REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
RJN Group, Inc. 401k Plan

We were engaged to audit the accompanying financial statements of RJN Group, Inc. 401k Plan (the Plan) which comprise the statement of net assets available for benefits as of January 31, 2014, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by John Hancock Retirement Plan Services, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended January 31, 2014, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets held for investment purposes at end of year is the responsibility of plan management and is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 it is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter - 2013 Financial Statements

The financial statements of the Plan as of January 31, 2013, were audited by DiGiovanni, McLaren & Associates, PC, whose professional practice was merged with Claibre CPA Group, PLLC as of August 1, 2013. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock Retirement Plan Services, the trustee of the Plan. Their reported dated July 23, 2013, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2014 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RJN GROUP, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

JANUARY 31, 2014 AND 2013

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The RJN Group, Inc. 401(k) Plan (Plan) maintains its financial records and files its annual reports with the Internal Revenue Service on the modified cash basis of accounting. Except for the recognition of appreciation (depreciation) in fair value of investments, revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when incurred.

Investments - Investments, other than cash or cash equivalents, are carried at fair value in accordance with accounting standards for Fair Value Measurements which define fair value as the price that would be received to sell an asset or transfer a liability in an orderly fashion between market participants at the measurement date.

Investments in shares of pooled separate accounts are reported at the fair value determined by John Hancock Life Insurance Company, which is based on quoted market prices of the underlying securities.

Investment Income - Dividends, interest, realized and unrealized gains and losses and investment expenses paid to the investment accounts are included in net appreciation (depreciation) in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

Payments on Benefits - Benefits are recorded when paid to the participant or beneficiary. All benefit payments are disbursed by John Hancock Life Insurance Company.

Administrative expenses - Certain administrative services are provided to the Plan by RJN Group, Inc. (Plan Sponsor).

Estimates - In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the amounts of net assets, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results may differ from those estimates.

NOTE 2. DESCRIPTION OF THE PLAN

The RJN Group, Inc. 401(k) Plan was established February 1, 1989 by RJN Group, Inc. to provide savings and retirement benefits for eligible employees. The Plan, financed by contributions of the participants and the employer, and the net earnings of the investments of the Plan, covers all non-collective bargaining employees of the Company who have been employed at least ninety days and are age twenty-one or older. The Plan is a single employer defined contribution plan that is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participants may contribute to the Plan, through regular payroll deductions, an amount subject to limitations imposed by the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified employee benefit plans. Participants must direct their salary deferral contributions and the Company's contributions into a variety of investment funds made available and determined by the Plan Administrator. Participants may change their investment options at any time.

Employees instruct the Company and/or the Contract Administrator of the Trust (John Hancock Retirement Plan Services) to invest their own contributions as well as Company contributions made on their behalf. The Plan currently offers a variety of pooled separate accounts with John Hancock Retirement Plan Services.

Participants must evaluate their own investment goals and objectives and choose the funds best suited to achieve those goals and objectives. Poor investment performance by the funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions and Plan earnings. The Company's matching contribution is allocated based on a percentage of the participant's contribution. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants are immediately vested in participant and rollover contributions plus the actual earnings thereon. Vesting in the remainder of their account is based on years of credited service. Participants are 100% vested after five years of service. In the event of death, disability or retirement at designated ages, participants become fully vested.

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be used to pay for the Plan’s administrative expenses and then, subsequently, reduce future employer contributions. Accumulated forfeitures used for this purpose totaled approximately $5,362 at January 31, 2014 and $5,279 at January 31, 2013.

On termination of service, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or a direct rollover distribution.

Participants should refer to the summary plan description for more complete information.

NOTE 3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4. INCOME TAX STATUS

The Internal Revenue Service has issued a determination letter dated March 31, 2008, indicating that the Plan, as designed, is a qualified plan under Internal Revenue Code Sections 410(b) and 401(a)(4) and therefore not subject to tax.

Although the Plan has been amended since receiving the determination letter, the Plan's administrator believes that the Plan is designed and is currently being operated in accordance with the applicable requirements of the Internal Revenue Code.

The Plan accounts for income taxes in accordance with the Accounting Standards Codification Topic Income Taxes. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of uncertain tax positions taken or expected to be taken in a tax return.. As of January 31, 2014 and 2013, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. At January 31, 2014, the Plan is no longer subject to income tax examinations for years prior to the fiscal year ended January 31, 2011.

NOTE 5. INVESTMENTS

The following table represents the fair value of investments, all of which are participant directed. Investments that represent 5% or more of the Plan's net assets at January 31, 2014 and 2013 are separately identified.

	2014	2013
Investments at fair value as determined by quoted market price:		
Pooled separate accounts		
Lifestyle Growth	$ 828,201	$ 783,950
Lifestyle Aggressive	999,401	795,523
Lifestyle Balanced	1,151,680	1,220,119

Other	5,591,985	4,926,175
Total	$ 9,043,251	$ 8,096,511

NOTE 6. FAIR VALUE MEASUREMENTS

Accounting standards provide a consistent definition of fair value using a fair value hierarchy based on observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

The following is a description of the inputs used in the valuation of the assets and liabilities.

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Quoted prices for similar assets or liabilities, or inputs that are observable, either directly or indirectly, for substantially the full term through corroboration with observable market data. Level 2 includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security.

Level 3 – Pricing inputs are unobservable for the asset or liability, that is, inputs that reflect the reporting entity's own assumption about the assumptions market participants would use in pricing the asset or liability.

Judgment may be required in interpreting market data used to develop the estimates of fair value. Accordingly, the estimates presented herein are not necessarily indicative of the amounts that could be realized in a current market exchange. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value.

The following table summarizes the Plan's investments in certain entities that calculate net asset value per share as fair value measurement as of:

January 31, 2014	Fair Value	Unfunded commitments	Redemption frequency	Redemption notice period
Pooled separate accounts	$ 9,043,251	$ -	Daily	Daily

NOTES TO FINANCIAL STATEMENTS

JANUARY 31, 2014 AND 2013

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The RJN Group, Inc. 401(k) Plan (Plan) maintains its financial records and files its annual reports with the Internal Revenue Service on the modified cash basis of accounting. Except for the recognition of appreciation (depreciation) in fair value of investments, revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when incurred.

Investments - Investments, other than cash or cash equivalents, are carried at fair value in accordance with accounting standards for Fair Value Measurements which define fair value as the price that would be received to sell an asset or transfer a liability in an orderly fashion between market participants at the measurement date.

Investments in shares of pooled separate accounts are reported at the fair value determined by John Hancock Life Insurance Company, which is based on quoted market prices of the underlying securities.

Investment Income - Dividends, interest, realized and unrealized gains and losses and investment expenses paid to the investment accounts are included in net appreciation (depreciation) in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

Payments on Benefits - Benefits are recorded when paid to the participant or beneficiary. All benefit payments are disbursed by John Hancock Life Insurance Company.

Administrative expenses - Certain administrative services are provided to the Plan by RJN Group, Inc. (Plan Sponsor).

Estimates - In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the amounts of net assets, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results may differ from those estimates.

NOTE 2. DESCRIPTION OF THE PLAN

The RJN Group, Inc. 401(k) Plan was established February 1, 1989 by RJN Group, Inc. to provide savings and retirement benefits for eligible employees. The Plan, financed by contributions of the participants and the employer, and the net earnings of the investments of the Plan, covers all non-collective bargaining employees of the Company who have been employed at least ninety days and are age twenty-one or older. The Plan is a single employer defined contribution plan that is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participants may contribute to the Plan, through regular payroll deductions, an amount subject to limitations imposed by the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified employee benefit plans. Participants must direct their salary deferral contributions and the Company's contributions into a variety of investment funds made available and determined by the Plan Administrator. Participants may change their investment options at any time.

Employees instruct the Company and/or the Contract Administrator of the Trust (John Hancock Retirement Plan Services) to invest their own contributions as well as Company contributions made on their behalf. The Plan currently offers a variety of pooled separate accounts with John Hancock Retirement Plan Services.

Participants must evaluate their own investment goals and objectives and choose the funds best suited to achieve those goals and objectives. Poor investment performance by the funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions and Plan earnings. The Company's matching contribution is allocated based on a percentage of the participant's contribution. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants are immediately vested in participant and rollover contributions plus the actual earnings thereon. Vesting in the remainder of their account is based on years of credited service. Participants are 100% vested after five years of service. In the event of death, disability or retirement at designated ages, participants become fully vested.

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be used to pay for the Plan's administrative expenses and then, subsequently, reduce future employer contributions. Accumulated forfeitures used for this purpose totaled approximately $5,362 at January 31, 2014 and $5,279 at January 31, 2013.

On termination of service, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or a direct rollover distribution.

Participants should refer to the summary plan description for more complete information.

NOTE 3. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4. INCOME TAX STATUS

The Internal Revenue Service has issued a determination letter dated March 31, 2008, indicating that the Plan, as designed, is a qualified plan under Internal Revenue Code Sections 410(b) and 401(a)(4) and therefore not subject to tax.

Although the Plan has been amended since receiving the determination letter, the Plan's administrator believes that the Plan is designed and is currently being operated in accordance with the applicable requirements of the Internal Revenue Code.

The Plan accounts for income taxes in accordance with the Accounting Standards Codification Topic Income Taxes. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of uncertain tax positions taken or expected to be taken in a tax return.. As of January 31, 2014 and 2013, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. At January 31, 2014, the Plan is no longer subject to income tax examinations for years prior to the fiscal year ended January 31, 2011.

NOTE 5. INVESTMENTS

The following table represents the fair value of investments, all of which are participant directed. Investments that represent 5% or more of the Plan's net assets at January 31, 2014 and 2013 are separately identified.

NOTE 6. FAIR VALUE MEASUREMENTS

Accounting standards provide a consistent definition of fair value using a fair value hierarchy based on observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

The following is a description of the inputs used in the valuation of the assets and liabilities.

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Quoted prices for similar assets or liabilities, or inputs that are observable, either directly or indirectly, for substantially the full term through corroboration with observable market data. Level 2 includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security.

Level 3 – Pricing inputs are unobservable for the asset or liability, that is, inputs that reflect the reporting entity's own assumption about the assumptions market participants would use in pricing the asset or liability.

Judgment may be required in interpreting market data used to develop the estimates of fair value. Accordingly, the estimates presented herein are not necessarily indicative of the amounts that could be realized in a current market exchange. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value.

The following table summarizes the Plan's investments in certain entities that calculate net asset value per share as fair value measurement as of:

January 31, 2014	Fair Value	Unfunded commitments	Redemption frequency	Redemption notice period
Pooled separate accounts	$ 9,043,251	$ -	Daily	Daily
