Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Tos Farms, Inc. Profit Sharing Plan as of June 30, 2014 and 2013, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

1. DESCRIPTION OF PLAN:

The following brief description of the Plan provides only general information. Participants should refer to the Plan document for complete information.

General

The Tos Farms, Inc. Profit Sharing Plan (the "Plan") was adopted effective July 1, 1979 for all eligible employees (participants) of Tos Farms, Inc. and Tos Farming Company, a California Partnership and Tos Land Company, a California Partnership. The Plan was subsequently amended effective July 1, 1980, July 1, 1984, February 4, 1992, December 20, 1994, June 28, 2005 and August 31, 2008. The Plan and the related trust fund are established for the exclusive benefit of the participating employees and no part of the trust fund, including income from investments and employer contributions, can revert to the Company or the Partnership.

Management has evaluated subsequent events through December 11, 2014, the date at which the financial statements were available to be issued. No significant subsequent events were discovered by management.

Eligibility and Vesting

An employee becomes eligible for participation in the Plan upon attainment of his twenty-first birthday, after completing one year of service and after completing one thousand hours of service. Contributions vest 100% at the end of the third year of service in the Plan and become fully vested upon the employee's death, incapacity, attainment of normal retirement age or upon termination of the Plan. An employee becomes eligible for normal retirement benefits upon attainment of his sixty-fifth birthday. Benefit payments may be made in a lump sum or in installments.

Administration

The Plan is administered by Total Benefit Services, Inc. and plan administration costs were paid for by the Plan.

Contributions

The Plan is a defined contribution plan. As such, the Company's contribution is determined each year at the discretion of the Board of Directors. All contributions made by the Company to the trust are irrevocable and are used to pay benefits under the Plan or to pay expenses incurred in connection with the purchase and sale of securities or other investments of the trust fund.

Distributions

In the event of death, disability, retirement or termination, a participant's vested interest in the Plan will be distributed in a lump-sum payment or in installments as soon as administratively feasible.

1. DESCRIPTION OF PLAN (CONTINUED):

Termination

Although termination of the Plan is not presently contemplated, Tos Farms, Inc. has the right to terminate the Plan at any time. In the event of termination, participants become 100% vested in their respective investments, including all discretionary employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Accounting Method

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates that were used.

Investments

As of June 30, 2014 and 2013, investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are accounted for as of the trade date. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Operating Expenses

All expenses of maintaining the Plan are paid by the Company.

3. INVESTMENTS:

The Plan's investments held by Wells Fargo Advisors, a party-in-interest, (including investments bought, sold and held during the year) are stated at fair value. Fair values and appreciation (depreciation) in value are summarized as follows:

	Original Cost	Current Value
JCM Partners, LLC:		
June 30, 2014	$ 0	$ 0
June 30, 2013	$ 25,000	$ 15,369

5. FAIR VALUE MEASUREMENTS:

ASC 820-10 clarifies the definition of fair value for financial reporting, establishes a fair value of hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

		Fair Value Measurements Using:	
	Fair Value	Quoted Prices in Active Markets (Level 1)	Significant Unobservable Inputs (Level 3)
June 30, 2014			
Common/collective trusts	$ 2,850,868	$ 2,850,868	$
Total	$ 2,850,868	$ 2,850,868	$ 0

5. FAIR VALUE MEASUREMENTS (CONTINUED):

Limited partnerships	15,369		15,369
Total	$ 2,355,729	$ 2,340,360	$ 15,369

Level 3 Fair Value Measurements

The Plan's investment in a limited partnership has no quoted market price, and is stated at management's estimated fair value. The type of investment, information about transactions for the investment and expected cash flows were considered.

Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

	Limited Partnership 2014	Limited Partnership 2013

Unrealized gain (loss) on redemption of units		(369,240)
Ending balance	$ 0	$ 15,369

6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H, FORM 5500:

At June 30, 2014 and 2013, there were no differences between assets available for benefits per the financial statements and the assets available per Schedule H, Form 5500. Also, there were no differences in benefits paid to participants per the financial statements and Schedule H, Form 5500.

7. INCOME TAXES:

The Plan obtained its latest determination letter on January 14, 2004, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provisions for income taxes have been included in the Plan's financial statements.

The income tax returns for the three prior years for federal and the four prior years for state income tax purposes are subject to examination by appropriate tax authorities. Interest and penalties, if imposed from tax positions, are recognized in the financial statements as general and administrative expenses.

8. RISKS AND UNCERTAINTIES:

The Plan invests in numerous publicly traded stock and bond mutual funds. The value, liquidity and related income of these mutual funds are sensitive to changes in economic conditions, and may be affected by shifts in the market's perception and changes in interest rates. The ultimate effect of the current economic conditions cannot be determined at this time.

9. RELATED PARTY:

The transactions between the Plan and its employers for the year ended June 30, 2014 are as follows:
