon attainment of age 59½, a participant may withdraw his/her full account. There is no limit to the number of non-hardship withdrawals permitted during the Plan Year.

Accounts of terminated participants may be retained in the Plan until the participant reaches age 65. At age 65, the full account balance must be distributed. The terminated participant may request at any time prior to age 65 to receive a distribution of the total amount in his/her account. If a terminated participant with a deferred account dies prior to receiving the full value of the account, the account balance will be paid to the participant's beneficiary. Account balances of $5,000 or less may not be deferred and are subject to automatic rollover/automatic cash out.

Participants' accounts which are withdrawn upon termination of employment are payable by lump sum.

Plan Termination

Although none of them has expressed any intent to do so, each of the Participating Companies has the right to terminate its participation in the Plan at any time and the Sponsor has the right to terminate the Plan in its entirety at any time, subject to the provisions of ERISA. No such termination would deprive the affected participants of their right to receive the value of their accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

The following accounting policies, which conform with accounting principles generally accepted in the United States of America, have been used consistently in the preparation of the Plan's financial statements:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. The Graham Holdings Company Stock Fund and the Berkshire Hathaway Stock Fund are valued at their year-end unit-closing price (comprised of common stock at the year-end market price, plus an uninvested cash portion).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gains distributions are included in dividend income.

The Plan presents in the Statements of Changes in Net Assets Available for Benefits the net appreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation on those investments.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events

The Plan has performed an evaluation of subsequent events through September 29, 2014, which is the date the financial statements were available to be issued and has considered any relevant matters in the preparation of the financial statements and footnotes.

NOTE 3 – NET APPRECIATION IN FAIR VALUE OF INVESTMENTS

During 2013 and 2012, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated as follows:

	Year Ended December 31,	
	2013	2012
Registered investment companies	$ 20,902,865	$ 9,840,417
Common stock	2,708,432	564,394
	$ 23,611,297	$ 10,404,811

NOTE 4 – RELATED-PARTY TRANSACTIONS

The Plan's investments include shares of registered investment companies (mutual funds) managed by The Vanguard Group, Inc. Due to the relationship between VFTC as Plan Trustee and The Vanguard Group, Inc., investment transactions in registered investment companies managed by The Vanguard Group, Inc. qualify as party-in-interest transactions. Investments of the Plan in the Vanguard registered investment companies are exempt from the prohibited transaction rules of ERISA pursuant to a class exemption issued by the U.S. Department of Labor. In addition, the fees associated with the management of these registered investment companies by The Vanguard Group, Inc. are included in the net appreciation in fair value of investments.

The Plan's investments include shares of the common stock of Graham Holdings Company and Berkshire Hathaway, Inc. (Berkshire). Berkshire owns approximately 23% of the common stock of Graham Holdings Company. Graham Holdings Company and Berkshire Hathaway, Inc. therefore qualify as parties-in-interest. Because of the manner in which such transactions are effected, the Plan Administrator believes that investment transactions by the Plan in the stock of Berkshire and in the stock of Graham Holdings Company are not prohibited transactions.

On April 11, 2014, Graham Holdings Company entered into an exchange agreement with Berkshire Hathaway, Inc. that resulted in the exchange of approximately 1.6 million Class B shares of Graham Holdings Company held by Berkshire for (i) WPLG, a subsidiary of Graham Holdings Company, (ii) a number of Berkshire Class A and B shares held by Graham Holdings Company, and (iii) an amount of cash. The transaction was completed on June 30, 2014, from which date Berkshire no longer qualifies as a party-in-interest.

NOTE 5 – TAX STATUS

On November 16, 2011, the Internal Revenue Service made a favorable determination that the Plan, as then designed, was qualified under IRC Section 401(a). Such determination letter did not involve a review of the effect on the Plan of certain amendments adopted since that date. Although the Plan has been amended since submitting the application for the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator has concluded that as of December 31, 2013, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits for tax returns filed in the past three years by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, VFTC, the Plan Trustee, has certified the following information, which has not been subject to audit by independent auditors, to be accurate and complete:

- Investment balances included in the Statements of Net Assets Available for Benefits at December 31, 2013 and 2012.
- Interest and dividend income and net appreciation in fair value of investments for the years ended December 31, 2013 and 2012 included in the Statements of Changes in Net Assets Available for Benefits and in Note 3.
- Investment balances included in the accompanying Schedule of Assets (Held at End of Year).

NOTE 7 – FAIR VALUE MEASUREMENTS

A fair value measurement is determined based on the assumptions that a market participant would use in pricing an asset or liability, based on a three-tiered hierarchy that draws a distinction between market participant assumptions based on (i) observable inputs, such as quoted prices in active markets (Level 1); (ii) inputs other than quoted prices in active markets that are observable either directly or indirectly (Level 2); and (iii) unobservable inputs that require the Plan to use present value and other valuation techniques in the determination of fair value (Level 3). Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measure. The Plan's assessment of the significance of a particular input to fair value measurements requires judgment and may affect the valuation of the assets and liabilities being measured and their placement within the fair value hierarchy.

The Plan's financial assets measured at fair value on a recurring basis as of December 31, 2013 and 2012, were as follows:

	Fair Value Measurement			
	Fair Value at December 31, 2013	Quoted Prices in Active Markets for Identical Items (Level 1)	Fair Value at December 31, 2012	Quoted Prices in Active Markets for Identical Items (Level 1)
Assets:				
Mutual funds	$ 108,905,806	$ 108,905,806	$ 103,866,858	$ 103,866,858
Company stock funds	7,453,743	7,453,743	5,843,104	5,843,104
Total financial assets	$ 116,359,549	$ 116,359,549	$ 109,709,962	$ 109,709,962

For assets that are measured using quoted prices in active markets, the total fair value is the published market price per unit multiplied by the number of units held without consideration of transaction costs.
