Independent Auditor's Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Community Action Agency of Columbiana County, Inc. Retirement Plan, which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information referred to in Note C, which was certified by American United Life Insurance Company (AUL), the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements referred to in the first paragraph.

Other Matters

As described in Note J, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The effects on the financial statements of the failure to include the annuity and custodial accounts in investments have not been determined. Further investment income and distributions related to such accounts were also excluded in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2013. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

The supplemental schedule of assets held for investment purposes is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

The financial statements of the Plan as of December 31, 2012, were audited by predecessor auditors. As permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by American United Life Insurance Company (AUL), the current custodian of the Plan, and Nationwide Financial Services, the former custodian of the Plan. Their report, dated October 10, 2013, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodians, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2013 financial statements and 2013 supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

COMMUNITY ACTION AGENCY OF COLUMBIANA COUNTY, INC. RETIREMENT PLAN

December 31, 2013 and 2012

NOTE A - DESCRIPTION OF PLAN

The following summary description of Community Action Agency of Columbiana County, Inc. Retirement Plan (Plan) is provided for general information purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution 403(b) retirement plan, which became effective March 1, 1993 for the purpose of providing retirement benefits to eligible employees, as defined in the Plan agreement. Employees of Community Action Agency of Columbiana County, Inc. (Company) are eligible to defer into the Plan on their date of employment. Eligibility to share in employer contributions is reached when an employee has attained age 21 and completed two years of employment. Employees working less than 20 hours per week and employees that participate in the 403(b) plan for union transportation employees are excluded. The Plan Committee along with investment advisors determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan agreement, subject to Internal Revenue Service limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other plans and IRAs. The employer may make a discretionary non-elective contribution allocated pro rata based on eligible employee compensation. No discretionary non-elective contributions were made in 2013 or 2012.

Investment Options:

Upon enrollment in the Plan, a participant may direct contributions into any of several investment funds. Participants may change their investment option allocations at any time.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided for the participant's vested account.

Vesting:

Participants are vested immediately in all employee and employer contributions, plus earnings thereon.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits:

A participant benefit upon retirement, death or termination is the value of the participant's account and is payable in a lump sum amount. Earlier distributions may be made from participant's contributions to the extent necessary to meet financial hardship. In service distributions are available at age 59 ½ from the vested portion of the participants' accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting.

Investment contracts are required to be reported at fair value. However, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts. There was no adjustment of the fully benefit-responsive investment contracts from fair value to contract value, since contract value is the same as fair value.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment custodian and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

December 31, 2013 and 2012

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits:

Benefits are recorded when paid.

Administration Expenses:

All expenses of the Plan are paid by the Plan sponsor, except for asset management fees and participant specific fees. Asset management fees are netted against Plan earnings.

Subsequent Events:

Management evaluated all activity of the Plan through October 10, 2014, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - INFORMATION CERTIFIED BY THE CUSTODIAN

In accordance with section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by American United Life Insurance Company, the custodian of the Plan. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The custodian has certified as to the completeness and accuracy of the investments it holds and changes in net assets arising from said investment activity as of December 31, 2013 and 2012, and for the year ended December 31, 2013, and the schedule of assets held for investment purposes as of December 31, 2013.

NOTE D - INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

The guaranteed account is valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer (see Note E). Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only. In determining the reasonableness of the methodology, the Investment Committee evaluates a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms (for example, duration or payout date) while others substantiated utilizing available market data (for example, swap curve rate).

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013:

RETIREMENT PLAN

December 31, 2013 and 2012

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2012, the Plan entered into a benefit-responsive investment contract with American United Life Insurance Company (AUL). AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by AUL. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note B, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2013 and 2012 was \$69,146 and \$62,894, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0% for the years ended December 31, 2013 and 2012. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemptions under ERISA. The plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

Included in Plan investments are shares of mutual funds managed by American United Life Insurance Company (AUL). AUL is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

NOTE G - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested and net assets of the Plan are to be distributed to participants on the basis of individual account balances at the date of termination.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

COMMUNITY ACTION AGENCY OF COLUMBIANA COUNTY, INC.
RETIREMENT PLAN

December 31, 2013 and 2012

NOTE I - INCOME TAX STATUS

The Plan is currently not required to report to the Internal Revenue Service for determination. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2013 and 2012, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for the years prior to 2010.

NOTE J - EXCLUDED ANNUITY CONTRACTS

The Plan has determined that certain annuity contracts and/or custodial accounts satisfy the terms and conditions of the Department of Labor's Field Assistance Bulletin No. 2009-02 (listed below) and as a result, these contracts and/or accounts have been excluded from the Plan's financial statements and the scope of the audit as of and for the years ended December 31, 2013 and 2012. These annuity contracts are individually titled to the owner of the annuity and not held in trust by the Plan. The Plan no longer contributes to them, and they are therefore deemed to have been distributed by the Plan.

- a. The contracts and/or accounts were issued to a current or former employee before January 1, 2009.
- b. The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact ceased making contributions to the contracts and/or accounts before January 1, 2009.
- c. All of the rights and benefits under the contracts and/or accounts are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the employer.
- d. The individual owners of the contracts are fully vested in the contracts and/or accounts.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
