INDEPENDENT AUDITORS' REPORT

Plan Administrator and Participants
Yonkers Industries, Inc. 401(k) Plan

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of Yonkers Industries, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for plan benefits - modified cash basis as of January 31, 2014 and December 31, 2013, and the related statement of changes in net assets available for plan benefits - modified cash basis for the month ended January 31, 2014, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. Except as explained in the Basis for Disclaimer of Opinion on the 2013 Financial Statements paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the statements of net assets available for plan benefits as of January 31, 2014 and the related statement of changes in net assets available for plan benefits for the month ended January 31, 2014.

Basis for Disclaimer of Opinion on the 2013 Financial Statements
As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), investment assets held by Ascensus, the recordkeeper of the Plan, as agent for Frontier Trust Company, the trustee of the plan, and transactions in those assets were excluded from the scope of our audit of Yonkers Industries, Inc. 401(k) Plan's 2013 financial statements, except for comparing the information provided by the trustee, which is summarized in Note 5, with the related information included in the financial statements.

Disclaimer of Opinion on the 2013 Financial Statements
Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2013 Financial Statements paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2013 financial statements. Accordingly, we do not express an opinion on these financial statements.

Opinion
In our opinion, the financial statements, referred to above, of Yonkers Industries, Inc. 401(k) Plan, as of January 31, 2014, and for the month then ended, present fairly, in all material respects, the net assets available for plan benefits of Yonkers Industries, Inc. 401(k) Plan as of January 31, 2014, and the changes in the changes in net assets available for plan benefits for the month then ended in accordance with the modified cash basis of accounting.

Emphasis of Matter – Plan Termination
As further discussed in Note 9, the plan terminated and all assets were transferred into the Foster Wheeler, Inc. 401(k) Plan.

Basis of Accounting
We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

1. DESCRIPTION OF PLAN

The following description of the Yonkers Industries, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General - The Plan is a defined contribution plan established January 1, 1987. The Plan is designed to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of Yonkers Industries, Inc. (the "Company" and "Plan Sponsor") who are 20 years of age and have completed three months of service are eligible to participate in the Plan. Effective December 31, 2012, all of the outstanding shares of stock of Yonkers Industries, Inc. were acquired by Foster Wheeler AG.
b. Contributions - Each year, participants may contribute from 1% to 50% of their pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants may contribute after tax dollars known as Roth 401(k) deferrals. The Company may make a discretionary profit sharing contribution to the Plan. All participants who have completed 1,000 hours of service and are employed on the last day of the plan year unless terminated during the year due to disability, death or attainment of normal retirement age share in this contribution. The Company makes a discretionary matching contribution of one-half of the first 6% of eligible compensation deferred upon. Participants direct the investment of all contributions made on their behalf into various investment options offered by the Plan. The Plan currently offers one common collective trust fund and various mutual funds as investment options for participants. Contributions are subject to annual limits established by the Internal Revenue Service.
c. Participant accounts - Each participant's account is credited with (1) participant's contribution, and (2) allocations of (a) Plan earnings, (b) administrative expenses and (c) employer discretionary contributions. Allocations are based on participant's plan compensation or participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
d. Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting of the Company's contribution portion of their accounts is based on the following schedule:

Prior to December 1, 2007:

Years of Service	Vesting Percentage
Less than two	0%
2	20%
3	40%
4	60%
5	80%
Six or more	100%

Effective December 1, 2007:

Less than one	0%
1	20%
2	40%
3	60%
4	80%
Five or more	100%

1. DESCRIPTION OF PLAN (Continued)

d. Vesting (Continued)
Participants will automatically become 100% vested upon attainment of normal retirement age (65) or retirement due to disability or death.
e. Payment of benefits - Upon termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump sum amount or a partial payment of the vested portion of the value of the funds credited to the participant's account.
f. Forfeited accounts - At December 31, 2013 forfeited non-vested accounts were $28,468. These amounts are used to reduce employer contributions or pay plan expenses.
g. Administrative expenses - Administrative fees paid by the Plan include investment and legal advisory fees, audit fees, recordkeeping fees and transactions fees. The Plan Sponsor also pays significant expenses relating to the plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained by the trustee on the modified cash basis. Under this basis, additions to the Plan's assets are recognized when collected rather than when earned and deductions are recognized when paid rather than when incurred.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for plan benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statement of changes in net assets available for plan benefits is prepared on a contract value basis.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Ascensus as agent for Frontier Trust Company. See Note 7 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements is in conformity with the modified cash basis of accounting which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated events and transactions that occurred between January 31, 2014 and November 14, 2014 which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

3. PLAN ADMINISTRATIVE COMMITTEE INFORMATION

The plan administrative committee consists of Terry Costello and Danielle Bryant, employees and/or officers of the Company in consultation with James T. Yonkers, Chairman and CEO. They have designated the trustee, Frontier Trust Company to hold the Plan's invested assets and to execute investment transactions.

4. TRUSTEE AGREEMENT

The appointed trustee of the Plan's assets is Frontier Trust Company. The trustee has been given the authority and power to purchase and sell securities and other investments at their discretion. The trustee agreement provides for benefit payments to be made from the Plan by the trustee upon the direction and request of the plan administrator.

5. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Ascensus, the record keeper, as agent for Frontier Trust Company, the trustee of the Plan, except for comparing such information certified by the trustee to information included in the Plan's financial statement:

	2013
Common collective trust fund*	$ 530,793
Mutual funds	8,401,732

*Certified at contract value

During 2014, the Plan's mutual funds depreciated in value by $65,562.

7. FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, *Fair Value Measurements*, which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

FASB ASC 820 also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The categorization of each investment type within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. FASB ASC 820 establishes three levels of inputs that may be used to measure fair value: Level 1: Quoted prices in active markets for identical assets or liabilities at the measurement date; Level 2: Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active market for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or Level 3: Unobservable inputs that are supported by little or no market activity and that reflect the Plan's own assumptions about market participants and prices.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

7. FAIR VALUE MEASUREMENTS (Continued)

Common collective trust fund
Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2013:

Fair Value of Investment in Entities that use Net Asset Value

The Following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2013.

December 31, 2013	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust (a)	$ 532,321	N/A	Daily	Daily-12 Month (b)

(a) – The objective of this investment is to pursue stability of principal while earning current income.

7. FAIR VALUE MEASUREMENTS (Continued)

(b) – Daily Withdrawals: Benefit payments, payment of participant loans, payment of trustee fees, participant-directed exchanges to non-competing investments

90-Day Notice Withdrawals: Participant-directed transfers to competing investments (including: money market funds, stable value funds, any investment that maintains 80% of its assets in fixed income securities with an average duration of 3 years or less).

12-Month Notice Withdrawals: Withdrawals for any purpose other than those noted above, including any withdrawals resulting from any employer-initiated event (including: sale or merger of the plan sponsor or a partial plan termination).

8. RELATED PARTY TRANSACTIONS

Certain Plan investments are held in an interest bearing account managed by Frontier Trust Company, the trustee of the Plan's assets and therefore, these transactions qualify as party-in-interest transactions.

9. PLAN TERMINATION

The Plan Sponsor approved a corporate resolution on December 4, 2013 and effective January 1, 2014 to terminate the Plan's trustee and merge the Plan with Foster Wheeler Inc. 401(k) Plan, which is sponsored by the Plan Sponsor's parent company, Foster Wheeler AG. The Foster Wheeler, Inc. 401(k) Plan trustee and record-keeper is Vanguard Fiduciary Trust Company. As of January 31, 2014 all assets were transferred into the Foster Wheeler Inc. 401(k) Plan as directed by the resolution.

10. TAX STATUS

The Plan follows the provisions of FASB ASC 740-10 *Accounting for Uncertainty in Income Taxes.* FASB ASC 740-10 prescribes a comprehensive model for how the Plan should measure, recognize, present, and disclose in its financial statements uncertain tax positions that the Plan has taken or expects to take on a tax return. The Plan is no longer subject to U.S. Department of Labor and Internal Revenue Service examinations for years ending before December 31, 2009.

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended and restated since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.
