CW RESOURCES, INC.
HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2013 and 2012

NOTE 1 - Description of the Plan

The following description of the CW Resources, Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

The Plan and Trust were established January 1, 2010 to provide health and other benefits to eligible participants. The sponsoring employer, CW Resources, Inc., has agreed in writing to be bound by the terms and conditions of the Trust Agreement establishing the Plan. The Plan is an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides medical, dental, vision, prescription drug coverage, supplemental accident, health care reimbursement arrangement (HRA), and dismissal wage/unemployment benefits for eligible participants and their dependents. The Plan provides many of these benefits on a self-funded basis and through 3rd party vendors. The Plan also carries a stop-loss insurance policy which covers aggregate claims in excess of the deductibles as specified in the contract.

Certain Employees may opt out of the Plan and have their contribution allocated to CW Resources Inc. Retirement Plan, Annuity Fund and Pre-paid Legal Plan Services. In 2013 and 2012, employees will receive $358.58 per month for the retirement fund, $56.33 per month for the annuity fund, $16.63 per month for the training fund and $13.95 per month for the pre-paid legal plan services.

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan Sponsor or Plan Administrator to the other at least 60 days, but not more than 90 days, prior to the anniversary date of effective coverage under this Plan.

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and terminate the Plan subject to the provisions set forth in ERISA

NOTE 2 - Summary of Significant Accounting Policies

Accounting Method

The accounts of the Plan are maintained on an accrual basis of accounting for financial reporting purposes.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported, eligibility credits, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and equivalents

Cash equivalents include money market funds used in general operations.

Concentration of credit risk for cash:
For business purposes, the Plan maintains cash balances at a bank which, at times, may exceed federally insured limits.

Employer Contributions

Employer contributions are recognized as income in the month the employees worked.

Benefits

Benefits expense is recorded when paid. Hours worked through December provide participants with benefits eligibility through December.

Contributions Receivable

Employer contributions due but not paid at year-end are recorded as contributions receivable. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Benefit Claims Payable

The obligation for benefit claims payable is an estimate for self-funded benefits incurred on or prior to December 31, but paid after December 31. The estimate was calculated based on a review of actual claims paid subsequent to year-end with incurred and received dates of December 31, and prior.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Benefit Claims Incurred, But Not Reported

The obligation for benefit claims incurred, but not reported is an estimate for self-funded benefits incurred on or prior to December 31, but reported and paid by the Plan after December 31. The estimate was calculated using available claims experience data and projected future claims.

Subsequent Events

In preparing the financial statements as of December 31, 2013, management considered the impact of subsequent events occurring through September 17, 2014, the date the financial statements were available to be issued, for potential recognition or disclosure in these financial statements.

NOTE 3 - Excess Loss Indemnity Policy

Certain benefits may be provided under the terms of an Excess Loss Indemnity Policy written by Gerber Life Insurance for the policy periods ending January 31, 2014 and 2013. The policy contains an aggregate loss provision. When the total aggregate claims paid on behalf of all eligible participants or dependents exceed a specified amount, the insurance carrier will reimburse the Plan 100% of the excess up to a maximum aggregate amount of $1,000,000.

NOTE 4 - Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes, and is currently subject to income tax on its net investment income. The Trustees believe that the Trust does not have any net taxable income for the tax years ended December 31, 2013 or 2012 and, therefore, no tax liability is reflected in these financial statements.

NOTE 5 - Dismissal Wage/Unemployment Benefit (DUB)

The Plan provides dismissal wage/unemployment benefits to eligible participants upon termination of employment. A participant's account balance is determined by employer contributions (based on employee's classes), interest income, an allocation of forfeitures and an administrative expense charge.

NOTE 6 - Money Market Accounts

Money market accounts that individually represent 5% or more of the Plan net assets available for benefits as of the end of the year are as follows:

	2013	2012
United American Bank	$ 241,059	$ 240,246
Bay Commercial Bank	101,967	101,256

In accordance with Accounting Standards Codification (ASC) 820 Fair Value Measurements and Disclosures, the Fund categorizes its financial instruments recorded at fair value into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Level 2 represents financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. The Plan's money market accounts and certificate of deposit accounts are considered level 2 investments.

NOTE 7 - Related Party Transactions

FCE Benefit Administrators, Inc. receives commissions and reimbursement of administrative fees from one of the Plan's insurance carriers of approximately $6,896 and $12,249 for the years ended December 31, 2013 and 2012, respectively. The insurance commissions and fees are paid by the insurance company and are not an expense of the Plan.
