We are providing this letter in connection with your audit of the financial statements and supplemental schedule of Dynapower Company LLC Collective Bargaining Unit of VT (the "plan"), which comprise the statement of net assets available for benefits as of December 31, 2013, and the related statement of changes in net assets available for benefits for the year then ended.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, the trustee, in accordance with the DOL Regulation 2520.103-5 other than comparing such information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and schedule taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

Financial Statements

We confirm, to the best of our knowledge and belief, the following representations made to you during your audit.

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 10, 2014, including our responsibility for the preparation and fair presentation of the financial statements.
2. We are responsible for the fair presentation of the plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America (US GAAP) and for the fair presentation of the accompanying supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The financial statements and related footnotes are fairly presented in conformity with US GAAP and the notes include all disclosures required by laws and regulations to which the plan is subject.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, and to prevent and detect fraud.

4. The following have been properly recorded or disclosed in the financial statements, if applicable:
 - a. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of US GAAP and ERISA Section 3(14) and regulations thereunder.
 - b. Guarantees whether written or oral under which the plan is contingently liable to a bank or other lending institution in accordance with US GAAP.
 - c. All significant assumptions used in making accounting estimates and material concentrations known to management that are to be disclosed in accordance with US GAAP. We understand that the significant estimates covered by this disclosure are estimates at the date of the statement of net assets available for benefits that are reasonably possible of changing materially within the next year. Concentrations refer to the nature and type of investments held by the plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.
5. No events have occurred subsequent to the date of the plan's financial statements and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.
6. There are no -
 - a. Violations or possible violations of laws or regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
 - b. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed.
 - c. Transactions that have not been properly recorded in the accounting records underlying the financial statements.
 - d. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
 - e. Pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with accounting for contingencies under US GAAP, that we are not aware of, and the plan has not consulted a lawyer concerning litigation, claims, or assessments.
7. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
8. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
9. The plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the appropriate requirements of the Internal Revenue Code (IRC). The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the plan was qualified and the related trust was tax-exempt as of the financial statement date.
