Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

In accordance with accounting principles generally accepted in the United States of America, the Plan has used the liquidation basis in presenting the financial statements. Our disclaimer of opinion was not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS

July 31, 2013

NOTE A - DESCRIPTION OF PLAN

The following description of Buddy's Home Furnishings 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of its provisions.

1. General

The Plan was established February 17, 1999, as a defined contribution plan available to qualifying employees of Bi-Rite Company, Inc. ("Company"). Employee must have attained the age of 21 and have completed at least six months of service to be eligible to participate in the Plan. The Plan is in compliance with the Economic Growth and Tax Relief Reconciliation Act of 2001 and other legislative and regulatory changes. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The plan sponsor voted to terminate the Plan on October 8, 2012, and the final participant left the Plan in July 2013.

2. Administration

The Company is the Plan's sponsor and administrator. As the Plan administrator, the Company controls and manages the operation and administration of the Plan, except with respect to investments, which were managed by either Massachusetts Mutual Life Insurance Company ("MassMutual") or Hartford Life Insurance Company ("Hartford"), the designated custodians. Under the terms of the Plan, designated officers of the Company act as trustees.

3. Contributions

Contributions to the Plan were discontinued as of October 9, 2012 as a result of the Plan termination on October 8, 2012. Prior to the Plan termination, participants were permitted to make pretax and after tax contributions of their annual compensation, subject to the limits of the Internal Revenue Code. Participants, as well as all eligible employees even if age or service requirements were not met, could also contribute amounts representing distributions from other qualified plans or annuity contracts.

The Company could make discretionary non-elective and discretionary qualified non-elective contributions. No discretionary matching, discretionary non-elective or discretionary qualified non-elective contributions were made for the seven months ended July 31, 2013.

4. Participant Accounts

Each participant's account was credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan investment income (loss), and charged with an allocation of administrative fees. Allocation of administrative fees is based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN - Continued

5. Vesting

Prior to terminating the Plan, participants were immediately vested in their contributions, as well as any Company safe harbor matching and discretionary qualified non-elective contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching contributions, plus actual earnings thereon, is based on years of service. A participant was 100% vested in their discretionary Company matching contributions upon the completion of six years of credited service. Vesting in the Company's discretionary non-elective contributions, plus actual earnings thereon, was also based on years of service. Effective December 15, 2008, a participant is 100% vested in any allocated discretionary non-elective contributions, plus actual earnings thereon, upon the completion of six years of credit service.

One hundred percent vesting occurs, regardless of the number of years of service, when a participant reached normal retirement age (65), dies, or becomes totally and permanently disabled.

All participants became fully vested in the Plan as of October 8, 2012 due to the election to terminate the Plan.

6. Investment Options

A participant was able to direct contributions in any investment options offered by the custodian.

7. Payment of Benefits

Benefit payments are made in the form of a lump-sum distribution. Upon normal retirement, death, or becoming permanently disabled, Plan participants were entitled to 100% of their account balance. If employment was terminated for any reason other than those previously mentioned, the participant was only entitled to the vested portion of the employer contributions plus their employee contributions and earnings thereon. All participant accounts were disbursed from the Plan as of July 31, 2013.

8. Forfeitures

Prior to the Plan termination on October 8, 2012, any nonvested amounts remaining after the distribution of a terminated participant's vested account balance were forfeited. Forfeitures could be used to reduce the employer contributions and pay for Plan expenses. There were no forfeited nonvested amounts during the seven months ended July 31, 2013.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements follows:

1. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method under the liquidation basis of accounting.

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and/or the liquidation basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. Investment Valuation and Income Recognition

Mutual fund investments were valued at fair value and common/collective trusts were valued at the quoted value by the issuer (which approximates fair value). Fair value is determined by using closing quoted market prices, which represents the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. All investments were disbursed from the Plan as of July 31, 2013.

The Plan presents the net appreciation or depreciation in the fair value of its investments in the Statement of Changes in Net Assets Available for Benefits, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

4. Benefit Payments

Benefit payments are recorded when paid. All net assets available for benefits were disbursed from the Plan as of July 31, 2013.

5. Notes Receivable from Participants

Loans to participants were reported at their unpaid principal balances, plus any accrued interest. Participants were able to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account and the outstanding loans carried interest at 3.25%. Loan terms generally ranged from 1-5 years. Principal and interest was paid ratably through payroll deductions. Loan defaults were treated as deemed distributions and followed the reporting methods described in the Plan agreement. All loans to participants were settled during the seven months ended July 31, 2013.

NOTE C - FINANCIAL DATA CERTIFIED BY THE TRUSTEE (unaudited)

The investments of the Plan were held and administered by Massachusetts Mutual Life Insurance Company, during the seven months ended July 31, 2013 and by Hartford Life Insurance Company during the plan year ended December 31, 2012, (the "Trustees"). The Trustees have supplied the Plan administrator with certain information utilized in preparing the financial statements. The Plan administrator has obtained a certification from the Trustees certifying that the information provided by the Trustees is complete and accurate as of July 31, 2013 and 2012. In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected not to have this information audited by the Plan's independent certified public accountants.

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement and Disclosures*, establishes a framework for using fair value to measure assets and liabilities and defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) as opposed to the price that would be paid to acquire the asset or received to assume the liability (an entry price).

Under FASB ASC 820, a fair value measure should reflect the assumptions that market participants would use in pricing the asset or liability, including the assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on the sale or use of an asset and the risk of nonperformance. FASB ASC 820 requires disclosures that stratify the statement of net assets available for benefits amounts measured at fair value based on inputs the Plan used to derive fair value measurements. These strata include:

- Level 1 inputs, where the valuation is based on quoted market prices for identical assets or liabilities traded in active markets (which include exchanges and over-the-counter markets with sufficient volume),
- Level 2 inputs, where the valuation is based on quoted market prices for similar instruments traded in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market, and
- Level 3 inputs, where the valuation is generated from model-based techniques that use significant assumptions not observable in the market, but observable based on fund-specific data. These unobservable assumptions reflect estimates or assumptions that market participants would use in pricing the asset or liability. Valuation techniques typically include option pricing models, discounted cash flow models and similar techniques, but may also include the use of market prices of assets or liabilities that are not directly comparable to the subject asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques that are used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at July 31, 2013 and December 31, 2012:

Mutual funds: Valued at the net asset value of shares held by the Plan at year end. Investments in certain restricted mutual funds are valued at quoted market prices of the issuer.

Common/collective trust: Valued at the quoted market price of the issuer.

Buddy's Home Furnishings 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

July 31, 2013

NOTE E - FAIR VALUE MEASUREMENTS - Continued

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan was terminated on October 8, 2012 and the investments were distributed to participants through July 31, 2013. Due to the liquidation of the Plan, there are no investments measured at fair value on a recurring basis being held by the Plan at July 31, 2013.

The following table presents financial assets measured at fair value on a recurring basis as of December 31, 2012:

	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
Mutual funds				
Balanced funds	\$ 149,432	\$ 149,432	\$ -	\$ -
Growth funds	731,378	731,378	-	-
Fixed income funds	614,042	614,042	-	-
Value funds	55,913	55,913	-	-
Total mutual funds	<u>1,550,765</u>	<u>1,550,765</u>	<u>-</u>	<u>-</u>
Common/collective trust	<u>83,780</u>	<u>-</u>	<u>83,780</u>	<u>-</u>
Total	<u>\$1,634,545</u>	<u>\$1,550,765</u>	<u>\$ 83,780</u>	<u>\$ -</u>

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Fees paid to the custodian for investment management services amounted to \$1,089 for the year seven months ended July 31, 2013.

NOTE G - PLAN TERMINATION

The Stockholders of the Company, the Plan's Sponsor, approved to terminate the Plan effective October 8, 2012. Final distributions were determined based on all participants being 100% vested, and were made through the seven months ended July 31, 2013. In accordance with generally accepted accounting principles, the Plan used a liquidation basis of accounting to value plan assets from the ongoing plan basis to the liquidation basis for periods after October 8, 2012.

Buddy's Home Furnishings 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

July 31, 2013

NOTE H - TAX STATUS

The Plan has adopted a prototype plan. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and, even though the Plan has been amended and restated since receiving the opinion letter, the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 31, 2013 there are no uncertain positions taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for the years prior to 2010.

NOTE I - RECONCILIATION OF 2012 FORM 5500 TO 2012 FINANCIAL STATEMENTS

The following is a reconciliation of net assets available for benefits per Form 5500 to the financial statements at December 31, 2012:

Net assets available for benefits per Form 5500	\$1,782,200
Excess deferral payable	<u>(33,844)</u>
Net assets available for benefits per the financial statements	<u><u>\$1,748,356</u></u>

NOTE J - PARTICIPANT DISTRIBUTIONS

All plan participants have elected to have distributions as of July 31, 2013, and all participants had their vested balances paid to them.

NOTE K - SUBSEQUENT EVENTS

The Plan was terminated on October 8, 2012 and the final participant left the Plan in July 2013. The Plan's final Form 5500 will be issued for the period beginning January 1, 2013 and ending July 31, 2013 as a result of the Plan termination and liquidation.

The Plan's management has evaluated events and transactions occurring subsequent to July 31, 2013 as of October 3, 2014, which is the date the financial statements were available to be issued.

To the Plan Trustees
Buddy's Home Furnishings 401(k) Plan

We have conducted a DOL limited-scope audit of the financial statements of Buddy's Home Furnishings 401(k) Plan (the "Plan") for the seven months ended July 31, 2013 and have issued our report thereon dated October 3, 2014. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes C to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements taken as a whole. We did, however, audit the form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 19, 2014. Professional standards also require that we communicate to you the following information related to our audit:

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2013. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. However, there were no significant estimates included in the July 31, 2013 financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

The disclosure of the plan termination in Note G to the financial statements is particularly sensitive as it informs the financial statement users that the Plan was terminated effective October 8, 2012, the Plan has changed its basis of accounting from the ongoing plan basis to the liquidation basis for the period after October 8, 2012, and that the final distribution of Plan assets was made in July 2013.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There are no known uncorrected misstatements.

Disagreements with Management

For purpose of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of the audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 3, 2014.

Management Consultation with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of a professional relationship and our responses were not a condition to our retention.

Other Matters

This information is intended solely for the use of Plan Trustees and management of Buddy's Home Furnishings 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
