INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Sport Clips Game Plan

Report on the Financial Statements

We have audited the accompanying financial statements of The Sport Clips Game Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Sport Clips Game Plan as of December 31, 2013 and 2012, and the changes in net assets available for benefits for the year ended December 31, 2013 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H, line 4j - Schedule of Reportable Transactions, as listed in the accompanying table of contents, are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

THE SPORT CLIPS GAME PLAN
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2013

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Sports Clip Game Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General:
The Plan is a defined contribution plan covering substantially all employees of Sport Clips, Inc. (the Sponsor) who are 20 years of age or older and have completed 1,000 hours of service in a period of 12 consecutive months. Non-resident alien employees, leased employees, and union employees are excluded from the Plan. The Plan's enrollment dates for existing employees are January 1 or July 1 after satisfying the eligibility requirements. The Retirement Plan Committee of the Board of Directors of the Sponsor controls and manages the operation and administration of the Plan and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions:
An employee electing to participate in the Plan may contribute up to 100% of their eligible compensation on a pre-tax and/or after tax basis up to the maximum allowed by the Internal Revenue Code. The Plan also provides for a default contribution election in the amount of 3% in the absence of an affirmative decision not to participate. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions.

The Sponsor has adopted the Safe Harbor matching contribution in which the employer will match each eligible participant's contribution in the amount equal to 100% of the first 3% of compensation contributed by the participant and 50% of the next 2% of compensation contributed by the participant. The Sponsor may make discretionary contributions; however, none were made in 2013.

Participant accounts:
Each participant's account is credited with the participant's contributions, Sponsor contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:
Participants are immediately vested in their contributions plus earnings thereon, and on the Sponsor's Safe Harbor match contributions. Any discretionary employer contributions are vested over a six year period, beginning after the second year of service and adding an additional 20% for each year following.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Notes receivable from participants:
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Loan repayments are made through payroll deductions, and each payment, which includes interest, is credited to the participant's loan account.

Payment of benefits:
Under the terms of the Plan, participants are eligible for benefit payments upon the later of age 65, or age 55 and the participant's sixth anniversary of joining the Plan. The Plan also provides for distributions to participants, or their beneficiaries, upon death, disability and termination of employment. A participant or their beneficiary will receive a lump-sum distribution.

If upon termination of employment a participant's balance is $5,000 or less, the Sponsor will automatically distribute the participant's vested balance.

Forfeitures:
At December 31, 2013 and 2012, forfeited non-vested accounts totaled $0 and $552, respectively. These accounts will be used to pay administrative expenses and/or reduce future Sponsor contributions. Forfeitures used during the years ended December 31, 2013 and 2012 amounted to $1,664 and $0, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:
The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and cash equivalents:
The Plan considers all highly liquid debt instruments and short-term investments purchased with an original maturity of three months or less to be cash equivalents.

Use of estimates:
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment valuation and income recognition:
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants:
Notes receivable for participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2013 and 2012. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits:
Benefits are recorded when paid.

Administrative expenses:
Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events:
The Plan's management has evaluated subsequent events through October 14, 2014, the date on which the financials were available to be issued.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Sponsor contributions.

NOTE 4 - TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter; the Sponsor and the plan administrator believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - INVESTMENTS

Investments representing 5% or more of the Plan's net assets at December 31, 2013 and their comparable balances as of the end of the prior year are as follows:

	2013	2012
Investments:		
American Funds Money Market R2	$ 886,063	$ 1,535,134
Amer Target 2010 R2	332,562	524,463
American Balanced Fund	679,462	537,302
Munder Index 500 A	446,837	120,642
Investments that individually represent less than 5% of net assets available for benefits	1,909,307	923,227
Total investments	$ 4,254,231	$ 3,640,768

NOTE 6 - INVESTMENTS - CONTINUED

During the year ended December 31, 2013, the Plan's investment in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $372,976 and earned dividends of $70,208.

NOTE 7 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2013 and 2012.

NOTE 7- FAIR VALUE MEASUREMENTS - CONTINUED

Cash and cash equivalents: The interest-bearing cash account is issued by Dyatech LLC, the custodian. Due to the nature of the interest-bearing cash account, there are no specific underlying assets assigned. Fair value of the interest-bearing cash account represents the amount that would be received if amounts were withdrawn at the reporting date.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013:

	Level 1
Money market	$ 886,063
Mutual funds:	
Allocation funds	679,462
Blended funds	638,418
