INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of **MedCentral Health System Employees' Retirement Plan**, which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statements of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note I, which was certified by MassMutual Retirement Services, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the custodian is complete and accurate.

MedCentral Health System
Employees' Retirement Plan
October 14, 2014

As described in Note B, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02. The investment income and distributions related to such accounts has also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Disclaimer of Opinion
Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter
We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held for Investment Purposes, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations
The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of **MedCentral Health System Employees' Retirement Plan**, which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statements of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note I, which was certified by MassMutual Retirement Services, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2013 and 2012, that the information provided to the plan administrator by the custodian is complete and accurate.

MedCentral Health System
Employees' Retirement Plan
October 14, 2014

As described in Note B, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02. The investment income and distributions related to such accounts has also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Disclaimer of Opinion
Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter
We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held for Investment Purposes, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations
The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013

NOTE A. DESCRIPTION OF PLAN

The following description of the **MedCentral Health System ("System") Employees' Retirement Plan ("Plan")** provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

1. **General.** The System established the Plan to provide employees with a systematic means of savings and investing for the future. All permissible employees of the System, as defined in accordance with the universal availability standards are eligible to enroll on their date of hire. Deferrals begin on the first day of the month subsequent to enrollment. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. **Plan Contributions.** Participants may contribute from 1% to 100% of their compensation as defined in the plan by means of payroll deductions, subject to certain discrimination tests prescribed by the Internal Revenue Code and other limitations specified in the Plan. The System matches 50% of employee contributions of 3% to 6% of compensation after one year of service. All employee contributions are funded on a biweekly basis (at the time of each payroll). Employer contributions are funded on an annual basis. Prior to 2013, employer contributions were funded on a biweekly basis.

3. **Participant Accounts.** Each participant's account is credited with the participant's contribution and allocations of System contributions and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. **Investment Options.** Upon enrollment in the Plan, participants may direct the investment of their contributions and the System's contributions into various investment contracts and annuity options offered by the Plan.

5. **Vesting.** Participants are immediately 100% vested in their voluntary contributions, System matching contributions and actual earnings thereon.

NOTE A. DESCRIPTION OF PLAN (continued)

6. **Distributions.** On termination of service due to death, disability, retirement, resignation or dismissal, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in installments over a period not to exceed the assumed life expectancy of the participant. Participants may also request an in-service distribution of their deferral account upon attainment of age 59 ½. In addition, participants may request an in-service distribution of their account balance to satisfy a financial hardship.

7. **Notes Receivable from Participants.** Participants may borrow from their account balances with interest charged at a rate equal to the "prime rate" plus 2%, which remains in effect for the duration of the loan. Loan terms range from one to five years or up to 20 years for the purchase of a primary residence. The minimum loan is $1,000 and the maximum loan is the lesser of $50,000 less the highest outstanding loan balance during the one year period prior to the new loan application date, or 50% of the participant's deferral contribution and rollover account balance. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably by the participant no less frequently than quarterly. Participants may only take out one loan during any 12 month period and may only have one loan outstanding at any time. As of December 31, 2013 and 2012, the Plan had notes receivable from participants with principal balances totaling $575,684 and $609,240, respectively.

8. **Participant Investment Rollovers**. Participants are allowed to transfer or rollover funds into the Plan from other qualified or 403(b) plans.

9. **Forfeitures.** Forfeitures are used to reduce employer contributions.

NOTE B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America, except for distributions paid to participants which are prepared on the cash basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

NOTE B. SUMMARY OF ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the investment in unallocated insurance contracts, which are valued at contract value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Excluded Contracts and Accounts

The plan administrator has elected to exclude certain contracts and accounts from plan assets in accordance with DOL FAB 2009-02 due to the fact that:

- The contracts or accounts were issued to a current or former employee before January 1, 2009;
- The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact stopped making contributions to the contracts or accounts before January 1, 2009;
- All rights under the contracts or accounts are legally enforceable against the insurer or custodian by the individual owner of the contracts or accounts without any involvement by the employer; and
- The individual owner of the contracts is fully vested in the contracts or accounts.

Notes Receivable from Participants

In accordance with FASB ASC 962-310-45-2, participant loans are treated as notes receivable from participants rather than as investments. As such, the notes are recorded at their unpaid principal balance plus any accrued unpaid interest.

Notes receivable from participants which have defaulted are treated as deemed distributions of participant loans and removed from net assets available for benefits.

NOTE C. INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The investment in unallocated insurance contracts are guaranteed return fixed annuity contracts that provide an annual interest guarantee (4.00% in 2013 and 2012), based on the investment yield realized on The Hartford Life Insurance Company's General Account. The contract guarantees an interest rate for the guarantee period and a minimum rate for the following guarantee period. The Hartford Life Insurance Company may limit the amount distributed from the contract in any year the distribution would exceed 1/6 of the amount invested in the contract. Participants are also limited in the ability to transfer the funds from the contracts to the money market investment option.

NOTE D. PLAN TERMINATION

Although it has not expressed any intent to do so, the System has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, participants will become 100 percent vested in their accounts.

NOTE E. PARTY IN INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. At December 31, 2012, $48,602,881 of the investments of the Plan are in unallocated insurance contracts from The Hartford Life Insurance Company, a subsidiary of the Hartford Financial Services Group. The Hartford Financial Services Group was the Plan custodian in 2012 and, therefore, these investments qualify as party-in-interest investments. Also at December 31, 2012, $29,233,944 of the investments of the Plan are shares of mutual funds sponsored by The Hartford Financial Services Group.

The balance of a loan to a party in interest was $21,056 and $28,875 at December 31, 2013 and 2012, respectively. This loan was made in accordance with the provisions in the plan for loans applicable to all participants as described in note A.

NOTE F. PARTICIPANT CONTRIBUTIONS

Participant contributions for the year ended December 31, 2013 include rollover contributions totaling $833,209.

NOTE G. ADMINISTRATION COSTS

The employer sponsoring this Plan has chosen to absorb some of the administration costs associated with this Plan.

NOTE H. TAX STATUS

403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007. The plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

In 2013, the Plan filed a request for a compliance statement from the Internal Revenue Service under the Voluntary Correction Program of the Employee Plans Compliance Resolution System regarding the voluntary correction of operational failures relating to matching contributions, eligibility and section 402(g) excess contributions. The Plan has received and signed a compliance statement for these corrections in October 2014 wherein the Internal Revenue Service has accepted the Plan's correction of the errors.

The Plan's evaluation on December 31, 2013 revealed no tax positions that would have a material impact on the financial statements. The 2010 through 2013 tax years remain subject to examination by the IRS. The Plan does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

NOTE I. CERTIFIED INFORMATION

The following information was certified as complete and accurate by MassMutual Retirement Services as of and for the years ended December 31, 2013 and 2012:

1. Investments
2. Net appreciation (depreciation) in fair value of investments
3. Participant contributions
4. Benefit payments to participants
5. Notes receivable from participants

NOTE J. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE K. INVESTMENTS

The fair market values of individual assets that represent 5 percent or more of the Plan's net assets as of December 31, 2013 and 2012 are as follows:

	2013	2012
Investments at Estimated Fair Value:		
Hartford Group Variable Annuity Contract #750004	$ 50,725,596	$ 46,557,621
Hartford Capital Appreciation HLS Investment Option	12,458,628	9,575,278
Other	53,401,189	43,950,368
	$ 116,585,413	**$ 100,083,267**

During 2013, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value by $13,641,979 as follows:

Investments at Estimated Fair Value:	
Mutual Funds Held in Pooled Separate Account	**$ 13,641,979**

All of the above investments are in participant directed accounts at December 31, 2013 and 2012.

NOTE L. NET ASSETS AVAILABLE FOR BENEFITS

Net assets available for benefits at December 31, 2013 and 2012 include approximately $7,7500,000 and $6,200,000, respectively, allocated to the accounts of participants who terminated employment with MedCentral Health System prior to that date. The balances are payable to the former participants on demand.

NOTE M. PLAN AMENDMENTS

Effective January 1, 2013, the Plan was amended to remove the time restriction on deferrals on cash pay outs. The amendment also changed the effective date of any matching percentage changes due to service to the first day of the first pay period next following the first day of the plan year. In addition, participants must now be employed on the last day of the plan year in order to receive an employer contribution except in the case of retirement, death, disability or elimination of position. Plan amendments also clarified the treatment of rehired employees for plan purposes.

NOTE N. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

		Fair Value Measurements Using	
	Fair Value	Observable Inputs Level 2	Significant Unobservable Inputs Level 3
December 31, 2013			
Mutual Funds Held in Pooled Separate Accounts	$ 63,844,924	$ 63,844,924	$ 0
Fixed Account Contract with Insurance Company	52,740,489	0	52,740,489
Total	**$ 116,585,413**	**$ 63,844,924**	**$ 52,740,489**
December 31, 2012			
Mutual Funds Held in Pooled Separate Accounts	$ 51,480,386	$ 51,480,386	$ 0
Fixed Account Contract with Insurance Company	48,602,881	0	48,602,881
Total	**$ 100,083,267**	**$ 51,480,386**	**$ 48,602,881**

NOTE N. FAIR VALUE MEASUREMENTS (continued)

FASB ASC 820, Fair Value Measurements and Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used to value Plan assets that had observable inputs other than Level 1 inputs, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 2 Fair Value Measurements

The mutual fund investments held in the pooled separate account are valued at their "unit value" (UV). The separate account is valued daily as the number of units held multiplied by the UV. The UV is first established when a new fund starts (typically the beginning UV is $1.00) and is then determined daily based on the net asset value of shares of the underlying fund, the fund's dividends and the contract's separate account charges. Since the UV is determined based on a combination of the fund NAV and the separate account charges, the level 2 classification is used.

The categories of investments in the pooled separate accounts are as follows:

	2013	2012
Money Market/Stable Fund	$ 326,345	$ 422,589
Bond Fund	5,917,519	6,439,045
Asset Allocation/Balanced Fund	10,193,549	8,139,179
Large-Cap Fund	31,566,842	24,712,645
Mid-Cap Fund	5,933,529	4,255,101
Small-Cap Fund	2,062,405	1,294,747
International/Global Fund	4,603,629	3,611,874
Specialty Fund	3,241,106	2,605,206
Total Mutual Funds Held in Pooled Separate Account	**$ 63,844,924**	**$ 51,480,386**

There are no restrictions on the redemption of the funds.

NOTE N. FAIR VALUE MEASUREMENTS (continued)

Level 3 Fair Value Measurements

The fixed account contracts with an insurance company are not actively traded and significant other observable inputs are not available. Thus, the fair value of the fixed account contracts are determined by discounting the related cash flows based on current yields of similar instruments with comparable durations. The following table provides further details of the Level 3 fair value measurements.

	Fixed Account Contracts
Beginning Balance	$ 48,602,881
Total Gains or Losses (Realized and Unrealized) Included in Changes in Net Assets Available For Benefits	1,995,781
Purchases, Sales, Issuances, and Settlements, Net	2,141,827
Total Change in Market Value Adjustment Included on Statement of Net Assets Available For Benefits	0
Ending Balance	**$ 52,740,489**

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2013 are reported in interest income.

NOTE O. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2014, the date the financial statements were available to be issued.

Effective March 1, 2014, OhioHealth Corporation became the sole corporate member of the System. At the time the financial statements were available to be issued, the effect of this change in the sponsor on the Plan has not been determined.
