We have audited the accompanying financial statements of Fluor Puerto Rico Hourly Employees Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2013 and 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2013, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the 2013 Financial Statements

Our responsibility is to express an opinion on the 2013 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2013 financial statements.

Auditors' Responsibility for the 2012 Financial Statements

Our responsibility is to express an opinion on the 2012 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter discussed in the Basis for Disclaimer of Opinion on the 2012 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2012 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended, the investment assets held by Scotiabank of Puerto Rico, the co-trustee of the Plan, and transactions in those assets were excluded from the scope of our audit of the Plan's 2012 financial statements, except for comparing the information provided by the co-trustee, which is summarized in Notes 3 and 4, with the related information included in the financial statements.

Disclaimer of Opinion on the 2012 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2012 Financial Statements paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2012 financial statements.

Opinion on the 2013 Financial Statements

In our opinion, the financial statements referred to in the first paragraph of Fluor Puerto Rico Hourly Employees Retirement Plan, as of December 31, 2013, and for the year then ended, present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2013, and the changes in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit of the financial statements as of and for the year ended December 31, 2013, was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held for Investment Purposes, referred to as "supplemental information", is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
