INDEPENDENT AUDITORS' REPORT

October 14, 2014

To the Plan Administrator of the
Empire Recycling Corporation
Employees' Deferred Savings and Profit Sharing Plan

Report on the Financial Statements

We have audited the accompanying financial statements of Empire Recycling Corporation Employees' Deferred Savings and Profit Sharing Plan, which comprise the statements of net assets available for benefits as of December 31, 2013, 2012 and 2011, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Empire Recycling Corporation Employees' Deferred Savings and Profit Sharing Plan as of December 31, 2013, 2012 and 2011, and the changes in its net assets available for benefits for the years then ended in accordance with U.S. generally accepted accounting principles.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held At End Of Year), referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 - Description of Plan:

The following description of the Empire Recycling Corporation ("Company") Employees' Deferred Savings and Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. During 2011 a defined contribution 401(k) plan of a related party (Nathan Steel, Inc.) with assets of $320,000 merged into this Plan.

A. General - The Plan is a defined contribution plan covering all qualified employees of the Company (and several of its affiliates) who have completed three months of service and have attained age twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

B. Contributions - Participants may contribute up to 75% of their compensation to a maximum of $17,500 for the 2013 Plan year. Participants age 50 or over may contribute an additional "catch-up" contribution of up to $5,500. The Company contributes a non-elective 1% contribution of eligible wages. The Company also has the option to make matching and/or profit sharing contributions, however, the Company currently elected not to make any optional contributions.

Nathan Steel employees receive a matching contribution of one-half of the employee deferral up to maximum of 4% (2% employer).

C. Participant Accounts - Each participant's separate account is credited with the participant's contribution, their share of Company contributions and earnings thereon. Participants' direct investment of their account into investments selected by the Plan's Administrator. Upon an account reaching a predetermined amount, participants can direct their investment into an individual managed account.

D. Vesting - Participants are immediately 100% vested in their contributions, their share of the Company's 1% non-elective contribution and earnings thereon. Employer matching and profit sharing contributions, and earnings thereon, are vested 20% per year starting after the employee completes two years of service and are 100% vested after six years of service (Six year graded schedule). A participant is also 100% vested upon reaching normal retirement age, or in the event of death or disability.

NOTE 1 - Description of Plan (Continued):

E. Payment of Benefits - Payment of benefits will begin as soon as administratively feasible following the date on which the distribution is requested or otherwise payable. Participants will receive a lump sum distribution unless they elect to receive distributions in the form of an annuity.

F. Participant Loans

Participants may borrow a minimum of $1,000 up to a maximum of one-half of their vested accounts (not to exceed $50,000). Repayments are to the participant's account and the loans carry an interest rate of prime plus 1% fixed at the loan date.

G. Inactive Accounts

Accounts of participants who have withdrawn from participation in the Plan, but for whom distribution from the Plan has not been made, approximate $60,155 at December 31, 2013.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (See Note 3). Changes in fair value are included in the change in net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. Notes Receivable from Participants

Loans to participants are reported at their outstanding balance plus any accrued interest.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

E. Payments of Benefits

Benefits are recorded when paid.

F. Administrative Expenses

Administrative expenses of the Plan are paid by the Company.

Investment fees are paid by the Plan, by direct charge to the individual accounts.

G. Subsequent Events

The Company did not have any subsequent events through October 14, 2014 (the date the financial statements were available) requiring recording or disclosure in the financial statements for the year ended December 31, 2013.

NOTE 3 - Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy consists of three broad levels as listed below:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of observable inputs other than quoted prices for the identical assets.
- Level 3 inputs consist of unobservable inputs and should be used only when Level 1 and Level 2 inputs are unavailable. Level 3 inputs have the lowest priority.

The Plan measures Fair Value using the highest level input available because they generally provide the most reliable evidence of Fair Value. Level 3 inputs were only used when level 1 and 2 inputs were not available.

Level 1 - Fair Value Measurement

The Fair Value of Mutual Funds are based on quoted net asset values of the shares held by the Plan at year-end. The Fair Value of Common Stocks, U.S. Government Securities, Corporate Debt (U.S. and Foreign) obligations and money market funds are based on quoted prices.

Level 2 - Fair Value Measurement

The Common/Collection Trust at amortized cost.

FINANCIAL STATEMENTS

DECEMBER 31, 2013

FITZGERALD, DEPIETRO & WOJNAS CPAS, P.C.
CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

October 14, 2014

To the Plan Administrator of the
Empire Recycling Corporation
Employees' Deferred Savings and Profit Sharing Plan

Report on the Financial Statements

We have audited the accompanying financial statements of Empire Recycling Corporation Employees' Deferred Savings and Profit Sharing Plan, which comprise the statements of net assets available for benefits as of December 31, 2013, 2012 and 2011, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Empire Recycling Corporation Employees' Deferred Savings and Profit Sharing Plan as of December 31, 2013, 2012 and 2011, and the changes in its net assets available for benefits for the years then ended in accordance with U.S. generally accepted accounting principles.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held At End Of Year), referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 - Description of Plan:

The following description of the Empire Recycling Corporation ("Company") Employees' Deferred Savings and Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. During 2011 a defined contribution 401(k) plan of a related party (Nathan Steel, Inc.) with assets of $320,000 merged into this Plan.

A. General - The Plan is a defined contribution plan covering all qualified employees of the Company (and several of its affiliates) who have completed three months of service and have attained age twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

B. Contributions - Participants may contribute up to 75% of their compensation to a maximum of $17,500 for the 2013 Plan year. Participants age 50 or over may contribute an additional "catch-up" contribution of up to $5,500. The Company contributes a non-elective 1% contribution of eligible wages. The Company also has the option to make matching and/or profit sharing contributions, however, the Company currently elected not to make any optional contributions.

Nathan Steel employees receive a matching contribution of one-half of the employee deferral up to maximum of 4% (2% employer).

C. Participant Accounts - Each participant's separate account is credited with the participant's contribution, their share of Company contributions and earnings thereon. Participants' direct investment of their account into investments selected by the Plan's Administrator. Upon an account reaching a predetermined amount, participants can direct their investment into an individual managed account.

D. Vesting - Participants are immediately 100% vested in their contributions, their share of the Company's 1% non-elective contribution and earnings thereon. Employer matching and profit sharing contributions, and earnings thereon, are vested 20% per year starting after the employee completes two years of service and are 100% vested after six years of service (Six year graded schedule). A participant is also 100% vested upon reaching normal retirement age, or in the event of death or disability.

NOTE 1 - Description of Plan (Continued):

E. Payment of Benefits - Payment of benefits will begin as soon as administratively feasible following the date on which the distribution is requested or otherwise payable. Participants will receive a lump sum distribution unless they elect to receive distributions in the form of an annuity.

F. Participant Loans

Participants may borrow a minimum of $1,000 up to a maximum of one-half of their vested accounts (not to exceed $50,000). Repayments are to the participant's account and the loans carry an interest rate of prime plus 1% fixed at the loan date.

G. Inactive Accounts

Accounts of participants who have withdrawn from participation in the Plan, but for whom distribution from the Plan has not been made, approximate $60,155 at December 31, 2013.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (See Note 3). Changes in fair value are included in the change in net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. Notes Receivable from Participants

Loans to participants are reported at their outstanding balance plus any accrued interest.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

E. Payments of Benefits

Benefits are recorded when paid.

F. Administrative Expenses

Administrative expenses of the Plan are paid by the Company.

Investment fees are paid by the Plan, by direct charge to the individual accounts.

G. Subsequent Events

The Company did not have any subsequent events through October 14, 2014 (the date the financial statements were available) requiring recording or disclosure in the financial statements for the year ended December 31, 2013.

NOTE 3 - Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy consists of three broad levels as listed below:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of observable inputs other than quoted prices for the identical assets.
- Level 3 inputs consist of unobservable inputs and should be used only when Level 1 and Level 2 inputs are unavailable. Level 3 inputs have the lowest priority.

The Plan measures Fair Value using the highest level input available because they generally provide the most reliable evidence of Fair Value. Level 3 inputs were only used when level 1 and 2 inputs were not available.

Level 1 - Fair Value Measurement

The Fair Value of Mutual Funds are based on quoted net asset values of the shares held by the Plan at year-end. The Fair Value of Common Stocks, U.S. Government Securities, Corporate Debt (U.S. and Foreign) obligations and money market funds are based on quoted prices.

Level 2 - Fair Value Measurement

The Common/Collection Trust at amortized cost.

NOTE 3 - Fair Value Measurement (Continued):
