## INDEPENDENT AUDITORS' REPORT

The Administrative Committee of
CUSTOM BILT HOLDINGS
Profit Sharing 401(K) Plan
Chino, California

**Report on the Financial Statements**

We have audited the accompanying financial statements Custom Bilt Holdings Profit Sharing 401(k) Plan, which comprise the statements as the years ended December 31, 2013 and 2012, and for the year ended December 31, 2013, as listed in the accompanying index, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

**Basis for Qualified Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by State Street Bank and Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2013 and 2012, and for the year then ended December 31, 2013 at the information provided to the plan administrator by the trustee is complete and accurate.

**Qualified Opinion**

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial status of Custom Bilt Holdings Profit Sharing 401(k) Plan as of December 31, 2013 and 2012, and the changes in its financial status for the year ended December 31, 2013, in accordance with accounting principles generally accepted in the United States of America.

**Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the accompanying index, together referred to as "Supplemental Information," are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the effects on the [identify schedules] of the matter described in the Basis for Qualified Opinion paragraph, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012

Note 1 - DESCRIPTION OF PLAN

The following description of the Custom-Bilt Holdings (the "Company") Profit Sharing 401(K) Plan (the "Plan") provided only general information. Readers should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a Defined Contribution Plan covering all permanent employees of the Company who have completed one year of employment. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of the Company may choose to enroll in the Plan after they meet the eligibility requirements and have completed at least 1,000 hours of service in a consecutive twelve-month period with the Company.

Tax Status
The Internal Revenue Service (IRS) has determined and informed the Plan's administrator, Automated Data Processing Retirement Services (ADP), by a letter dated November 6, 2001, that by using ADP non-standardized prototype plan, the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Amounts contributed by the Company, Plan participants and Plan earnings are not taxable to the participants until distributed and no provision for income taxes has been included in the plan's financial statements.

Contributions
Each year, participants may contribute up to 15% of pretax annual compensation, as defined in the Plan. Participant regular contributions were limited to $17,500 and $17,000 for 2013 and 2012, respectively. Participants may also contribute/transfer amounts representing distributions from other qualified plans into the Plan upon meeting the Plan eligibility requirements. The Company may also make discretionary profit sharing contributions, determined annually. No discretionary contributions were elected to be made for the years ending December 31, 2013. All prior and future employer contributions were/are to be invested in the same manner that a participant directs his/her investments.

Participant Accounts
Each participant's account is credited with (a) the participant's contribution, (b) the Company's contribution, (c) Plan earnings and charged with (a) forfeitures of terminated participants' non-vested accounts and (b) an allocation of administrative expenses. Earnings, net of investment fees charged by the Trustee, are allocated by funds based on the ratio of a participant's account invested in a particular fund, to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

**PROFIT SHARING 401(K) PLAN**
NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012

Note 1 - DESCRIPTION OF PLAN (CONT'D)

Vesting
Participants are immediately vested in their individual contributions plus actual earnings thereon. Participants are vested in the allocation of the Company's contributions, based on years of service. A participant becomes 10% vested after each of the first and second years of service. Participants then vest 20% each year thereafter and are 100% vested after the sixth year of service. Participants become 100% vested upon death or disability.

Payment of Benefits
On termination of employment by the Company, a participant will receive a lump-sum distribution equal to the value of the participant's vested interest in his/her account, less applicable income tax withholding, or the participant may elect a direct rollover into a different qualified plan. Effective March 28, 2005, the Plan was amended to lower the provision for non-elective distributions for terminated participants from $5,000 to $1,000. A participant may withdraw elective contributions while still employed if he/she has attained the age of 59 ½ or has incurred an immediate financial hardship. Financial hardship withdrawals are subject to certain limitations. Income tax penalties may apply to withdrawals or distributions prior to age 59 ½. Benefits and recorded when paid.

Notes Receivable - Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the individual participant's account and bear interest at rates at 4.25%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratable through bi-weekly payroll deductions. The Plan's management determined that there was not allowance for loan loss necessary, based on historical data.

Administrative Expenses
The Company has elected, during 2013 and in prior years to pay certain administrative costs of maintaining the Plan. Such costs include, but are not limited to, legal and accounting fees, investment advisor fees and trust and custodial fees. The Company is not obligated to pay these costs in the future and may at its discretion, elect to have the Plan pay these costs.

Plan Termination
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS
December 31, 2013 and 2012

Note 1 - DESCRIPTION OF PLAN (CONT'D)

Forfeited Accounts
Forfeited amounts from the terminated participants' unvested account balances may be used to first pay administrative costs of the Plan, with any remaining amount of forfeiture allocated to participants as additional employer discretionary contributions, on an annual basis. During 2013, forfeited non-vested accounts from profit sharing contributions totaled $351.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements are prepared using the accrual method of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair market value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend basis. Market volatility of equity based investments can be expected to substantially impact the value of such investments at any given time.

Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at the end of the year.

Risks and uncertainties
The Plan invests in various investment securities. Investment securities and exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the valued of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefit.

December 31, 2013 and 2012

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

New accounting Pronouncements

In April 2009, the FASB issued FSP 157-4, *Determining Fair Value When the Volume and Level of Activity for the Asset or Liability Have Significantly Decreased and Identifying Transactions That Are Not Orderly* . FSP 157-4 superseded FSP 157-3 and, while emphasizing that the objective of fair value measurement described in SFAS No. 157 remains unchanged, provided additional guidance on estimating fair value when the volume and level of activity for an asset or liability have significantly decreased in relation to normal market activity for the asset or liability. FSP 157-4 also provided additional guidance on circumstances that may indicate that a transaction is not orderly, and on defining major categories of debt and equity securities in meeting the disclosure requirements of SFAS No. 157. FSP 157-4 is effective for reporting periods ending after June 15, 2009.

In September 2010, the FASB Emerging Issues Task Force issued ASU No. 2010-25: *Reporting Loans to Participants by Defined Contribution Pension Plans.* The ASU amendments apply to any defined contribution pension plan that allows participant loans. The amendments in this ASU require that (1) for reporting purposes, participant loans shall be classified as notes receivable from participants, and not as investments, (2) notes receivable should be segregated from plan investments, (3) participant loans shall be measured at their unpaid principal balance plus any accrued and unpaid interest, and (4) the fair value disclosures required for investments under ASC Topic 825-10-50-10 through 50-16, *Financial Instruments*, are not required for participant loans. The amendments in this update are effective for fiscal years ending after December 15, 2010.

Note 3 - TRANSMITTAL OF CONTRIBUTIONS

The Plan conforms to regulations requiring that employee contributions to the Plan be credited to the participants' accounts no later than the 15th business day of the month following the month in which the participants' contributions are withheld from the employee pay or the earliest date that the cash designated for employee contributions can be identified. During 2013, the Plan remitted a total of 31,925 in excess of 10 days following the employee check date. For these 11 transactions, the Plan did not comply with the requirements for timely remittal of contributions.

Investments at Fair Value as Determined by Quoted Market Price:

| | 2013 | 2012 |

| T. Rowe Price Retirement 2040 | 184,776 | 148,997 |

| | |
|---|---|
| Value of interest in common/collective trusts | $ 38,661 |
| Registered investment companies (mutual funds) | 192,723 |
| Net increase in fair value | $ 231,384 |

Note 5 - FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, establishes a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its assets and liabilities into Level 1 (securities values using quoted market prices from active markets for identical assets), Level 2 (securities not traded on an active market for which observable market inputs are readily available), and Level 3 (securities valued based on no significant observable inputs). Investments are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following is a description of the valuation methodologies and inputs used for assets and liabilities measured at fair value, as well as the general classification pursuant to the valuation hierarchy.

Note 5 - FAIR VALUE MEASUREMENTS (CONT'D)

*Mutual Funds*
Shares of mutual funds are valued based on quoted market prices of the fund in active markets and classified within Level 1 of the hierarchy.

*Stable Value Collective Funds*
The stable value collective funds is stated at fair value and then adjusted to contract value. Fair value of the SVCF is measured as the net asset value (NAV) per unit based on the fair value of the underlying investments (primarily guaranteed investment contracts and synthetic investment contracts), and contract value is the principle plus accrued interest. The investments in SVCF are classified within Level 3 of the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date. The following table summarizes the valuation of financial instruments measured at fair value on a recurring basis in the financial statements at December 31, 2013 and 2012.

Note 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

All information included in the accompanying financial statements and supplementary schedule were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee. Assets held at December 31, 2013, certified by the Trustee as listed in the accompanying Schedule of Assets Held at December 31, 2013.

The Trustee also certified, to the best of their knowledge, the completeness of accuracy of $68,989 of interest and dividends; $229,087 in net realized and unrealized net gains; and $187,613 in net distributions from the Plan during the year ended December 31, 2013.

Note 7 - RELATED PARTY TRANSACTIONS

The Plan's sponsor absorbs the Plan's auditing fees and substantially all third-party plan administrator fees. These costs are not material to the Plan.

Note 8 - ERISA BOND REQUIREMENT

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets, and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the plan year or $500,000. As of and for the year ended December 31, 2013, the Plan was in compliance with its bonding requirement.

Note 9 - RISKS AND UNCERTAINTIES

The Plan maintains its cash and investment accounts in uninsured accounts held by the Trustee. The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - SUBSEQUENT EVENTS

Subsequent events were evaluated through October 15, 2014, which is the date that the financial statements were available to be issued.
