REPORT OF INDEPENDENT AUDITOR

To the Administrative Committee of the
Certified Folder Display Service, Inc. 401(k) Profit Sharing Plan
Vista, California

Report on Financial Statements

I was engaged to audit the financial statements of the Certified Folder Display Service, Inc. 401(k) Profit Sharing Plan ("the Plan") as of December 31, 2013 which comprise the statements of net assets available for benefits as of December 31, 2013 and the related statement of changes in net assets available for benefits for the year ended December 31, 2013 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer paragraph, however, I was not able to obtain sufficient audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note G to the financial statements, which was certified by State Street Bank and Trust, the trustee of the plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2013 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

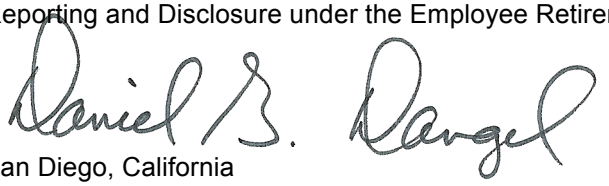

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets which is the responsibility of plan management, is presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with the DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Other Matter – 2012 Financial Statements

The financial statements of the Plan as of December 31, 2012, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by State Street Bank, the trustee of the Plan. Their report, dated October 4, 2013, indicated that (a) because of the significance of the information they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974

NOTE A - DESCRIPTION OF THE PLAN

The following description of Certified Folder Display Service, Inc. 401(k) Profit Sharing Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Certified Folder Display Service, Inc. (the Company) who have annual hours over 1000 and one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the provisions of Internal Revenue Code Section 401(k). The Plan is governed by the Company and its Board of Directors. The Plan document was amended and restated effective January 1, 2011.

Participation and Contributions: Each year, participants may contribute up to 20 percent of pretax annual compensation, as defined in the Plan. Participants may also roll over qualified distributions from other qualified plans. The Plan offers a number of mutual funds as investment option for participants and investments are self-directed. The Company contributes 30 percent of the first 4 percent of base compensation contributed by each participant measured each payday. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participant Accounts: Separate accounts are maintained within the Plan for each participant. These accounts are credited with different types of contributions as follows:

a. Participant Salary Deferral - this account is credited with the participant's salary deferral contributions, plus or minus any earnings and losses and reduced by any distributions;

b. Employer Match - this account is credited with any matching contributions made in accordance with the rules of the Plan, plus or minus any earnings and losses and reduced by any distributions and forfeitures; and

c. Rollover - this account is credited with any rollover contributions the participant made to the Plan, plus or minus any earnings and losses and reduced by any distributions.

d. Profit Sharing Contributions – this account is credited with the participant's portion of discretionary Company contributions plus or minus any earnings and losses and reduced by any distributions and forfeitures.

Participant Salary Deferrals: Under item a above, subject to eligibility, employees are able to defer portions of their salary in which they are fully vested. Deferrals are remitted to the plan shortly after the payroll date.

Employer Contributions: Discretionary Employer contributions to the Plan are allowed as in items b and d above. Such employer contributions are subject to vesting as set forth in the next paragraph.

NOTE A - DESCRIPTION OF THE PLAN, continued

Vesting: Participants are fully vested in salary deferral contributions and rollover accounts plus actual earnings on each. Participants are 33% vested for each year of credited service in the employer matching contribution portion of their account (if any) as well as any discretionary company contributions including actual earnings or losses thereon beginning their second year (and fully vested at the end of their third year).

Forfeitures: Forfeited balances of terminated participant's non-vested employer matching contribution accounts may be used to reduce future employer matching contributions or to pay for plan expenses. At December 31, 2013, there were no unallocated forfeiture funds on hand.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant whose account balance is $5,000 or more may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their accounts, or cash installments over a period determined by the participant or beneficiary.

Upon termination of service for other reasons, participant distributions are lump-sum

An account balance of less than $5,000 is distributed lump-sum.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions Receivable: Plan contributions are impounded by the payroll service company the day before payroll is distributed and remitted to the Plan within a few days of the date of the payroll. Such amounts are reflected as a receivable by the Plan on the payday. No allowance for uncollectible accounts is deemed necessary.

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements as well as the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Distributions to Participants: Distributions to participants reduce net assets when paid.

Operating Expenses: All expenses of maintaining the Plan are paid by the Plan sponsor at its discretion.

Concentrations: Periodically, the Plan has large balances on hand with its trustee in excess insured amounts. Additionally, substantially all of the investments of the plan are held by a single trustee. These concentrations have been considered by the Plan trustees and determined to be reasonable and without undue risk.

Investment Income Recognition: Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when received.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 - Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. None of the investments were valued using market quotes for identical assets. Level 2 inputs were available and used for the accounts managed by State Street, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 2 - Other Observable Inputs as to Fair Value - The fair value of managed separate accounts is based on quoted net asset values of the shares held by the Plan at year-end. The Stable Value fund value is based on the market value of the underlying debt investments.

Level 3 - Fair Value Measurements – This category would contain investments for which there are no observable or comparable measures. There are none at this time.

The following table provides further details of the fair value measurements.

Assets		
Investments at fair value	$ 5,697,338	5,196,485

Net investment income	$ 789,715	544,176

NOTE F – TAX STATUS

A favorable determination letter was received in 2008 on the volume submitter plan on which the Plan is based and currently operating.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2009.

NOTE G – RECONCILIATION TO FORM 5500

The financial statements are reconciled to Form 5500 as follows:

	Per Financial Statements	Per Form 5500	Differences
Net Assets at December 31, 2012	$ 5,255,699	5,255,699	-
Total contributions	305,458	314,412	(8,954)
Excess contributions payable	(8,954)	-	(8,954)
Adjustment to contract value for guaranteed fund	(3,080)	-	(3,080)
Net Assets at December 31, 2013	5,732,312	5,744,345	(12,033)

While both documents are prepared on the accrual basis of accounting, beginning in 2013, the financial statements reflect a liability at year-end for excess contributions for the year, which were disbursed after year-end. Additionally, the financial statements reflect an adjustment at December 31, 2013 that changes the investment value of the insurance contract from fair value to contract value.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investments securities all of which are fully participant-directed. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – PLAN TERMINATION

The Company anticipates that the Plan will continue without interruption but reserves the right to amend or discontinue the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the account of each participant shall be fully vested.

NOTE J – DATE OF MANAGEMENT'S REVIEW

Management has evaluated subsequent events through October 13, 2014, the date the financial statements were available to be issued.
