Re: Required Communications between Marcum and Those Charged With Governance

In accordance with auditing standards generally accepted in the United States of America ("GAAS"), Marcum LLP ("Marcum" or the "Firm"), as auditors of U.S. Gas & Electric, Inc. 401(k) Plan (the "Plan"), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the "Those Charged with Governance"). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditor's Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated June 4, 2014 as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, we completed a limited-scope audit and the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company and John Hancock Life Insurance Company (U.S.A.), the trustees of the Plan, except for comparing such information with the related information included in the accompanying financial statements and the supplemental schedule of assets (held at end of year). We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certification from the trustees as of December 31, 2013 and 2012, and for the year ended December 31, 2013, that the information provided to the Plan administrator by the trustees is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Other Information in Documents Containing Audited Financial Statements

Our responsibility does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate any other information in documents containing our audit report. However, we are required to read the other information included in the Plan's Form 5500 as prescribed by AU-C 720 "Other Information in Documents Containing Audited Financial Statements" and to conclude whether there is any material inconsistency or material misstatement with the information presented in the Plan's financial statements. With respect to our audit of the Plan's financial statements, we are aware of no such material inconsistencies or material misstatements included in the other information contained in the documents with the audited financial statements.

3. Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you. We would be pleased to meet with you to further discuss any of the following matters at your request:

- The allocation of responsibilities between Those Charged With Governance and management.
- The Plan's objectives and strategies, and the related business risks that may result in material misstatements.
- Matters you have identified that warrant particular attention during the audit, and any areas where you request additional procedures to be undertaken.
- Significant communications with regulators.
- Other matters you believe are relevant to the audit of the financial statements.

- The attitudes, awareness, and actions of Those Charged With Governance concerning (a) the Plan's internal control and its importance in the Plan, including how Those Charged With Governance oversee the effectiveness of internal control and (b) the detection or the possibility of fraud.
- The actions of Those Charged With Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.
- The actions of Those Charged With Governance in response to previous communications with the auditor.

4. Qualitative Aspects of the Plan's Significant Accounting Policies

There are no specific matters that we believe should be communicated to you. However, we would be pleased to meet with you at your convenience to discuss your significant accounting policies. Since the primary responsibility for establishing the Plan's accounting principles rests with management, such a discussion should generally include the Plan's management as a participant.

5. Management Judgments and Significant Accounting Estimates

There were no significant estimates identified.

6. Financial Statement Disclosures

The most sensitive disclosures affecting the Plan's financial statement was Note 5: Fair Value Measurements.

The financial statement disclosures are neutral, consistent and clear.

7. Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

8. Corrected and Uncorrected Misstatements

There were no proposed adjustments during our audit engagement.

9. Disagreements with Management

There were no such disagreements.

10. Management Consultations with Other Accountants

To our knowledge, no such consultations were made by management.

11. Other Audit Findings or Issues

We noted an instance in which a participant's date of birth was improperly entered within Fidelity Investments online portal. This was brought to management's attention and promptly correctly processed by the payroll department upon notification by the Marcum.

12. Other Matters

We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves and no discrepancies were noted.

13. Fraud or violations of Laws and Regulations

There were no instances of fraud or violations of laws and regulations noted.

14. Independence

There are no matters that we gave significant consideration to in reaching our conclusion that our independence has not been impaired.

This report is intended solely for the information and use of the U.S. Gas & Electric, Inc. 401(k) Plan, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Marcum LLP

INDEPENDENT AUDITORS' REPORT

To the Trustees and Plan Administrator
U.S. Gas & Electric, Inc. 401(k) Plan
North Miami Beach, FL

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of U.S. Gas & Electric, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company and John Hancock Life Insurance Company (U.S.A.), the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Fidelity Management Trust Company held the Plan's investment assets and executed investment transactions from May 1, 2013 to December 31, 2013, and that John Hancock Life Insurance Company (U.S.A.) held the Plan's investment assets and executed investment transactions as of December 31, 2012, and for the period from January 1, 2013 to April 30, 2013.

The plan administrator has obtained certifications from the trustees as of December 31, 2013 and 2012, and for the year ended December 31, 2013, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2013 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

U.S. GAS & ELECTRIC, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2013

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the U.S. Gas & Electric, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan, which was established on January 1, 2009, is a defined contribution plan covering employees of U.S. Gas & Electric, Inc. (the “Employer,” the “Company,” or the “Plan Sponsor”) who have reached age 18 and on the first day of the quarter following the completion of six months of service, as defined in the Plan document. The Plan is subject to the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective May 1, 2013, the Plan changed its trustee from John Hancock Life Insurance Company (U.S.A.) to Fidelity Management Trust Company.

CONTRIBUTIONS

Participants under the Plan may elect to reduce their compensation by a specific percentage or dollar amount, subject to Internal Revenue Code (“IRC”) limitations, and have that amount contributed to the Plan on a pre-tax basis as an elective deferral. Participants who are 50 years of age or older may elect to defer additional amounts (called “catch-up contributions”) to the Plan for that year. These “catch-up contributions” are also subject to IRC limitations. In addition, participants may be permitted to deposit into the Plan distributions received from other plans and certain IRAs (“Rollover”).

In order to maintain “safe harbor” status, the Plan Sponsor will make matching contributions equal to three percent of each participant’s compensation. In addition, each year, the Plan Sponsor may make discretionary profit sharing contributions to the Plan. During the year ended December 31, 2013, there were no profit sharing contributions to the Plan.

Participants direct the investment of their contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, any Rollovers into the Plan, and an allocation of the Company’s contributions, if any, and Plan earnings or losses. Each participant’s account is reduced by any withdrawals or distributions and an allocation of investment gains/losses,

PARTICIPANT ACCOUNTS (CONTINUED)

appreciation/depreciation in value of investments and administrative fees paid by the Plan. Allocations are based on participant earnings or accounts balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately 100% vested in their elective deferrals, catch-up contributions, Rollovers, and safe harbor matching contributions. However, to be vested in non-elective and additional matching contributions made by the Plan Sponsor to the Plan, participants must be employed with the Plan Sponsor for a specified period of time.

A participant is 100% vested after six years of service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant must provide a minimum of 1,000 hours of service to complete a year of vesting service.

PAYMENT OF BENEFITS

Upon termination of service, death, disability or retirement, a participant or the named beneficiary may receive a distribution of the vested portion of the participant's account balance in the form of a single lump-sum payment in cash or in property.

FORFEITURES

Forfeitures of non-vested account balances may be used to pay administrative expenses or to offset the Plan Sponsor's discretionary matching contributions. During the year ended December 31, 2013, there were no forfeitures used to pay administrative expenses or to offset the Plan Sponsor's matching contributions. At December 31, 2013 and 2012, there were no available forfeitures to reduce future contributions.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2013

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The accompanying statements of net assets available for benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The accompanying statement of changes in net assets available for benefits is prepared using the contract value basis for fully benefit-responsive investment contracts.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PLAN EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2014, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEES

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company and John Hancock Life Insurance Company (U.S.A.), the trustees of the Plan’s investment assets, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2013 and 2012, the related investment activity reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2013, and the information reflected on the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2013.

NET CHANGE IN FAIR VALUE

During 2013, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$376,746, as follows:

Mutual Funds	\$ 243,648
Pooled Separate Accounts	<u>133,098</u>
	<u>\$ 376,746</u>

GUARANTEED INVESTMENT CONTRACT

The Plan invested in the John Hancock Stable Value Fund Collective Investment Trust (The "Fund"), which is a collective trust fund that invests in benefit-responsive investment contracts. The Fund primarily invests in stable value instruments and certain other fixed income or money market obligations or in a variety of collective investment vehicles which invest in such obligations. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

U.S. GAS & ELECTRIC, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2013

NOTE 4 – INVESTMENTS (CONTINUED)

Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract is fully benefit-responsive, and the contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

As of April 30, 2013 the Company no longer invested within the John Hancock Stable Value Fund Collective Investment Trust.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participant account balances and the amounts reported in the statement of net assets available for benefits. The Plan, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.

NOTE 5 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, Fair Value Measurements and Disclosures are described as follows:

LEVEL 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

U.S. GAS & ELECTRIC, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2013

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

LEVEL 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

Pooled Separate Accounts: Valued at the net asset value (“NAV”) of shares of a portfolio held by the Plan, as provided by John Hancock Life Insurance Company (U.S.A.), which reflects the fair value of the investments comprising the separate pooled funds.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan, including those held within individual self-directed brokerage accounts, are deemed to be actively traded.

Common Stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Common/Collective Trusts: Valued at the NAV of units of a bank collective trust, as provided by the trustee at year end.

U.S. GAS & ELECTRIC, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2013

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013 and 2012:

U.S. GAS & ELECTRIC, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2013

NOTE 6 – TAX STATUS

The Internal Revenue Service (“IRS”) has determined and informed the plan administrator by a letter dated July 11, 2011, that the Plan and related trust, as then designed, are in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to 2010.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

NOTE 8 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Through April 30, 2013, the Plan invested in pooled separate accounts and a common/collective trust that are managed by John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) was the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Re: Required Communications between Marcum and Those Charged With Governance

In accordance with auditing standards generally accepted in the United States of America ("GAAS"), Marcum LLP ("Marcum" or the "Firm"), as auditors of U.S. Gas & Electric, Inc. 401(k) Plan (the "Plan"), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the "Those Charged with Governance"). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditor's Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated June 4, 2014 as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, we completed a limited-scope audit and the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company and John Hancock Life Insurance Company (U.S.A.), the trustees of the Plan, except for comparing such information with the related information included in the accompanying financial statements and the supplemental schedule of assets (held at end of year). We have been informed by the Plan administrator that the trustees hold the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certification from the trustees as of December 31, 2013 and 2012, and for the year ended December 31, 2013, that the information provided to the Plan administrator by the trustees is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Other Information in Documents Containing Audited Financial Statements

Our responsibility does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate any other information in documents containing our audit report. However, we are required to read the other information included in the Plan's Form 5500 as prescribed by AU-C 720 "Other Information in Documents Containing Audited Financial Statements" and to conclude whether there is any material inconsistency or material misstatement with the information presented in the Plan's financial statements. With respect to our audit of the Plan's financial statements, we are aware of no such material inconsistencies or material misstatements included in the other information contained in the documents with the audited financial statements.

3. Planned Scope and Timing of the Audit

- The actions of Those Charged With Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.
- The actions of Those Charged With Governance in response to previous communications with the auditor.
