Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with U.S. generally accepted auditing standards. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2013 and 2012, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule, Schedule H, line 4i, is required by the DOL's Rules and Regulations for reporting and Disclosure under the ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Houston Country Club 401(k) Plan

Notes to Financial Statements

December 31, 2013

Note 1 - Description of the Plan and Summary of Significant Accounting Policies

The following description of the Houston Country Club 401(k) Plan (the "Plan"), provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

General

The Plan commenced and was made effective on January 1, 1999 and was last amended June 24, 2013. The Plan is a defined contribution plan pursuant to the Sections 401(a) and 401(k) of the Internal Revenue Code (the "IRC"). The Plan covers all full-time and part-time employees of the Houston Country Club (the "Club"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Plan trustee

Fidelity Management Trust Company ("Fidelity" or "Trustee") is the Plan trustee.

Eligibility and contributions

The Plan's eligibility requirement allows participation upon one year of service and obtaining the age of 21. Effective June 24, 2013, only obtaining the age of 21 is required.

Participants can voluntarily contribute up to 60% of their eligible compensation (i.e., salary reduction) to the Plan up to the maximum limit allowed by the IRC regulations. Participants may also rollover amounts representing distributions from other qualified plans.

The Club adopted the Safe Harbor Provision of the IRC. The Club contributes and allocates to each eligible participant's account a safe harbor matching contribution equal to 100% of elective salary deferrals up to the first 4% of compensation. The Club may also make discretionary profit sharing contributions as described in the *Plan Document*. Discretionary profit sharing contributions for the years ended December 31, 2013 and 2012 were \$334,035 and \$341,406, respectively. Also included in the Club contributions for the year ended 2012 and Club contributions receivable as of December 31, 2013 and 2012, are approximately \$112,000 of corrective contributions for certain operational errors. The amount recorded does not include lost earnings as the timing of the contributions is unknown at this time. The Club has filed a voluntary correction program submission with the Internal Revenue Service ("IRS") which is currently pending approval.

Participant accounts

Each participant's account is credited with the participant's contribution, an allocation of the Club's contribution, Plan earnings and losses and administrative expenses. Allocations are based on participant compensation and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes to Financial Statements

December 31, 2013

Note 1 - Description of the Plan and Summary of Significant Accounting Policies (Continued)Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the participant's highest outstanding note balance during the prior twelve-month period. Participants may have only one note outstanding at a time.

Participant notes are secured by the participant's account balance, and bear interest at a reasonable rate of interest which shall remain fixed throughout the duration of the note. All notes require that repayment be amortized in level payments, not less than quarterly, over a period not extending beyond five years from the date of the note or ten years for notes to acquire a principal residence.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions, based upon terms of the *Plan Document*, upon liquidation of their account balance.

Vesting

Participants are 100% vested at all times in their voluntary contributions and Club safe harbor matching contributions. A participant's interest in the discretionary contributions the Club makes to the Plan becomes 100% vested upon attaining the Plan's normal retirement age or if employment is terminated due to death or disability. If employment is terminated prior to normal retirement age for any reason other than death or disability, the participant's interest in Club discretionary profit sharing contributions become vested in accordance with specific vesting schedules based on years of service as follows:

<u>Years of Employment</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years	100%

Forfeitures

Upon termination of service, a participant's vested balance will be distributed to the participant or directly rolled into other qualified plans depending on the status of the original contribution and participant direction. The unvested amount is forfeited and maintained in an account by the Trustee. The Plan provides that nonvested portions of Club contributions are forfeited by terminated participants and may be (i) reallocated to the remaining participants, (ii) applied to reasonable expenses of administering the Plan, or (iii) applied to any subsequent contributions made by the Club. Forfeitures of \$15,932 and \$15,264 were used to offset the employer match contribution in 2013 and 2012, respectively. As of December 31, 2013 and 2012, forfeited nonvested accounts totaled \$5,267 and \$15,042, respectively.

Houston Country Club 401(k) Plan

Notes to Financial Statements

December 31, 2013

Note 1 - Description of the Plan and Summary of Significant Accounting Policies (Continued)Payment of benefits

Participants are eligible for distributions of their vested account balances upon the event of death, disability, retirement, termination of employment, or the attainment of age 59 1/2. If the value of the participant's account balance is less than \$1,000, the payment will be made in cash in a single lump sum. A participant may elect to receive either a lump-sum payment or installment payments equal to the value of the participant's vested interest in his or her account, or a life annuity as specified in the *Plan Document*. Any taxable distribution paid directly to the participant will be subject to mandatory federal income tax withholding of 20% of the requested distribution.

Basis of accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("GAAP").

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 2 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Unrealized appreciation or depreciation in the fair value of investments held at year end is determined using the fair value at the beginning of the year or the purchase price if the investment is acquired during the year. The realized gain or loss on the sale of investments is determined using historical cost. Upon the sale of an investment, the current year unrealized appreciation or depreciation is adjusted for unrealized gains and losses recognized in prior years. Unrealized appreciation or depreciation and realized gains and losses are reported as net appreciation or depreciation in fair value of investments in the statements of changes in net assets available for benefits.

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ materially from those estimates.

Administrative expenses

Certain expenses of the Plan are paid by the Club directly or through employer contributions. Transaction-related fees are paid by participants.

Houston Country Club 401(k) Plan

Notes to Financial Statements

December 31, 2013

Note 1 - Description of the Plan and Summary of Significant Accounting Policies (Continued)Benefit payments

Benefit payments to participants are recorded upon distribution.

Plan termination

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become fully vested and the net assets of the Plan are to be distributed to participants in accordance with priorities established in the Plan.

Risks and uncertainties

Financial instruments which potentially subject the Plan to credit risk include investments in a money market fund, mutual funds and a common/collective trust. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements. Plan participants bear the risk of any Plan investment losses.

Note 2 - Fair Value Measurements

The Plan uses a three-level hierarchy in accordance with the fair value standard which establishes a hierarchy for grouping assets and liabilities, based on the significance of inputs. The hierarchy of fair value measurements is described below:

- Level 1 - quoted prices in active markets for identical assets or liabilities;
- Level 2 - inputs other than level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of these assets or liabilities; or
- Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Money market fund and mutual funds - These investments are valued daily at the net asset value of shares or units held by the Plan based on the quoted market value of the underlying assets.

Houston Country Club 401(k) Plan

Notes to Financial Statements

December 31, 2013

Note 2 - Fair Value Measurements (Continued)

- Common/collective trust - This investment is valued daily at the net asset value of shares or units held by the Plan based on quoted market prices of the underlying securities as provided by Fidelity. The underlying securities are comprised of domestic and foreign fixed income securities. The investment strategy of the common/collective trust is to preserve capital as well as provide a competitive level of income over time consistent with the preservation of the capital. The common/collective trust is fully benefit-responsive and is therefore stated at fair value with an adjustment to contract value. Withdrawals are at contract value. However, withdrawals prompted by the Club, including termination or partial termination of the Plan, may be paid at fair value, which may be less than contract value or subject to a contract charge or penalty. Redemptions to accommodate a participant-directed exchange to another investment option may be made daily provided that the exchange is not directed to a competing fund. Transferred amounts must be held in a non-competing investment option 90 days before subsequent transfers to a competing fund can occur. Redemptions directed by the Club must be preceded by twelve months written notice to Fidelity. Fidelity may defer completing any redemption if doing so immediately adversely affects the common/collective trust. Payments would be available as quickly as cash flows and prudent portfolio management permits. This investment has no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the valuation methods are considered appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments measured at fair value as of December 31, 2013 are as follows:

Note 3 - Tax Status

The volume submitter plan adopted by the Club received its latest favorable advisory letter dated March 31, 2008, in which the Internal Revenue Service ("IRS") stated that the plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the advisory letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and was tax-exempt as of December 31, 2013 and 2012. Therefore, no provision for income taxes has been recorded.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.
