Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Western Reserve Academy Retirement Plan for Faculty and Staff (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Bases for Disclaimer of Opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Bases for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Teachers Insurance & Annuity Association-College Retirement Equities Fund ("TIAA-CREF"), the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the custodian as of December 31, 2013 and 2012, and for the year ended December 31, 2013, that the information provided to the plan administrator by the custodian is complete and accurate.

In addition, because of inadequacies in the Plan's records for the periods prior to January 1, 2009, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2013 and 2012, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year ended December 31, 2013.

Disclaimer of Opinion

Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2013 on page 11, which is the responsibility of plan management, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, it is inappropriate to and we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

WESTERN RESERVE ACADEMY RETIREMENT PLAN
FOR FACULTY AND STAFF

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the Western Reserve Academy Retirement Plan for Faculty and Staff (the "Plan"). Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Participation

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code covering all qualified employees of Western Reserve Academy (the "Academy"), established as of January 1, 1967. Employees are eligible to participate in the Plan and make elective deferrals on the first day of the month following employment. Employees become eligible for contributions from the Academy as described below upon completion of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Participants may elect to make contributions of their eligible earnings on a "pre-tax" basis subject to certain limitations of the Plan and the Internal Revenue Code. The Plan also provides for the investment of qualified rollover contributions and catch-up contributions for participants age 50 or older. The Academy will make contributions to the Plan in the amount of 11.5% of the eligible participant's base compensation.

Participants' Accounts

Teachers Insurance & Annuity Association-College Retirement Equities Fund ("TIAA-CREF"), the custodian of the Plan, maintains an individual account for each participant. These accounts are credited with participants' contributions, the Academy's contributions and related earnings, and charged with an allocation of any administrative expenses. Allocations are based on participant earnings on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participant loans are not permitted by the Plan.

Vesting

Participants are at all times vested in all contributions and earnings thereon.

Payment of Benefits

Participants may only elect to commence distribution of their account upon attainment of Normal Retirement Age, currently 59½.

Termination Provisions

The Academy anticipates and believes that the Plan will continue indefinitely; however, the Academy reserves the right to terminate the Plan at any time by an action of its Board of Trustees subject to the provisions of ERISA. In the event of termination of the Plan, the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Academy has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

Subsequent Events

The Plan has evaluated subsequent events through August 20, 2014, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The following is a description of the valuation methodologies used for plan assets measured at fair value:

Investment in the guaranteed insurance contract is comprised of TIAA Traditional Annuity contracts. TIAA Traditional Annuity account balances are reported at estimated fair value as determined by TIAA-CREF based upon the individual purchases and sales of individual contracts and the correlation between the contracts' crediting rate with the highest quality debt security yields, adjusted for contract liquidity. These are considered to be Level 3 inputs.

The pooled separate account is a fund invested in TIAA Real Estate, whose value is principally derived from the market value appraisals of the underlying real estate holdings or other real estate-related investments. The TIAA general account provides this real estate fund with a liquidity guarantee to ensure there are funds to meet participant redemption, transfer or cash withdrawal requests. These are considered to be Level 2 inputs.

Note 2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Included in registered investment companies are CREF funds and TIAA Access funds that are not available for sale on any securities exchange but whose underlying investments consist of equity securities and fixed income instruments. Investments in the CREF funds and TIAA Access funds are classified as Level 2.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid by the Plan

Administrative Expenses

All administrative fees of the Plan are paid by the Academy or the Plan at the option of the Academy.

To discourage short-term trading and help protect the long-term value of certain funds, a redemption fee will be charged equal to 2% of money transferred out of certain funds less than 60 days following initial purchase date. Redemption fees imposed on these funds are paid by the affected participants.

Reclassification

Certain amounts in the prior year financial statements have been reclassified to conform with current year presentation.

Note 3. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. Fair value is defined as the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

The methods described in Note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in methodologies used from 2012 to 2013. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified to the completeness and accuracy of all investments reflected in the statements of net assets available for benefits at December 31, 2013 and 2012, the supplemental schedule at December 31, 2013, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2013 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

The following information represents 5% or more of the Plan's net assets at December 31:

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Unaudited Information (Continued)

Changes in net assets not audited include the following for the year ended December 31, 2013:

Interest and dividends	\$ 59,565
Net appreciation in fair value of investments:	
Guaranteed insurance contract	207,807
Pooled separate account	64,422
Registered investment companies	<u>2,685,204</u>
	<u>\$ 3,016,998</u>

Note 5. Guaranteed Insurance Contract

The Plan holds investments in an unallocated insurance contract (the guaranteed insurance contract). These investments contain provisions that could be construed as placing restrictions on the availability of funds and, therefore, are included in the financial statements at estimated fair value because they are not fully benefit responsive. The principal investments underlying the guaranteed insurance contract are high-quality fixed income instruments, principally corporate and government bonds and asset backed securities.

Note 6. Income Tax Status

Although the Internal Revenue Service has yet to establish a process through which the plan administrator could apply and request a determination as to the tax qualified status of the Plan, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements. As of December 31, 2013, the Plan's tax years from 2010 and thereafter remain subject to examination by the Internal Revenue Service, as well as various other taxing authorities.

Note 7. Party-in-Interest Transactions

The Plan's assets are held in a guaranteed insurance contract, a pooled separate account and registered investment companies managed by TIAA-CREF. TIAA-CREF is the Plan custodian, therefore, the transactions within the investments qualify as party-in-interest transactions.

Note 8. Risks and Uncertainties

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
